5. COMMENTS AND INQUIRIES ON AGENDA AND NON-AGENDA ITEMS FROM THE PUBLIC- IMMEDIATELY FOLLOWING PRESENTATIONS:

5.A. City Manager's response to prior public comments and inquiries

None.

5.B. From the Public

Pauline Moody, temporarily living in Boynton Beach, asked what the cost was for the lobbying team. She commented about the Bill that was passed

giving felons their rights back. Secondly, Ms. Moody commented about the debris and trash not being picked up along Congress Avenue and Military Trail because there are no garbage cans. Lastly, Ms. Moody stated the Swinton Avenue bike lane project needs to be stopped and the people building on Federal Highway need to pay the City because they are destroying the sidewalks and roads.

Fran Marincola, 1138 Vista Del Mar, Delray Beach, suggested that the plastic straw ordinance also include styrofoam cups and that it be permanent within 12 months. Secondly, Mr. Marincola stated he does not feel that the city should do away with the Parking Management Advisory Board (PMAB).

Evan Orellana, 825 Egret Circle, Delray Beach, Director of Education at the Sandoway Discovery Center, spoke about the plastic straw ordinance.

Amber Clark, 840 E. Atlantic Avenue, Delray Beach, Director of Marketing with Rappaports Restaurant Group (Deck 84 is one of their locations), supports the plastic straw ban.

Shekirah Fashaw, 322 S.W. 6th Avenue, Delray Beach, thanked and commended the City Commission for creating a space for young adults to return to. Ms. Fashaw gave a brief history of her education, accomplishments, and background. She stated she returns to Delray during winter break for a conference called the "Eleven40 Glory Empowerment Conference" which was created by young adults who travel from all over this nation to come in and pour into the youth and young adults within this city.

Bob Victorin, 120 S. Ocean Boulevard, Delray Beach, President of the Beach Property Owners' Association (BPOA), commented about the issue about no street lights on A1A during the eight months of the turtle nesting season and the safety of the citizens. Mr. Victorin entered a letter into the record from the BPOA to the City Commission, the City Manager, and the City Attorney in September 2018.

Carolyn Patton, 1020 Tamarind Road, Delray Beach, currently co-President of the Preservation Trust with Joy Howell and speaking on behalf of the Trust tonight, stated they are unanimously opposed to the Florida Department of Transportation (FDOT) proposal to widen historic Swinton Avenue destroying approximately 150 trees, adding bike lanes, and narrowing traffic lanes.

Joy Howell, 1 N.W. 25th Street, Delray Beach, urged the City Commission to consider increasing the City Commission's compensation as well as the

City Manager's compensation so that the people can get the best management from its elected and appointed officials. Secondly, speaking as a resident, Ms. Howell urged the City Commission to get rid of the FDOT Plan and go back to the drawing board. She suggested that the City Commission look at something that would make a more continuous and better serving sidewalk system. Lastly, Ms. Howell stated there is a zoning change for a proposed development of townhomes at 22nd and Swinton Avenue that will have employees. She stated this proposal for single family zoning at Lake Ida and Lake Eden to a Special Activity District (SAD) is detrimental to the Comprehensive Plan goals in keeping neighborhoods stable.

Richard Ott, 329 N. Swinton Avenue, Delray Beach, stated he is opposed to FDOT's Plan because it does not follow the guidelines for historic Swinton Avenue and expressed concern with respect to safety.

Rita Rana, 50 East Road, Apt. #9-C, Delray Beach, with respect to the proposed bike lanes along Swinton Avenue, she expressed concern over transparency and safety. Secondly, she suggested that the alleyways become pedestrian and bike-friendly.

Ida Foster, 13886 Via Flora A, Delray Beach, representing the Sierra Club and support the ordinance to ban plastic straws. Ms. Foster commended the sustainability office for a well thought-out campaign.

Elle Rappaport, 6627 Cobia Circle, Boynton Beach, commended the city and urged the City Commission to encourage other cities to do something similar.

Kay Gates, 9693 El Clair Ranch Road, Boynton Beach, urged the City Commission to support the bike lanes and think about sustainable planning for city streets and neighborhoods.

Dr. Craig Spodak, 2001 N.W. 4th Avenue, Delray Beach, spoke briefly about Human Powered Delray (HPD) and gave a brief history of the project.

Jason Bregman, 227 Lake Terrace, Delray Beach, commented about an email he sent to the City Commission in December regarding a suggestion to improve and widen the sidewalks in some areas and add more crosswalks (i.e. Atlantic Avenue to the south). Mr. Bregman suggested that the City have a bike-ped coordinator position again to help advance these type of dialogues before we have these problems.

