In the event the Property is not vacant, other than fixtures and/or attachments, as determined by PURCHASER in its sole discretion, PURCHASER may have the option to close or postpone the closing until such time the Property is vacant.

4. SELLER'S REPRESENTATIONS.

To induce PURCHASER to enter into this Agreement, SELLER makes the following representations, all of which, to the best of SELLER'S actual knowledge, in all material respects and except as otherwise provided in this Agreement (i) are now true, and (ii) shall be true as of the date of the Closing unless SELLER receives information to the contrary, and (iii) shall survive the Closing. In that event, PURCHASER shall be provided immediate notice as to the change to the following representations:

4.1 At all times from the Effective Date until prior to Closing, SELLER shall keep the Property (whether before or after the date of Closing) free and clear of any mechanic's or materialmen's liens for work or materials furnished to or contracted for, by or on behalf of SELLER prior to the Closing, and SELLER shall indemnify, defend and hold PURCHASER harmless from and against all expense and liability in connection therewith (including, without limitation, court costs and reasonable attorney's fees).

4.2 SELLER has no actual knowledge nor has SELLER received any notice of any litigation, claim, action or proceeding, actual or threatened, against SELLER or the Property by any organization, person, individual or governmental agency which would affect (as to any threatened litigation, claim, action or proceeding, in a materially adverse fashion) the use, occupancy or value of the Property or any part thereof or which would otherwise relate to the Property.

4.3 SELLER has full power and authority to enter into this Agreement and to assume and perform SELLER'S obligations hereunder in this Agreement. SELLER does not and will not conflict with or result in the breach of any condition or provision, or constitute a default under, or result in the creation or imposition of any lien, charge, or encumbrance upon any of the Property or assets of the SELLER by reason of the terms of any contract, mortgage, lien, lease, agreement, indenture, instrument or judgment to which the SELLER is a party of which is or purports to be binding upon the SELLER or which affects the SELLER; no action by any federal, state or municipal or other governmental department, CRA, board, bureau or instrumentality is necessary to make this Agreement a valid instrument binding upon the SELLER in accordance with its terms.

4.4 SELLER represents that SELLER will not, between the date of this Agreement and the Closing, without PURCHASER'S prior written consent, which consent shall not be unreasonably withheld or delayed, except in the ordinary course of business, create by SELLER'S consent any encumbrances on the Property. For purposes of this provision the term "encumbrances" shall mean any liens, claims, options, or other encumbrances, encroachments, rights-of-way, amendment to leases, easements, covenants, conditions or restrictions.

4.5 SELLER represents that there are no parties other than SELLER in possession of the Property or any portion of the Property as a lessee.

4.6 SELLER shall not list or offer the Property for sale or solicit or negotiate offers to purchase the Property while this Agreement is in effect. SELLER shall use SELLER'S best

efforts to maintain the Property in its present condition so as to ensure that it shall remain substantially in the same condition from the conclusion of the forty-five (45) calendar day Inspection Period to the Closing Date.

4.7 To the best of SELLER's actual knowledge, Hazardous Materials (as defined below) are not present at, in, on or under the Property, any Site, or any part thereof. The Seller has not received any notice of or information reflecting any violation of Environmental Laws (as defined below) related to the Property (or any portion thereof) . No clean up, investigation, remediation, administrative order, consent order, agreement or settlement is in existence with respect to the Property or any Site, and to the best of Seller's actual knowledge is any such investigation, remediation, administrative order, consent order, agreement or settlement threatened, planned or anticipated. The term "Environmental Law or Laws" means the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. 9601, et. seq.), the Hazardous Materials Transportation Act, as amended (49 U.S.C. Appendix 1801, et. seq.), the Resource Conservation and Recovery Act, as amended (42 U.S.C. 9601, et. seq.), and the Toxic Substances Control Act, as amended (15 U.S.C. 2601, et. seq.) and all other federal laws and regulations governing the environment and the Property. The term "Hazardous Materials" means, without limitation, any substance, material, waste, pollutant or contaminant listed or defined as hazardous or toxic under any Environmental Law, including without limitation, flammable, explosive or radioactive material, lead paint, asbestos, PCBs, urea formaldehyde, medical waste, radioactive waste, mold, petroleum and petroleum products or constituents, methane and any other toxic or hazardous material. SELLER will give immediate oral and written notice to PURCHASER of SELLER's receipt of any written notice involving a violation threat of violation or suspected violation of any Environmental Law. Seller has no actual knowledge of any tenant or occupant at the Property who is storing any Hazardous Materials at the Property or any Site.

