

PARKING LICENSE AGREEMENT

THIS PARKING LICENSE AGREEMENT (“The Agreement”) is effective this 1st day of October, 2014 by and between the **CITY OF DELRAY BEACH**, a Florida municipal corporation (the “**CITY**”), and **Cut 432, LLC d/b/a Cut 432** a Florida corporation (“**LICENSEE**”).

WITNESSETH:

WHEREAS, it has been determined that valet parking in commercial areas can reduce issues caused by vehicular traffic; and

WHEREAS, valet parking also increases the number of available parking spaces in the City; and

WHEREAS, providing a process for obtaining a valet parking license enables the City to allow commercial businesses to have valet parking, while being able to monitor its usage; and

WHEREAS, **LICENSEE** has requested permission to use a certain number of public parking spaces along Atlantic Avenue and certain side streets for valet parking queues; and

WHEREAS, in order to use the parking spaces, the **CITY** requires that **LICENSEE** enter into this non-exclusive License Agreement.

NOW THEREFORE, in consideration of the sum of Ten Dollars (\$10.00), the mutual covenants and conditions contained in this Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Incorporation of Recitals.** The parties hereby represent and warrant that the above recitals are accurate and correct and hereby incorporate them into this Agreement.

2. **Valet Parking Queues.** The **CITY** agrees to allow **LICENSEE** the non-exclusive use of three (3) parking spaces located on the west side of SE 4th Avenue just south of Atlantic Avenue to create a valet parking queue in order to provide valet parking services to the public. The valet parking queue must be open every day between the hours of 5:00 PM and 2:00 AM, twelve months a year. **LICENSEE** acknowledges that the valet parking queues may be relocated or unavailable for use during certain special events from time to time

(as determined in the CITY's sole discretion), and during these special events, the license may not be valid. The valet queue locations may from time to time be relocated by the CITY in its sole discretion after providing thirty (30) days written notice to LICENSEE. The LICENSEE shall not restrict the use of the valet parking queue to only persons who are using the LICENSEE's business. The valet parking queue must be open to anyone wanting to use the valet parking service offered by LICENSEE.

3. **Parking Locations.** LICENSEE will ensure that, its employees and/or any valet operator hired by the LICENSEE will park cars in private parking lot(s) leased to the LICENSEE for that purpose. LICENSEE will ensure that its employees, and/or any valet operator hired by LICENSEE will not park any cars in on-street or off-street parking spaces owned and/or maintained by the CITY. Upon execution of this license agreement and at the CITY's request, LICENSEE must provide the CITY with a lease agreement(s) naming the LICENSEE as the lessor for use of a private parking lot(s) containing sufficient capacity as determined by staff and that complies with the City requirements for parking lots as described in the City's Land Development Regulations. If the lease changes the LICENSEE must provide the CITY with a copy of the new lease agreement within thirty (30) days). Failure to comply with the requirement of this section will be a basis for termination of this License Agreement.

4. **Staffing.** LICENSEE agrees that the valet parking queues will be staffed by a minimum of two (2) people, with one (1) person dedicated to oversee the queue to ensure that the valet service is operated in a manner that will not result in illegal parking in the queue or stacking and/or blocking of the travel ways of any alleyway, public street, or parking lot. Upon execution of this license agreement, LICENSEE must provide the CITY with a copy of its agreement with the valet operator (if any), and a copy of the valet operator's current insurance certificate as set forth in Exhibit "A".

5. **Payment.** LICENSEE agrees to pay the CITY One Hundred Thirteen Dollars and 56/100 per space by the tenth (10th) day of each month. This fee shall be increased by three percent (3%) annually. A late fee of five percent (5%) will be charged after this date. If more than one License Agreement is issued for this valet parking queue, the fee will be shared proportionately. Only one (1) valet operator will be permitted to operate the queue. LICENSEE

shall pay one (1) month's fee in advance of beginning operation of the valet parking queue as a security deposit. This deposit is due when the signed agreement is submitted to the CITY and shall be held by the CITY in a non-interest bearing account and returned upon written request subsequent to termination of this License Agreement, provided that LICENSEE is not in arrears at time of termination. Only one, (1), security deposit per LICENSEE shall be required.

6. **Maximum Parking Fee Permitted.** At no time shall valet parking fees for the first four (4) hours exceed Ten Dollars (\$10.00). An extended stay fee in the amount of five dollars (\$5) maybe assessed to all vehicles parked in excess of four (4) hours west of the Intracoastal Waterway. Valet prices must be prominently displayed on the valet stand and the associated signage as described in Section 7. Extended stay fees are excluded from validation discounts. Customer tickets must be time stamped upon arrival to charge extended stay fee.

7. **Signage.** The CITY agrees to place signs at the valet parking queue that display the valet parking times and days of service. LICENSEE may use additional signs to advertise the valet service. All valet stands and signage must display the words "OPEN TO THE PUBLIC" in lettering no less than three inches (3") in height on valet stands and two inches (2") in height on all other signage. All lettering must be of similar color and font as the lettering on associated signs. All signage must comply with the City's Sign Code as described in the Land Development Regulations and are subject to the approval of the City Manager or his/her designee. Sandwich board signs may not be used to advertise the valet service.

8. **Valet Equipment.** The LICENSEE may install a moveable, temporary, valet desk for the storage of keys on the sidewalk during the hours of valet service so long as the desk does not impede the pedestrian flow. All uniforms of the personnel operating the valet service must display "VALET" across the back, in no less than two inch (2") block lettering, and the name of the LICENSEE on the front, left, upper torso. Corporate logos are permitted. Shirts should have collars and be light in color for optimal visibility after dark.

b) **Financial Donation**: Neighboring businesses may contribute towards the total costs associated with this License Agreement, including the requirement of the private parking lot(s), in exchange for validation of their customer's vehicles by the LICENSEE. In no case shall their contribution exceed the total cost of the valet parking queue and the private parking lot. For example, if a neighboring business contributes to the costs associated with this License Agreement, the neighboring business will contribute no greater than fifty percent (50%) of the total. If two neighboring businesses contribute to the costs associated with this License Agreement, the neighboring business will each contribute no greater than thirty-three percent (33%) of the total.

c) **Coupon Program**: LICENSEE may offer the sale of coupons to neighboring businesses who want to provide validated parking to customers.

10. **Term and Renewal**. The term of this Agreement shall be for three (3) years. 11. **Revocable License**. This Agreement is only a nonexclusive License Agreement and may be revoked by the CITY at any time with or without cause during the initial term or any renewals thereof upon by providing written notice via U.S. Mail, certified, return receipt requested, to LICENSEE. The revocation shall be effective when mailed. LICENSEE may cancel the agreement by providing written notice of cancellation no less than thirty (30) days prior to cancellation.
