El Centro de Desarrollo de Pequeñas Empresas de Florida en la División de Investigación de Florida Atlantic University proporciona consultoría gratuita y profesional a empresarios de pequeñas y medianas empresas en los condados de Broward y Palm Beach.

Reúnase con un asesor de SBDC para obtener orientación personalizada o asista a uno de nuestros talleres sobre planificación comercial, como establecer un nuevo negocio, como administrar el flujo de fondos y como obtener contratos gubernamentales, por nombrar algunos. Todo esto tiene lugar en el segundo piso de la Biblioteca Pública de Delray Beach.

Además, la Biblioteca imparte clases sobre los aspectos básicos de las computadoras, el uso de Internet, el software de procesamiento de textos y los servicios de investigación. Todos son excelentes recursos para aquellos que desean iniciar un negocio o mejorar el que tienen.

Para obtener más información, vaya al sitio web de la Biblioteca Pública de Delray: [www.delraylibrary.org](http://www.delraylibrary.org).

The Florida Small Business Development Center at Florida Atlantic University Division of Research provides professional consulting to entrepreneurs and small and medium sized businesses throughout Broward and Palm Beach Counties.

Meet with an SBDC consultant for one-on-one guidance or attend one of our workshops on business planning, start-up, cash flow management, and government contracting to name a few. All of this takes place at the on the second floor of the Delray Beach Public Library.

In addition, the Library holds classes on the basics of computers, using the internet, word processing software and research services. All great resources for those who want to start a business, or improve the one they have.