5. EVIDENCE OF TITLE.

5.1 Title to the Property. SELLER shall convey to PURCHASER at Closing, by delivery of a General Warranty Deed, title to the subject Property. PURCHASER shall, within fifteen (15) calendar days of the commencement of the Inspection Period, secure a title insurance

commitment issued by a title insurance underwriter approved and selected by PURCHASER for the Property insuring PURCHASER'S title to the Property subject only to those exceptions set forth in the commitment. The costs and expenses relative to the issuance of a title commitment and an owner's title policy shall be borne by the PURCHASER.

PURCHASER shall have fifteen (15) calendar days from the date of receiving said commitment to examine the title commitment and provide title objections to SELLER. If PURCHASER objects to any exception to title as shown in the title commitment, PURCHASER prior to ten (10) calendar days of expiration of the Inspection Period, shall notify SELLER in writing specifying the specific exception(s) to which it objects. Any objection(s) of which PURCHASER has so notified SELLER, and which SELLER chooses to cure, shall be cured by SELLER so as to enable the removal of said objection(s) from the title commitment within ten (10) calendar days after PURCHASER has provided notice to SELLER. Within five (5) calendar days after the expiration of SELLER'S time to cure any objection, SELLER shall send to PURCHASER a notice in writing (a "cure notice") stating either (1) that the objection has been cured and in such case enclosing evidence of such cure, or (ii) that SELLER is either unable to cure or has chosen not to cure such objection. If SELLER shall be unable or unwilling to cure all objections within the time period set forth in the preceding sentence, then PURCHASER may (a) terminate this Agreement by written notice to the SELLER within five (5) calendar days after receipt of a cure notice specifying an uncured objection, in which event all instruments and monies held by the Escrow Agent shall be immediately returned to PURCHASER; or (b) accept such title with the existing defects subject to the renegotiation of reducing the Purchase Price.

5.2. Survey and Legal Description. Within ten (10) calendar days of the commencement of the Inspection Period, PURCHASER at PURCHASER'S own expense shall order: (i) a survey prepared by a registered land surveyor or engineer licensed in the State of Florida showing the boundaries of the Property, and the location of any easements thereon and certifying the number of acres (to the nearest one thousandth acre) of land contained in the Property, all buildings, improvements and encroachments; and (ii) a correct legal description of the Property which, upon approval thereof by PURCHASER and SELLER (not to be unreasonably withheld), shall be the legal description used in the deed of conveyance. The survey and legal description shall be prepared and certified by a surveyor licensed and registered in the State of Florida and shall comply with the requirements of the survey map established in connection with the issuance of an owner's title insurance policy on the Property. The survey shall be certified to PURCHASER

and the title insurance company issuing the title insurance.

In the event the survey shows any material encroachments, strips, gores, or any portion of the land non-contiguous to any other portion of the Property or any other matter materially affecting the intended use of the Property or marketability of title to the Property (any such matter is herein called a "survey objection" and treated as a title defect), PURCHASER shall have a period of twenty (20) calendar days after receipt of the survey by PURCHASER within which to approve or disapprove any survey objection and to give notice to SELLER of any disapproval thereof indicating in reasonable detail the nature and reasons for PURCHASER'S objection. PURCHASER agrees that it will not arbitrarily or unreasonably withhold its approval of any such survey objection and that PURCHASER will attempt to approve any such survey objection which does not affect the marketability of title or materially interfere with PURCHASER'S use of the Property. In the event PURCHASER provides a notice of disapproval of a survey objection to SELLER, the rights And obligations of the parties respecting such survey objections shall be governed by Section 5.1 hereof such that the parties shall have the same rights and objections as though such survey objection objected to was a new exception to title which was discovered and objected to within the contemplation of Section 5.1.

6. PURCHASER'S REPRESENTATIONS.

PURCHASER hereby represents and warrants to the best of PURCHASER'S knowledge that all of the following are true and correct:

(a) PURCHASER has full power and authority to enter into this Agreement and to assume and perform all of its obligations hereunder.