George Long, 46 N. Swinton Avenue, Delray Beach (resident since 1941),

commented about the traffic issue along Swinton and he does not support the removal of any trees.

Kevin McNally, 32 S.E. 2nd Avenue, Delray Beach, President of the Board of Directors for the Achievement Center for Children and Families, stated Delray Beach is world-renowned for its beaches, restaurants, hotels, and they are working hard to make Delray Beach world-renowned for early childhood and after school education. Secondly, speaking as a private citizen, Mr. McNally stated the city just built a north-south corridor for bicycles on 2nd Avenue one block over from Swinton Avenue and he urged the City Commission to not support FDOT's Swinton Avenue project for bike lanes.

Linda Oxford, 148 Coconut Road, Delray Beach, stated the city has a brand new bike lane one block over from Swinton Avenue. Ms. Oxford stated the problem can be solved for bikes and pedestrians by widening sidewalks.

Jim Chard, 401 S.E. 4th Avenue, Delray Beach, concurs that the city needs more east/west bike lanes and stated that is part of the Master Plan that HPD drafted and the City of Delray Beach agreed to unanimously during a vote at the City Commission meeting. Mr. Chard stated the swale should separate the cars and the right-of-way from the bikes and the pedestrians for safety.

There being no one else from the public who wished to address the City Commission, public comment was closed.

6. CONSENT AGENDA: City Manager Recommends Approval

Commissioner Bathurst made a motion to approve the consent agenda with the exception of 6.C. It was seconded by Deputy Vice Mayor Johnson. A roll call vote was taken and all were in favor. The motion carried 5-0.

Commissioner Boylston stepped away from the dais briefly.

Mayor Petrolia read the City of Delray Beach Quasi-Judicial rules into the record.

Mayor Petrolia asked those who wished to speak on Items 7.A. or 9/B. to stand and be sworn in.

Mayor Petrolia asked the City Commission to disclose their ex parte communications. The City Commission had no ex parte communications to disclose.

The City Clerk swore in those individuals who wished to speak.

Tim Stillings, Development Services Director, entered the project file #2019-010 into the record.

Mark Gregory, 18 Salina Avenue, Delray Beach, stated he was present for any technical questions and he supports staff's approval.

Tim Stillings, Development Services Director, explained that this is the appeal of the Historic Preservation Board approval of the Certificate of Appropriateness (COA) for a wall sign and projecting sign located at 8 E. Atlantic Avenue (known as Tin Roof). At its meeting of December 11, 2018 the Historic Preservation Board (HPB) voted to approve with a 4-2 vote subject to four conditions. Staff recommends approval with or without the conditions.

Mayor Petrolia open the floor to anyone from the public who wished to speak in favor or in opposition of the appeal.

Christina Morrison, 2809 Florida Boulevard, Delray Beach, commented about the new music venue from Nashville, Tennessee and she urged the City Commission to support it.

There being no one else from the public who wished to address the City Commission regarding this item, public comment was closed.

There was no cross-examination or rebuttal.

A brief discussion by the City Commission followed.

The City Attorney reviewed the Board Order with the City Commission.

Vice Mayor Frankel made a motion to approve the Board Order with the four (4) conditions listed in the presentation and cited by the Development Services Director. It was seconded by Commissioner Boylston. A roll call vote was taken and the motion carried a vote of 4-1, with Deputy Vice Mayor Johnson dissenting.

[Resolution 18-19 Establish PTAC](#)

The City Attorney read the title of Resolution No. 18-19.

Tim Stillings, Development Services Director, explained that this resolution dissolves the Parking Management Advisory Board (PMAB) and replaces it with the Parking Technical Advisory Committee (PTAC). He stated Ordinance No. 07-19 removes the reference to the Parking Management Advisory Board (PMAB) from that section of the city code.

The City Manager explained that he had a discussion with the Downtown Development Authority (DDA) about this proposal and also asked Public Works (who manages the board) to inform the board members that the city was considering this. The City Manager stated the Parking Technical Advisory Committee (PTAC) members would be like the technical committee in Planning and Zoning and the meetings are posted and city could receive input through that process. In addition, the City Manager suggested adding a resident component on the makeup of the resolution. The City Manager stated staff recommends to move forward with this.

Mayor Petrolia suggested maybe keeping the Parking Management Advisory Board (PMAB), but that it be restricted with more technical people

and residents (i.e. citizens-at-large) on it as well.

A brief discussion by the City Commission ensued.

