Good Morning Jennifer,

We need a memo sent out to everyone on the City's email list and a social media announcement that states clearly and succinctly, our water is safe to drink. The message on our website is not sufficient. The message should be by addressing the "rumor" going around and that our water is safe to drink and tested daily and continues to meet or exceed state health standards.

Thank You,

Shelly Petrolia
Mayor
City of Delray Beach

PUBLIC RECORDS NOTE: Florida has a very broad public records law. Most written communications to or from local officials, employees, or the general public regarding city business are public records available to the public and media upon request. Your e-mail communications may therefore be subject to public disclosure.

PLEASE NOTE: Pursuant to Florida's Government in the Sunshine Act (a.k.a. "Sunshine Law"), e-mails containing city business should be directed to either: **all City Commissioners or only 1 City Commissioner at a time and should not include prior responses from the other Commissioners** in order to avoid the perception that a third party is acting as a liaison between Commissioners.
