Profile

NOTE: Each Applicant is advised to attend at least one meeting prior to applying for appointment.

Board Member applications must be received no later than **ten (10) business days** prior to the first City Commission Meeting at which the Commissioner is eligible to nominate and appoint the prospective board member.

The [City Commission](#) appoints members of the boards and committees. All positions are voluntary and members are not compensated for their time. However, the individuals who serve on the boards and committees provide an invaluable service to the city. Their advice and expertise on a wide range of topics assist the City Commission in its decision-making process.

In general, individuals may serve on only one board or committee at a given time, with the exception of ad-hoc committees or task forces. Most advisory groups meet at least once a month, however, there are varying degrees of commitment, depending on the board. Membership requirements vary with each board and committee

Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:

I wish to serve on the Planning and Zoning Board because I care deeply about Delray Beach's future and believe thoughtful growth requires both strong planning principles and meaningful community engagement. My background in public education, housing advocacy, government affairs, and constituent services has given me extensive experience listening to residents, balancing competing priorities, reviewing policy impacts, and working collaboratively toward practical solutions. As a former elected School Board Member and current nonprofit executive, I understand how land use decisions affect families, neighborhoods, schools, transportation, housing access, and quality of life. I would bring a community-centered, policy-oriented perspective to the board and work to ensure Delray Beach continues to grow in a way that is responsible, inclusive, and aligned with the city's long-term vision.
