- 1.4. "**Services**" means all services provided by Axon under this Agreement, including software, Axon Cloud Services, and professional services.

2. **Termination of Prior Agreement.** The parties hereby acknowledge and agree that the Master Services and Purchasing Agreement executed between Axon and the Customer, dated June 8, 2021, is hereby terminated and shall hold no further force or effect as of the date upon which this Agreement is fully executed.

3. **Products and Services.** Axon agrees to provide public safety-related video surveillance products, devices, and services to the Customer. Such items shall be procured as part of a City Standard purchase. The City Standard Approval Memorandum is hereby incorporated and attached as Exhibit "B."

4. **Term.** This Agreement shall commence on the Effective Date and shall remain in effect until the earlier of (i) five (5) years thereafter, or (ii) the expiration or termination of all subscriptions hereunder, ("**Term**").

- 4.1. All subscriptions including Axon Evidence, Axon Fleet, Officer Safety Plans, Technology Assurance Plans, and TASER 7 or TASER 10 plans begin on the date stated in the Quote. Each subscription term ends upon completion of the subscription stated in the Quote ("**Subscription Term**").
- 4.2. Upon completion of the Subscription Term, the Subscription Term will automatically renew for an additional 5 years ("**Renewal Term**"). For purchase of TASER 7 or TASER 10 as a standalone, Axon may increase pricing to its then-current list pricing for any Renewal Term. For all other purchases, Axon may increase pricing on all line items in the Quote by up to 3% at the beginning of each year of the Renewal Term. New devices and services may require additional terms. Axon will not authorize services until Axon receives a signed Quote or accepts a purchase order, whichever is first.

5. **Payment.** Axon invoices for Axon Devices upon shipment, or on the date specified within the invoicing plan in the Quote. Payment is due net 30 days from the invoice date. Axon invoices for Axon Cloud Services on an upfront annual basis prior to the beginning of the Subscription Term and upon the anniversary of the Subscription Term. Payment obligations are non-cancelable. Unless otherwise prohibited by law, Customer will pay interest on all past-due sums at the lower of one-and-a-half percent (1.5%) per month or the highest rate allowed by law. Customer will pay invoices without setoff, deduction, or withholding. If Axon sends a past due account to collections, Customer is responsible for collection and attorneys' fees.

6. **Taxes.** Customer is responsible for sales and other taxes associated with the order unless Customer provides Axon a valid tax exemption certificate.

7. **Shipping.** Axon may make partial shipments and ship Axon Devices from multiple locations. All shipments are EXW (Incoterms 2020) via common carrier. Title and risk of loss pass to Customer upon Axon's delivery to the common carrier. Customer is responsible for any shipping charges in the Quote.

Axon shall investigate and defend all claims, suits, or actions of any kind or nature, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may be incurred thereon, in accordance with the terms outlined herein. Customer must promptly provide Axon with written notice of such claim, tender to Axon the defense or settlement of such claim at Axon's expense and cooperate fully with Axon in the defense or settlement of such claim. Axon expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by Axon shall in no way prohibit the responsibility to indemnify, keep and save harmless, and defend the Customer or its officers, employees, agents, and instrumentalities as herein provided the obligations of this section shall survive the term of this Agreement.
10. **Warranty.**

Axon Devices and Services that are not manufactured, published or performed by Axon ("Third-Party Products") are not covered by Axon's warranty and are only subject to the warranties of the third-party provider or manufacturer.
- 10.3. **Claims.** If Axon receives a valid warranty claim for an Axon-manufactured Device during the warranty term, Axon's sole responsibility is to repair or replace the Axon-manufactured Device with the same or like Axon-manufactured Device, at Axon's option. A replacement Axon-manufactured Device will be new or like new. Axon will warrant the replacement Axon-manufactured Device for the longer of (a) the remaining warranty of the original Axon-manufactured Device or (b) ninety (90) days from the date of repair or replacement.
- 10.3.1. If Customer exchanges an Axon Device or part, the replacement item becomes Customer's property, and the replaced item becomes Axon's property. Before delivering an Axon-manufactured Device for service, Customer must upload Axon-manufactured Device data to Axon Evidence or download it and retain a copy. Axon is not responsible for any loss of software, data, or other information contained in storage media or any part of the Axon-manufactured Device sent to Axon for service.

- 10.5.1. To the extent permitted by law, the above warranties and remedies are exclusive. Axon disclaims all other warranties, remedies, and conditions, whether oral, written, statutory, or implied. If statutory or implied warranties cannot be lawfully disclaimed, then such warranties are limited to the duration of the warranty described above and by the provisions in this Agreement. Customer confirms and agrees that in deciding whether to sign this Agreement, Customer has not relied on any statement or representation by Axon or anyone acting on behalf of Axon related to the subject matter of this Agreement that is not in this Agreement.
- 10.5.2. Axon's liability for a claim or judgement by any one person shall be limited to the sum of \$200,000 or any claim or judgment, or portions thereof, which, when totaled with all other claims

Customer agrees not to make or bring any such claim against any Releasee, and forever release and discharge all Releasees from liability under such claims. Customer expressly allows Axon to publicly announce its participation in Axon Aid and use its name in marketing materials. Axon may terminate the Axon Aid program without cause immediately upon notice to the Customer.
11. **Statement of Work.** Certain Axon Devices and Services, including Axon Interview Room, Axon Channel Services, and Axon Fleet, may require a Statement of Work that details Axon's Service deliverables ("**SOW**"). In the event Axon provides an SOW to Customer, Axon is only responsible for the performance of Services described in the SOW. Additional services are out of scope. The Parties must document scope changes in a written and signed change order. Changes may require an equitable adjustment in fees or schedule. Axon Customer Experience Improvement Program Appendix

