Profile

NOTE: Each Applicant is advised to attend at least one meeting prior to applying for appointment.

Board Member applications must be received no later than **ten (10) business days** prior to the first City Commission Meeting at which the Commissioner is eligible to nominate and appoint the prospective board member.

The [City Commission](#) appoints members of the boards and committees. All positions are voluntary and members are not compensated for their time. However, the individuals who serve on the boards and committees provide an invaluable service to the city. Their advice and expertise on a wide range of topics assist the City Commission in its decision-making process.

In general, individuals may serve on only one board or committee at a given time, with the exception of ad-hoc committees or task forces. Most advisory groups meet at least once a month, however, there are varying degrees of commitment, depending on the board. Membership requirements vary with each board and committee

Interests & Experiences

List any certifications or licenses which may further qualify you to serve on a board or committee.

I was a partner in an international law firm for over 30 years specializing in tax law. Part of my practice consisted of lobbying state and local officials, affording me a keen understanding of how state and municipal governments function. My long experience interpreting state and local law and working with government officials qualifies me to be a highly effective member of a city board or committee. In addition, I served long-standing leadership roles in civic organizations heavily involved in influencing state and local policy issues including the Illinois State Chamber of Commerce, the Taxpayers' Federation of Illinois, the Illinois Fiscal Policy Council, and the Chicago Law Firm Coalition NFP, providing me with a balanced look at the needs of government and its citizens.

Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:

I am deeply interested in participating in the process by which development aligns with the long-term goals and objectives of our Village by the Sea. I would like to contribute to the making of informed decisions based on my many years of experience working with state and local governments in advocating for the needs of their citizens.

List any other community/civic involvement which you would like the Commission to consider:

I am a member of the Delray Beach Volunteer Police Patrol, and Treasurer of the Palm Trail Neighborhood Association. Please see my resume for a list of my extensive and long-standing civic and charitable engagement prior to moving to Delray Beach.

University attended:

University of Pennsylvania, The Wharton School (undergraduate); The University of Chicago (The Law School)