It was the consensus of the City Commission to add two residents in addition to the already existing five members and that the City Commission would rotate selection to the Parking Technical Advisory Committee (PTAC).

Vice Mayor Frankel stepped away from the dais briefly.

Laura Simon, Executive Director of the Downtown Development Authority (DDA), gave a few brief comments.

India Adams, Assistant City Manager, stated during staff's analysis, it was brought to her attention that traditionally no representation from the northwest/southwest neighborhood and the west as it relates to parking and that most of the DDA composition is already representative of the downtown and Pineapple Grove. Ms. Adams stated if the City Commission is considering a location, there could be some consideration about parking west of I-95 as well as The Set because future parking meters may need to go into those areas.

Commissioner Boylston made a motion to approve moving forward with the Parking Technical Advisory Committee (PTAC) and direct the City Manager to continue to get input from the City Commission, and add a resident component to include two citizen-at-large residents that the City Commission will select on a rotation basis.

The City Attorney gave a few brief comments.

Commissioner Boylston amended the motion and directed the City Attorney's office to amend the resolution as stated by members this evening on the dais. It was seconded by Vice Mayor Frankel. A roll call vote was taken and all were in favor. The motion carried 5-0.

Sponsors: City Manager Department

Attachments: [Shadow Day Winter 2018-](#)

The City Manager stated Shadow Day was great and he thanked Mayor Petrolia for attending.

10.B. City Attorney

The City Attorney stated she sent a memo to the City Commission over the weekend about the dockless electric scooters. The City Attorney stated there is a pending ordinance doctrine where the City can invoke that and staff can bring a resolution forward to the next meeting if that is what the City Commission feels appropriate.

A brief discussion by the City Commission ensued.

It was the consensus of the City Commission to ban all dockless mobility devices and invoke the pending ordinance doctrine.

Vice Mayor Frankel moved to approve the ban of all dockless mobility devices and invoke the pending ordinance doctrine. It was seconded by Commissioner Boylston. A roll call vote was taken and all were in favor. The motion carried 5-0.

10.C. City Commission

Commissioner Boylston stated he attended the "Walk Against Violence" this weekend and everyone did a fantastic job. Secondly, Commissioner Boylston stated he attended the Police Awards Ceremony this morning. Commissioner Boylston stated he has been in contact with Sophia Eccleston with Florida Power & Light (FPL) with regard to the lights on the beach and she informed him that the reason for no longer providing the amber lights is because all their studies came back and said the red lights are better. Commissioner Boylston stated the standalone bars that do not serve food throughout the city are not allowed to have outdoor areas and he suggested that staff re-evaluate this and look into changing.

Deputy Vice Mayor Johnson commended Shekirah Fashaw for her accomplishments. Secondly, Deputy Vice Mayor Johnson thanked Dr. Anna Puszkin for the fabulous job she is doing with respect to sustainability. Deputy Vice Mayor Johnson invited everyone to attend the Florida Highwaymen Renaissance coming to Delray Beach and encouraged people to buy their art.

Vice Mayor Frankel stated over the City Commission break he was having lunch at City Oyster and he counted eight semi trucks traveling down Atlantic Avenue. He stated the trucks are destroying the trees downtown and suggested that there be larger "No Trucks" signs posted and the fine be increased.

Commissioner Bathurst commented about the Swinton Avenue project and stated he had two meetings over the weekend and he expressed concern over the attendance. Commissioner Bathurst stated he will be requesting a master plan/design guidelines for Swinton Avenue.

Mayor Petrolia stated the March 5, 2019 Regular City Commission Meeting will conflict with Palm Beach County days and will need to be changed. Secondly, Mayor Petrolia stated the Workshop Meeting next week will begin at 3:30 p.m. and noted that the signs on Swinton Avenue say that the meeting will begin at 4:00 p.m. Therefore, Mayor Petrolia suggested to start the tree ordinance discussion first on the

agenda then go into the Swinton Avenue discussion.

The City Manager stated the timing will probably work because the first item on the agenda is the CIP, second is the tree ordinance, and then Swinton Avenue.

Mayor Petrolia announced the following: (1) a local resident Ruth Cohen turned 105 years old, (2) the Martin Luther King Breakfast is next week, and (3) there is a Martin Luther King, Jr. Day proclamation on the agenda recognizing this holiday. Mayor Petrolia commented about bicycle safety on A1A because people are getting caught behind the pack riders and suggested that the Police Department set up enforcement because they are supposed to be in a single line. Lastly, Mayor Petrolia wished everyone a Happy New Year.

There being no further business to discuss, Mayor Petrolia adjourned the meeting at 8:52 p.m.
