

LiftMax Care Custody or Control Endorsement

The CCC coverage is a legal Liability Coverage. This endorsement covers the structure up to the limits of the endorsement for any damage caused by your negligence. The CCC Limit is per project and is separate from the GL \$1 Mil/\$2 Mil.

The building and its contents are covered during the lifting and moving process. There is no deductible for the lift max program. The Coverage begins when you start the process of to lift of the structure. Coverage continues until the structure is sat down and the steel beams have been removed.

CCC also provides coverage for loss of use. If damage to the Structure caused the owner to rent another place to live during the repair or replacement. That cost is covered for the owner.

Acts of God are not covered. We will only cover what you are legally liable for.

Vandalism/Theft is not covered. We will only cover what you are legally liable for.

Exceptions: By contract you are responsible for securing the job site and a failure on your part to secure the site results in a Vandalism/Theft. That will be a covered loss.

Exceptions: You have a structure on cribbing and storm comes in blows house over. In the investigation of the loss its found that the cribbing and support beams where not in the proper position, that will be a covered loss due to negligence.
