RE: Delray Beach, FL
Lime Slaking System (A-758)

Dear Mr. Bullard,

The purpose of this letter is to communicate to you that Integrity Municipal Systems, LLC (IMS) is the sole worldwide manufacturer and provider of the Series A-758 Paste-Type Lime Slaker which is currently in use at the Delray Beach WTP.

This letter also confirms that Water Treatment & Controls Company (Pensacola, FL 32534) is the sole and exclusive representative of Integrity Municipal Systems, LLC for the A-758 Lime Slaker equipment and parts in the state of Florida.

As you know, Series A-758 Paste-Type Lime Slakers have a long tradition of quality and reliability, beginning with the original Wallace & Tiernan Company and continuing through the USFilter and Siemens days. IMS is intensely focused on building on that tradition by providing first-class products combined with unparalleled customer service.

Please do not hesitate to contact us if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "K. Roueiheb", is written over a horizontal line.
