Profile

NOTE: Each Applicant is advised to attend at least one meeting prior to applying for appointment.

Board Member applications must be received no later than **ten (10) business days** prior to the first City Commission Meeting at which the Commissioner is eligible to nominate and appoint the prospective board member.

The [City Commission](#) appoints members of the boards and committees. All positions are voluntary and members are not compensated for their time. However, the individuals who serve on the boards and committees provide an invaluable service to the city. Their advice and expertise on a wide range of topics assist the City Commission in its decision-making process.

In general, individuals may serve on only one board or committee at a given time, with the exception of ad-hoc committees or task forces. Most advisory groups meet at least once a month, however, there are varying degrees of commitment, depending on the board. Membership requirements vary with each board and committee

Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:

My approach to preservation is informed by a BA in History from Colorado College, including specialized architectural studies in Rome, Italy. This academic background is paired with a 30-year career owning and operating an interior design firm. My professional focus has been the dual challenge of new construction and the sensitive renovation of historical properties. Maintaining the unique character of Delray Beach is my prime motivation to join and support the team. Technical & Local Expertise I possess a comprehensive understanding of the entire building lifecycle, from initial architecture and land planning to lighting, use, and occupancy. As a resident of Palm Beach County and an active owner-manager of commercial properties in Delray Beach, I have a direct stake in the city’s architectural integrity. Core Value My experience allows me to bridge the gap between historical stewardship and the practical realities of property management. I am eager to apply this 360-degree perspective to ensure Delray Beach’s heritage remains a functional, vibrant part of our future growth

List any other community/civic involvement which you would like the Commission to consider:

I have participated in dozens of boards from small HOAs to large non profits. We have had a home on Swinton for 10 plus years but only in the fall when our last child entered the University of Tampa did we move here fulltime hence many of our activities and community roles were in the mid Atlantic. Most recently I am the VP of the West Annapolis Business Community.
