A. Entire Condemnation. In the event the whole of Owner's Property, including, without limitation, the Leased Property, shall be taken or condemned, either permanently or for a period of more than thirty (30) days, for public purposes, or sold to a condemning authority under threat of condemnation to prevent taking, this Lease shall automatically terminate as of the day of the taking, condemnation or sale.

B. Partial Condemnation. In the event any portion of the Leased Property shall be taken or condemned, either permanently or for a period of more than thirty (30) days, for public purposes, or sold to a condemning authority under threat of condemnation to prevent taking, Owner agrees that Verizon Wireless may use and/or construct upon an alternate portion of Owner's Property which is equally suitable for Verizon Wireless's purposes, provided such alternate portion is available. Owner shall designate an alternate portion of Owner's Property to which Verizon Wireless may relocate prior to the taking, condemnation or sale. If an alternate portion of Owner's Property is available and such alternate portion of Owner's Property is acceptable to Verizon Wireless, in Verizon Wireless's sole and absolute discretion, Owner and Verizon Wireless shall enter into an amendment to this Lease designating such alternate portion of Owner's Property as the Leased Property. In the event no alternate portion of the Owner's Property is equally suitable for Verizon Wireless's intended uses, this Lease shall automatically terminate as of the day of the taking, condemnation or sale.

C. Condemnation Award. Owner shall receive the entire condemnation award for the land and such other improvements as are owned by Owner, and Verizon Wireless hereby expressly assigns to OWNER any and all right, title and interest of Verizon Wireless now or hereafter arising in and to any such award. B. Verizon Wireless's Right to Terminate. If the Owner is unable to comply with the 120 day reconstruction/repair requirement, Owner shall, prior to the expiration of the 120 day period give notice to Verizon Wireless of the need for an extension of time, which request shall not be unreasonably denied. If, as a result of any such

casualty, the Leased Property becomes totally unusable by Verizon Wireless after the 20th year under this Lease, rent shall abate during the period of repair, restoration and/or reconstruction.

16. LIENS.

A. Mechanics' Liens. Verizon Wireless shall keep the Leased Property free from any liens arising out of any work performed, materials furnished, or obligations incurred by or for Verizon Wireless. Verizon Wireless shall, within twenty (20) days of Verizon Wireless's receipt of written notice of the imposition of any such lien, (i) cause the same to be released of record by payment or (ii) deliver to Owner a bond in the amount of one hundred ten percent (110%) of the amount of the lien. Upon delivery of the bond to Owner, Verizon Wireless may contest the validity of the lien. Once the lien is released of record, any bond provided by Verizon Wireless to Owner shall be released and returned to Verizon Wireless. No work which Owner permits Verizon Wireless to perform on the Leased Property shall be deemed to be for the use or benefit of OWNER so that no mechanics or other lien shall be allowed against the estate of OWNER by reason of its consent to such work. OWNER shall have the right to post notices that it is not responsible for payment for any such work.

B. Landlord's Lien. Owner disclaims and waives any now existing or hereafter arising landlord's lien or other statutory or non-statutory lien or security interest in Verizon Wireless's and/or its sublessees' and/or licensees' communications facilities, equipment, improvements, fixtures and other property.

17. TAXES, MAINTENANCE.

A. Taxes. Verizon Wireless shall be responsible for paying all personal property taxes assessed directly upon Verizon Wireless's communications facilities located on the Leased Property. Verizon Wireless shall also be responsible for all real property taxes that may be imposed by law as attributable to Verizon Wireless' communication facilities on the Leased Property.

B. Maintenance. Verizon Wireless, at Verizon Wireless's expense, shall be responsible for maintaining, repairing and replacing Verizon Wireless's communications facilities located on the Leased Property. Owner, at Owner's expense, shall be responsible for maintaining, repairing and replacing the Owner's Property and the Owner's improvements located thereon except for the communications facilities of Verizon Wireless. All maintenance, repairs, and replacements required pursuant to this Paragraph 17.B. shall be performed in a good and workmanlike manner and shall be in compliance with all Governmental Laws, as defined in Paragraph 13.C.

18. QUIET ENJOYMENT AND NON-INTERFERENCE.

A. Quiet Enjoyment. Owner represents, warrants and agrees that Verizon Wireless, upon paying the rent and performing the covenants and provisions in this Lease to be observed or performed by Verizon Wireless shall peaceably and quietly have and enjoy the Leased Property.

