Are you currently serving, or have you ever served on a Delray Beach Advisory Board? If yes, please provide details and dates.

I have not, but I have decided the best way to serve my city and to make an impact in the neighborhood I live in, is to serve on a city commission or board. I have a school and professional background in real estate which I believe I can leverage to give a new perspective and help the city of Delray grow in a sustainable way. I would appreciate the opportunity to meet in person because I believe this online application will not accurately reflect who I am as a person.

Interest & Experiences

List any certifications or licenses which may further qualify you to serve on a board or committee.

I received my Master of Science in Real Estate. I am studying to become a residential realtor and working towards my CCIM (Certified Commercial Investment Member) designation. I currently work at Kayne Anderson on their debt fund assisting in loan originations. I recently moved to Delray from Tampa because I grew up coming here throughout my life. My aunt lives on NE 7th Ave and has for the past 20 years. (I will continue into the next section).

Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:

I am currently 24 years old, and I know this might be a hesitation when considering me for a position on a city board, but I want to get involved with my new city and help to maintain the character and charm that keeps people coming back. I have fresh ideas and what I lack in years and perceived experience, I will make up for in unwavering dedication, hard work and a commitment to excellence. I believe that this is a great city. (I will continue into the next section).

List any other community/civic involvement which you would like the Commission to consider:

I would be honored to serve on the Northwest/Southwest board. I believe there is opportunity to increase the standard of living in the area without pushing people out of their homes. The saddest thing in real estate is the displacement of people for the opportunity to make money. There's sustainable and accommodating ways to uplift an area without displacement. I'm not currently live in the area, but I am just on the edge. My cell 813-215-3504. I want to plead my case over the phone/in-person.
