Upcoming CRA Events Aim to Connect and Inform

Her path to the CRA was driven by purpose. “Once I started researching the organization and learning more about the mission behind the CRA, I was inspired,” she says. “I loved that it was about helping the community grow and thrive—I immediately wanted to be part of something so meaningful.” [More](#)

Located directly across from the newly redeveloped Edmonds Baine Building, this latest project reflects the CRA’s long-term commitment to preserving the history of the corridor while supporting local businesses and increasing access to affordable commercial space. [More](#)

Revitalizing 102 NW 5th Avenue

95 SW 5th Avenue is Now Complete and Ready for Tenants

“One need identified by the community is affordable, accessible medical practitioners – physicians, dentists, optometrists, mental health providers – that are located within the CRA District,” said Tibbs. “So this building is being positioned to be an affordable office space for medical service providers within The Set neighborhood to help meet that identified need.” [More](#)