1. **Axon Customer Experience Improvement Program (ACEIP).** The ACEIP is designed to accelerate Axon's development of technology, such as building and supporting automated features, to ultimately increase safety within communities and drive efficiency in public safety. To this end, subject to the limitations on Axon as described below, Axon, where allowed by law, may make limited use of Customer Content from all of its customers to provide, develop, improve, and support current and future Axon products (collectively, "ACEIP Purposes"). However, at all times, Axon will comply with its obligations pursuant to the Axon Cloud Services Terms of Use Appendix to maintain a comprehensive data security program (including compliance with the CJIS Security Policy for Criminal Justice Information), privacy program, and data governance policy, including high industry standards of de-identifying Personal Data, to enforce its security and privacy obligations for the ACEIP. ACEIP has 2 tiers of participation, Tier 1 and Tier 2. By default, Customer will be a participant in ACEIP Tier 1. If Customer does not want to participate in ACEIP Tier 1, Customer can revoke its consent at any time. If Customer wants to participate in Tier 2, as detailed below, Customer can check the ACEIP Tier 2 box below. If Customer does not want to participate in ACEIP Tier 2, Customer should leave box unchecked. At any time, Customer may revoke its consent to ACEIP Tier 1, Tier 2, or both Tiers.
2. **ACEIP Tier 1.**
 - 2.1. When Axon uses Customer Content for the ACEIP Purposes, Axon will extract from Customer Content and may store separately copies of certain segments or elements of the Customer Content (collectively, "**ACEIP Content**"). When extracting ACEIP Content, Axon will use commercially reasonable efforts to aggregate, transform or de-identify Customer Content so that the extracted ACEIP Content is no longer reasonably capable of being associated with, or could reasonably be linked directly or indirectly to a particular individual ("**Privacy Preserving Technique(s)**"). For illustrative purposes, some examples are described in footnote 1¹. For clarity, ACEIP Content will still be linked indirectly, with an attribution, to the Customer from which it was extracted. This attribution will be stored separately from the data itself, but is necessary for and will be solely used to enable Axon to identify and delete all ACEIP Content upon Customer request. Once de-identified, ACEIP Content may then be further modified, analyzed, and used to create derivative works. At any time, Customer may revoke the consent granted herein to Axon to access and use Customer Content for ACEIP Purposes. Within 30 days of receiving the Customer's request, Axon will no longer access or use Customer Content for ACEIP Purposes and will delete any and all ACEIP Content. Axon will also delete any derivative works which may reasonably be capable of being associated with, or could reasonably be linked directly or indirectly to Customer. In addition, if Axon uses Customer Content for the ACEIP Purposes, upon request, Axon will make available to Customer a list of the specific type of Customer Content being used to generate ACEIP Content, the purpose of such use, and the retention, privacy preserving extraction technique, and relevant data protection practices applicable to the Customer Content or ACEIP Content ("**Use Case**"). From time to time, Axon may develop and deploy new Use Cases. At least 30 days prior to authorizing the deployment of any new Use Case, Axon will provide Customer notice (by updating the list of Use Case at <https://www.axon.com/aceip> and providing Customer with a mechanism to obtain notice of that update or another commercially reasonable method to Customer designated contact) ("**New Use Case**").
 - 2.2. **Expiration of ACEIP Tier 1.** Customer consent granted herein will expire upon termination of the Agreement. In accordance with section 1.1.1, within 30 days of receiving the Customer's request, Axon will no longer access or use Customer Content for ACEIP Purposes and will delete ACEIP Content. Axon will also delete any derivative works which may reasonably be capable of being associated with, or could reasonably be linked directly or indirectly to, Customer.
3. **ACEIP Tier 2.** In addition to ACEIP Tier 1, if Customer wants to help further improve Axon's services, Customer may choose to participate in Tier 2 of the ACEIP. ACEIP Tier 2 grants Axon certain additional rights to use Customer

¹ For example; (a) when extracting specific text to improve automated transcription capabilities, text that could be used to directly identify a particular individual would not be extracted, and extracted text would be disassociated from identifying metadata of any speakers, and the extracted text would be split into individual words and aggregated with other data sources (including publicly available data) to remove any reasonable ability to link any specific text directly or indirectly back to a particular individual; (b) when extracting license plate data to improve Automated License Plate Recognition (ALPR) capabilities, individual license plate characters would be extracted and disassociated from each other so a complete plate could not be reconstituted, and all association to other elements of the source video, such as the vehicle, location, time, and the surrounding environment would also be removed; (c) when extracting audio of potential acoustic events (such as glass breaking or gun shots), very short segments (<1 second) of audio that only contains the likely acoustic events would be extracted and all human utterances would be removed.

Master Services and Purchasing Agreement for Customer

Content, in addition to those set forth in Tier 1 above, without the guaranteed deployment of a Privacy Preserving Technique to enable product development, improvement, and support that cannot be accomplished with aggregated, transformed, or de-identified data.

☐ Check this box if Customer wants to help further improve Axon's services by participating in ACEIP Tier 2 in addition to Tier 1. Axon will not enroll Customer into ACEIP Tier 2 until Axon and Customer agree to terms in writing providing for such participation in ACEIP Tier 2.
