Briefly describe why you wish to serve as a member of the RAC and how your personal experience and background relate:

I wish to serve as a member of the RAC because I care deeply about the redevelopment and improvement of Delray Beach, the city where I was born and raised over 50 years ago. I have witnessed the changes and challenges that Delray Beach has faced over the years, and I want to contribute to its future success. As a Delray Beach native, I have a personal connection and understanding of the diverse communities and needs within the CRA District. I have also been involved in various civic and social activities that have given me valuable insights and perspectives on the issues and opportunities that affect Delray Beach. I believe that my experience and background make me a suitable candidate for the RAC, and I would be honored to advise the CRA Board on the implementation of the Community Redevelopment Plan. I am eager to share my ideas and feedback on the projects and initiatives that will enhance the attractiveness and quality of life of Delray Beach.

List any other community/civic involvement which you would like the Delray Beach CRA Board to consider (If none, please write n/a):

I have been actively involved in various community/civic activities that reflect my passion and commitment for Delray Beach. Some of these include:

- Over 3 years volunteering in the butterfly garden at Sandoway Discovery Center, where I learned about the importance of conserving and protecting the natural habitats and wildlife of Delray Beach.
- 1.5 years volunteering in the Heritage Garden at the Delray Beach Historical Society, where I gained a deeper appreciation and understanding of the rich and diverse history and culture of Delray Beach.
- 6.5 years volunteering time and fundraising expertise on the planning committee for the Witches of Delray, benefiting the Achievement Center for Children and Families, where I support the worthy cause that has been a staple in the Delray Beach community for over 50 years, that helps low-income families and children in Delray Beach access quality education, health care, and social services.
- Multi-year participant in the community art project known as Art in the Alley, where I joined volunteer artists in painting vividly colored mural panels to be hung in an alley in Osceola Park, improving and beautifying the public space of Delray Beach.
