Public Comment

Kathleen Teeple, resident of 711 NW 25th Avenue, voiced concern of the condition of the roadway of NW 25th Avenue.

Robert Cohen, resident of 920 NW 23rd Lane, indicated that repairs of NW 25th Avenue will be conducted upon the approval of this project.

Rhona Campton, resident of 1380 NW 28th Avenue, noted the necessity of the requested waiver in order to complete the proposed project.

Board Comments

Adam Nelson voiced his approval of the proposed waiver, noting no concerns about installing the trees at the far end of the sidewalk due to the proximity of existing utility lines.

Keith Beal expressed no concerns about the proposed tree locations, noting that the Homeowners Association would be responsible for maintaining them. Mr. Beal inquired if any trees would be installed near streetlights. The landscape architect confirmed that trees would not be planted adjacent to streetlights or fire hydrants.

Jose Alvarez noted that planting new trees in their existing locations would be detrimental, and the proposed landscaping would be an improvement. He inquired if any trees would remain between the sidewalk and the street. Mr. Carter indicated that all existing Black Olive trees would be removed. Mr. Alvarez voiced his support for the requested waiver.

Linda Purdo supported the requested waiver, noting that installing new trees in the current locations would be inappropriate.

Steven Cohen asked for clarification on how the request before the Board originated. He confirmed that trees would be planted to create a similar streetscape and inquired about the types of trees to be installed. Mr. Cohen also supported the requested waiver.

MOTION to move to approve the Level 1 Site Plan Modification for Rainberry Bay Circle including landscape mitigation, addition of sidewalk, replacement of ROW curbs, and a landscape waiver request for LDR Section 4.6.16(H)(6), by finding that the request is consistent with the Comprehensive Plan and meets criteria set forth in the Land Development Regulations, was made by Linda Purdo and seconded by Keith Beal.
