Profile

NOTE: Each Applicant is advised to attend at least one meeting prior to applying for appointment.

Board Member applications must be received no later than **ten (10) business days** prior to the first City Commission Meeting at which the Commissioner is eligible to nominate and appoint the prospective board member.

The [City Commission](#) appoints members of the boards and committees. All positions are voluntary and members are not compensated for their time. However, the individuals who serve on the boards and committees provide an invaluable service to the city. Their advice and expertise on a wide range of topics assist the City Commission in its decision-making process.

In general, individuals may serve on only one board or committee at a given time, with the exception of ad-hoc committees or task forces. Most advisory groups meet at least once a month, however, there are varying degrees of commitment, depending on the board. Membership requirements vary with each board and committee

Interests & Experiences

List any certifications or licenses which may further qualify you to serve on a board or committee.

Engineer in Training (EIT) - a professional engineer prerequisite; Former Leadership in Energy & Environmental Design (LEED) - Accredited Professional for Building Design & Construction (Inactive); Former FINRA Series 63 & 79 (Inactive)

Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:

I would wish to serve to draw on both my professional and academic background to help build a better Delray. As someone whose career spans both technical (sustainable engineering for commercial buildings) and financial (development of new, large infrastructure projects) experience, I believe that I can offer a unique and differentiated perspective to any board that I would be considered for. I have also been a member of the Board of Adjustments since Feb 2024, elected Chair in September 2025 and have never missed a meeting.

List any other community/civic involvement which you would like the Commission to consider:

In addition to my current appointment on the Delray Beach Board of Adjustment, I have also volunteered with the Catholic Charities as a junior board member and, before that, have volunteered with Habitat for Humanity to run energy models to find cost-efficient improvements for low-income housing. As a student, I also volunteered in my school district's strategic planning process.

University attended:

University of Notre Dame

Degree(s) received:

Bachelor of Science

Major area of study:

Mechanical Engineering (double major in Economics)