B. Interference. Verizon Wireless understands that Owner's emergency equipment has first priority on the Tower. Owner hereby grants to Verizon Wireless, as a primary inducement to Verizon Wireless's entering into this Lease, right to install Verizon Wireless' communications facilities on Owner's Property. From time to time, Owner may grant to other entities the right to install and/or operate communications facilities on portions of Owner's Property

not leased to Verizon Wireless; provided, however Owner shall not allow or permit the installation or operation of communications facilities by other occupants, not including the Owner, to interfere with the operation or use of Verizon Wireless's communications facilities as they exist at the time of such other occupant's installation or as they may be modified, added to, or substituted at any time, or from time to time, during the term of this Lease, as may be extended. Further, other than Owner's use, Owner shall not cause, permit or allow any other use of, or condition on, Owner's Property which interferes with or impairs (i) the communications facilities or signal strength of Verizon Wireless from the Leased Property or (ii) the use of the Leased Property by Verizon Wireless. If any such interference occurs from another tenant's use, Owner agrees to eliminate or cause the elimination of such interference with Verizon Wireless's operations of their respective communications facilities or signal strengths or use of the Leased Property within ten (10) days after Owner's receipt of Verizon Wireless's written notice of such interference and, if necessary, to cause the interfering party to cease its operations. Except in cases of emergency, Owner shall not have access to the Leased Property, excluding the Tower, unless accompanied by Verizon Wireless personnel. Verizon Wireless shall not cause, permit or allow any other use of, or condition on Owner's Property which interferes with or impairs Owner's operations or the operations of other pre-existing tenants attached to the tower. If any such interference occurs, Verizon Wireless agrees to take immediate steps to eliminate or cause the elimination of such after Verizon Wireless's receipt of Owner's notice of such interference and, if necessary cease its operations. If the interference interrupts Owner's emergency communication system, and Verizon Wireless does not cure the interference within one (1) hour from receipt of notice from Owner, Verizon Wireless shall immediately deactivate its equipment until the problem is corrected. If Verizon Wireless' equipment repeatedly causes interference with Owner's equipment during the course of this Lease, Owner shall have the right to terminate this Agreement.

19. RIGHTS TO EQUIPMENT; CONDITION ON SURRENDER.

A. Personal Property. The communications facilities, equipment, improvements, fixtures and other property of Verizon Wireless and its sublessees and/or licensees on the Leased Property shall be and remain the personal property of Verizon Wireless and/or its sublessees and/or licensees, even though some of it may be permanently affixed to the land, and Verizon Wireless and its sublessees and/or licensees shall be entitled to take or remove all or any portion of their respective communications facilities, equipment, improvements, fixtures and other property from the Leased Property without any hindrance by, through or under Owner or the holder of any mortgage, deed of trust, ground lease or other encumbrance. At the termination or expiration of this Lease, Verizon Wireless and its sublessees and/or licensees shall have the right, but not the obligation, to remove all or any part of their respective communications facilities, equipment, improvements, fixtures and other property from the Leased Property. If Verizon Wireless or its sublessees and/or licensees elect to remove all or any part of their respective communications facilities, equipment, improvements, fixtures and other property Verizon Wireless shall repair or cause to be repaired any damage caused by such removal, and shall otherwise surrender the Leased Property at the expiration of the term, as may have been extended, or earlier termination thereof, in good condition, ordinary wear and tear, damage by fire and other casualty excepted. Any of Verizon Wireless's or its sublessees' and/or licensees' communications facilities, equipment, improvements, fixtures and other property that has not been removed from the Property within

thirty (30) days of the termination or expiration of this Lease shall be deemed abandoned by Verizon Wireless or its sublessees and/or licensees.

B. Presentation of Claims. Any claims relating to the condition of the Leased Property must be presented by Owner in writing to Verizon Wireless within thirty (30) sixty (60) days after the termination or expiration of this Lease or Owner shall be deemed to have irrevocably waived any and all such claims.

20. BROKERS. Owner and Verizon Wireless each represent and warrant to the other that he, she or it has not negotiated with any broker or agent, real estate or otherwise, in connection with this Lease. Owner and Verizon Wireless each agree that, if any claim is made against the other for a broker's or agent's commission, finder's fee or the like by reason of the acts of such party, the party upon whose acts such claim is predicated shall defend such action by legal counsel reasonably acceptable to the other party.

21. ESTOPPEL CERTIFICATES.
