### FAB Now Available at the Delray Beach GreenMarket

Fresh Access Bucks (FAB) is a USDA-funded, statewide nutrition incentive program that increases the purchasing power of SNAP recipients to buy fresh fruits and vegetables at farmers markets, produce stands, CSAs, mobile markets, and community grocery outlets. FAB doubles a SNAP beneficiary's purchasing power by matching SNAP benefits dollar for dollar up to \$40 at every GreenMarket day to spend with eligible participating vendors.

Dubbed the Carver Square Workforce Housing Development, the CRA is working with PulteGroup, one of America's largest homebuilding companies, to develop 20 brand new homes on the land. Even though the momentum is fast-paced now, the project first began way back in 2005 when the CRA began acquiring two blocks of single family properties (20 lots total) in the Carver Square subdivision.
