Good Afternoon, Team,
I hope this email finds you well. I am circling back to our previous conversation regarding information on the cost per student to the following proposed Delray Beach programs:

- **Information Technology**
  - Computer Programming Specialist
  - Information Technology Technician
  - Engineering Technology Support Specialist
- **Sales and Retail**

-

  - Automotive Service Technician
  - Automotive Repair Technician
  - Basic Automotive Service

- **Manufacturing, Logistics and Supply Chain**
  - Logistics and Transportation Specialist
  - Global Logistics Supply Chain Technology
  - Engineering Technology Support Specialist

If possible, can this information be made available prior to November 4th so I can present it to the appropriate stakeholders? Thanks for your response in advance!

Good Morning Janai,

It was a pleasure meeting with you again regarding programming for Delray Beach. As it relates to Career Source funding, I wanted to provide the latest status we received this morning from Ana Santana, Manager of Programs. CareerSource online application is currently closed and is expected to reopen some time in November 2023. They will post on the website if they will open applications again. CareerSource funding is renewed every July.

Here is the link to the website. Training Opportunities (careersourcepbc.com)

In the interim, per your request, I will have Cyndi Parent, Special Projects Coordinator, gather information and provide you with a breakdown of the cost per student for each Delray Beach program that aligns with Career Source funding listed in your email below.

Kind Regards,

Deborah

Hello Team,
Thank you again for a productive meeting regarding Delray Beach programming. I consulted with Education Board members, and they were pleased with the following proposed programming areas that also align with CareerSource funding:

- **Information Technology**
  - Computer Programming Specialist
  - Information Technology Technician
  - Engineering Technology Support Specialist
- **Sales and Retail**

-

  - Automotive Service Technician
  - Automotive Repair Technician
  - Basic Automotive Service

- **Manufacturing, Logistics and Supply Chain**
  - Logistics and Transportation Specialist
  - Global Logistics Supply Chain Technology
  - Engineering Technology Support Specialist

I am also collaborating with our Economic Development Manager, Rob Evans, to generate a report identify Delray Beach's top employers and apparent skills gaps. This information will allow us to

further determine which programs are necessary. When possible, please provide a breakdown of the cost per student for eachDelray program. If any additional information is necessary, please let me know.