(b) The execution and delivery of this Agreement and the consummation of the transaction contemplated hereunder on the part of the PURCHASER do not and will not violate the trust, corporate or organizational documents of PURCHASER and will not conflict with or result in the breach of any condition or provision, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the terms of any contract, mortgage, lien, lease, agreement, indenture, instrument or judgment to which the PURCHASER is a party.

(c) No action by any federal, state, municipal or other governmental department, board, bureau or instrumentality is necessary to make this

Agreement a valid instrument binding upon PURCHASER in accordance with its terms and conditions.

All of the representations, warranties and covenants of PURCHASER contained in this Agreement or in any other document, delivered to SELLER in connection with the transaction contemplated herein shall be true and correct in all material respects and not in default at the time of Closing, just as though they were made at such time.

7. CONDITIONS PRECEDENT TO CLOSING.

Each of the following events or occurrences ("Conditions Precedents") shall be a condition precedent to PURCHASER'S obligation to close this transaction:

- (a) That the PURCHASER has not notified the SELLER that it has deemed the property to be unsuitable for its intended purpose as a result of the Investigations conducted on the Property during the Inspection Period.
- (b) SELLER has performed all covenants, agreements and obligations, and complied with all conditions required by this Agreement to convey clear and marketable title of the Property to PURCHASER, prior to closing.
- (c) Approval of this Agreement by the Delray Beach Community Redevelopment Agency on or before March 25, 2025.

8. RISK OF LOSS.

Risk of loss or damage from fire, other casualty, or both, is assumed by SELLER until the deed described in Paragraph 5.1 hereof is delivered by SELLER to PURCHASER. In the event any portion of the Property is destroyed, rendered unleaseable or dysfunctional by fire or other casualty then the following shall apply:

- (a) If the damage, as determined by the insurance adjuster, is not more than Ten Thousand and 00/100 Dollars (\$10,000.00): (i) PURCHASER shall complete settlement and all insurance proceeds, if any, relating to the improvements damaged by such casualty loss shall be paid to the PURCHASER, and (ii) SELLER shall assign to PURCHASER on the date of Closing the full amount of any proceeds payable under SELLER'S fire and extended coverage insurance policy applicable to said damage;
- (b) If the damage, as determined by the insurance adjuster, is

more than Ten Thousand and 00/100 Dollars (\$10,000.00) DOLLARS, PURCHASER shall have the option to (i) complete the settlement hereunder and collect all available insurance proceeds relating to the improvements damaged by such casualty loss, in which case SELLER shall pay to PURCHASER on the date of Closing the full amount of any deductible under SELLER'S fire and extended coverage insurance policy, or (ii) terminate this Agreement and receive a refund of entire deposit and interest.

(c) In the event the Property, or any portion thereof, is condemned by any governmental authority under its power of eminent domain or becomes the subject of a notice of condemnation, prior to Closing, PURCHASER may elect to terminate this Agreement, in which event the entire deposit and interest shall be returned to PURCHASER and neither party shall have any further claim against the other, or PURCHASER may elect to complete settlement hereunder, in which event SELLER shall assign to PURCHASER all of SELLER'S right, title and interest in and to any condemnation awards, whether pending or already paid applicable to the loss of the real property and the improvements located thereon, and there shall be no adjustment to the Purchase Price.

9. CLOSING DOCUMENTS.

At closing, SELLER shall deliver to PURCHASER a General Warranty Deed, Bill of Sale, No Lien/Gap Affidavit, Non-Foreign Certification in accordance with Section 1445 of the Internal Revenue Code, 1099 Form and any other documents as listed as title requirements in Schedule B-I of the Title Commitment to assure the conveyance of good and marketable fee simple title of the Property to the PURCHASER.

10.1 Ad Valorem Taxes. PURCHASER and SELLER shall comply with Section 196.295, Florida Statutes, with respect to the payment of prorated ad valorem taxes for the year of closing into escrow with the Palm Beach County Tax Collector's Office. In the event that, following the Closing, the actual amount of assessed real property tax on the Property for the

current year is higher than any estimate of such tax used for purposes of the Closing, the parties shall re-prorate any amounts paid or credited based on such estimate as if paid in November. This shall survive the Closing.

10.2 Seller's Closing Costs. SELLER shall pay for the following items prior to or at the time of closing:
