SECTION 1: SPECIAL TERMS AND CONDITIONS

A. INTRODUCTION AND INFORMATION

1. Purpose

The City is soliciting proposals for the provision of a Program, as identified in the Scope of Services herein. Any Proposer wishing to submit a proposal must comply with the requirements contained in this RFP.

Within this RFP are several Sections. Section 1 describes the Terms and Conditions that will apply to this RFP and any resulting Agreement. Section 2 describes the Proposal Response Requirements to be provided by the Successful Proposer. Section 3 provides the scope of services and Section 4 provides forms and instructions for preparing a proposal in response to this RFP.

B. TERMS AND CONDITIONS

1. Addenda, Changes, and Interpretations

Potential Proposers should utilize the question / answer feature provided by BidSync and request modification or clarification of any ambiguity, technical specifications, conflict, discrepancy, omission or other error discovered in this RFP. Requests for clarification, modification, interpretation, or changes must be received prior to the Deadline for Delivery of Questions. Requests received after the Deadline may not be addressed.

The City's response to questions and requests for information will be answered within the question/answer feature provided by BidSync. Additionally, all questions received and responses given will be provided via an addendum to this ITB and uploaded to BidSync. Material changes, if any, to the requirements, scope, specifications, or the solicitation process will be made by official written addendum issued by the City and uploaded to BidSync as an addendum to this ITB.

All addenda are a part of the RFP solicitation documents and each Proposer will be bound by such addenda. It is the responsibility of each Proposer to read and comprehend all addenda issued. Failure of any Proposer to acknowledge an issued addendum in its Response will not relieve the Proposer from any obligation contained therein.

2. Evaluation of Proposals

The City Manager will designate a Selection Committee to review and evaluate the Proposals submitted in response to this RFP. The review process will be conducted at a minimum of two phases. In Phase One, the Chief Purchasing Officer (CPO) or designee shall determine whether each Proposer is responsive and responsible. For the purposes of this RFP, a responsive Proposer means a Proposer that has submitted a proposal that conforms in all material respects to the requirements in the RFP. Accordingly, in Phase One, the CPO or designee will determine whether each Proposer correctly submitted all of the necessary forms and documents. For the purposes of this RFP, a responsible Proposer means a Proposer meets the minimum qualification requirement(s) in this RFP, Section 2.

Among other things, a Proposal may be found to be non-responsive if the Proposer failed to provide the information requested in the RFP; failed to utilize or complete the required forms; provided incomplete, indefinite, or ambiguous responses; failed to comply with the applicable deadlines; provided improper or undated signatures; or provided information that is false, misleading, or exaggerated.

In Phase Two, the Selection Committee will evaluate each proposal utilizing the following weighted criteria:

Evaluation Criteria

Criterion	Max Score
Experience	20
Operational Plan	25
Capacity and Approach	25
Revenue Proposal	15
Interviews	10
Location	5
Total	100

Each Selection Committee member will evaluate, rank and score the proposals for each of the evaluation criteria. The Selection Committee may create a short list of Proposers from the proposals received and elect to conduct interviews/presentations with the short-listed firms. If the Selection Committee elects to short-list only those proposals from Proposer that are short-listed will be considered for award of the Agreement.

The Selection Committee may rank Proposals without conducting interviews with Proposers. For this reason, each Proposer must ensure that its proposal contains all of the information requested in this RFP.

If interviews are conducted, the evaluation will be on the knowledge demonstrated by the Proposer and its team members, as well as the team's ideas and vision for services for the City. Consideration will be given for unqualified answers, comprehensive explanations of relevant experience, and understanding of the required services. Consideration will also be given for presentation style. Clarification information as well as information obtained during the interview process will be considered in the final evaluations and ranking of Proposals.

At any time during the Selection process, the City may conduct investigations it deems necessary to evaluate the proposals. Each Proposer shall promptly provide the City with any additional information reasonably requested by the City. The City shall have the right to make additional inquiries, interview some or all of the Proposers, visit the facilities of one or more of the Proposers, or take any other action the City deems necessary to fairly evaluate a proposal.

At any time during the Selection process, the City may reject a proposal if the City concludes the Proposer is not qualified (e.g. Proposer does not satisfy the minimum requirements criteria set forth in this RFP).

The Selection Committee and/or the City Commission may select the Successful Proposer without allowing any presentations or interviews by any Proposer. For this reason, each Proposer must ensure that its proposal contains all of the information requested in this RFP.

3. Award

The City reserves the right to accept a Proposal(s) and award an Agreement that in its judgment will be for the best interest of the City. The City reserves the right to negotiate agreement terms with the Successful Proposer.

4. The City's Acceptance or Rejection of Proposals

The City reserves its exclusive right to:

- Disregard all non-conforming, non-responsive, unbalanced or conditional proposals
- Reject any and all proposals that fail to satisfy the requirements and specifications in this RFP
- Accept the proposal which is the best overall proposal, based on the selection criteria listed
- Reject any and all non-responsive proposals
- Waive minor irregularities in any proposal
- Issue addenda or otherwise revise the requirements in this RFP
- Reject all proposals, with or without cause
- Issue requests for new proposals
- Cancel this RFP

The City may reject a proposal for any reason that the City deems sufficient. For example, the City may reject one or more proposals if (1) the Proposer misstates or conceals any material fact in their proposal; (2) the proposal does not conform to the requirements of applicable Law; (3) the proposal is subject to conditions or qualifications; (4) a change occurs that makes this RFP unnecessary for the City; (5) any Proposer submits more than one proposal under the same or different names; (6) a Proposer has failed to perform satisfactorily or meet its financial obligations on previous contracts; (7) the Proposer employs unauthorized aliens in violation of Section 274(A)(e) of the Immigration and Naturalization Act; and/or (8) or the Proposer is listed on the U.S. Comptroller General's List of Ineligible Companies for Federally Financed or Assisted Projects.

Any or all proposals may be rejected if the City concludes that collusion existed among two or more of the Proposers. Proposals received from the participants in such collusion will not be considered for the same work in this RFP if re-advertised.

The City may reject proposals if two (2) or more Proposers are planning a merger, or are in the process of merging with or acquiring other Proposers, and the City concludes that the Proposers are not submitting bona fide or uncompromised proposals. In such cases, the City may reject all proposals in which such Proposers are involved.

The City reserves the right to disqualify Proposer during any phase of the competitive solicitation process and terminate for cause any resulting contract upon evidence of collusion with intent to defraud or other illegal practices on the part of the Proposer.

5. Protest Procedures

As noted above, proposals will be evaluated in two phases. If the Proposer is deemed non-responsive or non-responsible during Phase One, the CPO shall provide notice to the affected Proposer. The CPO shall also post notice on BidSync (www.bidsync.com) and the bulletin board located in the lobby of City Hall after the Selection Committee provides a recommendation for award at the conclusion of Phase Two.

Any Proposer who is aggrieved by these decisions or a decision of the City Commission may file a protest pursuant to Section 36.04 (entitled "Protest Procedures") of the Delray Beach Code of Ordinances. However, nothing contained in this RFP shall be deemed to limit the authority of the City Commission under special or general law.

Any Proposer filing a protest shall submit with its protest a Protest Bond, payable to the City, in the amount of fifteen thousand dollars (\$15,000). If the protest is decided in the protester's favor the entire protest bond is returned. If the protest is not decided in the protester's favor the protest shall be forfeited to the City. The protest bond shall be in the form of a cashier's check.

6. Changes and Alterations

Proposers may change or withdraw a Proposal at any time prior to the proposal Due Date and Time; however, no oral modifications will be allowed. Modifications shall not be allowed following the proposal Due Date and Time.

7. Proposer's Costs

The City shall not be liable for any costs incurred by Proposers in responding to this RFP.

8. Pricing/Delivery

All pricing should be identified on the Fee Proposal page provided in this RFP. No additional costs may be accepted, other than the costs stated on the Fee Proposal pages. Failure to use the City's Fee Proposal form and provide costs as requested in this RFP may deem Proposer's proposal non-responsive.

Proposer must quote a firm, fixed fee for all services stated in the RFP. Fees stated in the Fee Proposal must be quoted FOB: Destination and all costs, including travel to and from the City <and installation> shall be included.

Discrepancies in the multiplication of units of Work and unit prices submitted in the Price Proposal will be resolved in favor of the unit price. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum.

9. Invoices/Payment

The City will accept invoices no more frequently than once per month. Each invoice shall fully detail the related fees and shall specify the status of the particular task or project as of the date of the invoice with regard to the accepted schedule for that task or project. Payment will be made within forty-five (45) days after receipt of an invoice

acceptable to the City, in accordance with the Florida Local Government Prompt Payment Act. If, at any time during the Agreement, the City shall not approve or accept the Proposer's work product, and agreement cannot be reached between the City and the Proposer to resolve the problem to the City's satisfaction, the City shall negotiate with the Proposer on a payment for the work completed and usable to the City.

10. Acceptance of Proposals / Minor Irregularities

The City reserves the right to accept or reject any or all proposals, part of proposals, and to waive minor irregularities or variances to specifications contained in proposals which do not make the proposal conditional in nature, and minor irregularities in the solicitation process. A minor irregularity shall be a variation from the solicitation that does not affect the price of the contract or does not give a Proposer an advantage or benefit not enjoyed by other Proposers, does not adversely impact the interests of other firms or, does not affect the fundamental fairness of the solicitation process. The City also reserves the right to reissue a RFP.

The City reserves the right to disqualify Proposer during any phase of the competitive solicitation process and terminate for cause any resulting contract upon evidence of collusion with intent to defraud or other illegal practices on the part of the Proposer.

11. Modification of Services

While this Agreement is for services provided to the department referenced in this RFP, the City may require similar work for other City departments. Successful Proposer agrees to take on such work unless such work would not be considered reasonable or become an undue burden to the Successful Proposer.

The City reserves the right to delete any portion of the work at any time without cause, and if such right is exercised by the City, the total fee shall be reduced in the same ratio as the estimated cost of the work deleted bears to the estimated cost of the work originally planned. If work has already been accomplished and approved by the City on any portion of an Agreement resulting from this RFP, the Successful Proposer shall be paid for the work completed on the basis of the estimated percentage of completion of such portion to the total project cost.

The City may require additional items or services of a similar nature, but not specifically listed in the Agreement. The Successful Proposer agrees to provide such items or services, and shall provide the City prices on such additional items or services based upon a formula or method, which is the same or similar to that used in establishing the prices in their proposal. If the price(s) offered are not acceptable to the City, and the situation cannot be resolved to the satisfaction of the City, the City reserves the right to procure those items or services from other suppliers, or to cancel the Agreement upon giving the Successful Proposer thirty (30) days written notice.

If the Successful Proposer and the City agree on modifications or revisions to the task elements, after the City has approved work to begin on a particular task or project, and a budget has been established for that task or project, the Successful Proposer will submit a revised budget to the City for approval prior to proceeding with the work.

12. Non Exclusive Contract

Proposer agrees and understands that the Agreement shall not be construed as an exclusive arrangement and further agrees that the City may, at any time, secure similar or identical services from another supplier at the City's sole option.

13. Contract Agreement

By submitting a proposal the Proposer agrees to all terms and conditions in this RFP, which incorporates all addenda, appendices, exhibits, attachments and sample Agreement.

The Successful Proposer will be required to execute the Agreement, a sample of which is attached hereto and made a part hereof. The Agreement will incorporate the Successful Proposer's Proposal and any subsequent information requested from the Successful Proposer by the City during the evaluation process.

The City will transmit the Agreement to the recommended proposer for execution. Proposer agrees to deliver two duly executed copies of the Agreement to the City within five (5) calendar days of receipt.

14. Subcontractors

If the Proposer proposes to use subcontractors in the course of providing services to the City, this information shall be a part of the proposal. Such information shall be subject to review, acceptance and approval of the City, prior to any award. The City reserves the right to approve or disapprove of any subcontractor candidate in its best interest and to require Proposer to replace subcontractor with one that meets City approval.

Proposer shall ensure that all of Proposer's subcontractors perform in accordance with the terms and conditions of the Agreement. Proposer shall be fully responsible for all of Proposer's subcontractors' performance, and liable for any of Proposer's subcontractors' non-performance and all of Proposer's subcontractors' acts and omissions. Proposer shall defend, at Proposer's expense, counsel being subject to the City's approval or disapproval, and indemnify and hold harmless the City and the City's officers, employees, and agents from and against any claim, lawsuit, third-party action, or judgment, including any award of attorney fees and any award of costs, by or in favor of any Proposer's subcontractors for payment for work performed for the City.

Successful Proposer shall require all of its subcontractors to provide the required insurance coverage as well as any other coverage that the Proposer may consider necessary, and any deficiency in the coverage or policy limits of said subcontractors will be the sole responsibility of the Successful Proposer.

15. Performance Bond/Irrevocable Letter of Credit (if applicable)

The Proposer will execute and deliver to the City, within ten (10) days after notification of award, a Cash Deposit, Performance Bond, or Unconditional Irrevocable Letter of Credit payable to the City, in the amount of \$100,000. If the bond is on an annual coverage basis, renewal of each succeeding year shall be submitted to the City thirty (30) days prior to the termination date of the existing bond. A surety company of recognized standing, authorized to do business in the State of Florida, and having a resident agent must execute the Performance Bond. If a letter of credit is chosen, it must be in a form

acceptable to the City, drawn on a bank acceptable to the City, and issued in favor of the City. Acknowledgment and agreement is given by both parties that the amount herein above set is not intended to be or shall be deemed to be in the nature of liquidated damages nor is it intended to limit the liability of the Proposer to the City in the event of a material breach of the Agreement by the Proposer.

The City shall monitor the performance of all Proposers. If Proposer performance fails to meet the requirements specified within the contract, the City may without cause and without prejudice to any other right or remedy, terminate the contract whenever the City determines that such termination is in the best interest of the City.

SECTION 2: PROPOSAL RESPONSE REQUIREMENTS

1. HISTORY AND BACKGROUND

A bike sharing program is a service in which bicycles are made available for shared use to individuals on a short term basis. Bike sharing allows people to borrow a bike from point "A" and return it at point "B". Many bike-share systems offer subscriptions that make the first 30–45 minutes of use either free or very inexpensive, encouraging use as transportation. This allows each bike to serve several users per day. For many systems, smartphone apps show nearby stations with available bikes and open docking stations.

Bike sharing began in Europe in the 1960s and a more viable format emerged in the mid-2000s through the introduction of information technology. As of June 2014, public bike sharing systems were available in fifty countries on five continents.

Second Party and its subcontractors shall preserve and make available, at reasonable times for examination and audit by City, all financial records, supporting documents, statistical records, and any other documents pertinent to this Agreement for the required retention period of the Florida Public Records Act, Chapter 119, Florida Statutes, if applicable, or, if the Florida Public Records Act is not applicable, for a minimum period of three (3) years after termination of this Agreement. If any audit has been initiated and audit findings have not been resolved at the end of the retention period or three (3) years, whichever is longer, the books, records, and accounts shall be retained until resolution of the audit findings. Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for City's disallowance and recovery of any payment upon such entry.

Second Party shall ensure that the requirements of this Section 9.3 are included in all agreements with its subcontractor(s).

9.5 TRUTH-IN-NEGOTIATION REPRESENTATION

Second Party's compensation under this Agreement is based upon representations supplied to City by Second Party, and Second Party certifies that the information supplied is accurate, complete, and current at the time of contracting. City shall be entitled to recover any damages it incurs to the extent such representation is untrue.

9.6 PUBLIC ENTITY CRIME ACT

Second Party represents that the execution of this Agreement will not violate the Public Entity Crime Act, Section 287.133, Florida Statutes, which essentially provides that a person or affiliate who is a contractor, consultant, or other provider and who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to City, may not submit a bid on a contract with City for the construction or repair of a public building or public work, may not submit bids on leases of real property to City, may not be awarded or perform work as a

contractor, supplier, subcontractor, or consultant under a contract with City, and may not transact any business with City in excess of the threshold amount provided in Section 287.017, Florida Statutes, for category two purchases for a period of thirty-six (36) months from the date of being placed on the convicted vendor list. Violation of this section shall result in termination of this Agreement and recovery of all monies paid by City pursuant to this Agreement, and may result in debarment from City's competitive procurement activities.

In addition to the foregoing, Second Party further represents that there has been no determination, based on an audit, that it committed an act defined by Section 287.133, Florida Statutes, as a "public entity crime" and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether Second Party has been placed on the convicted vendor list.

9.7 INDEPENDENT CONTRACTOR

Second Party is an independent contractor under this Agreement. Services provided by Second Party pursuant to this Agreement shall be subject to the supervision of Second Party. In providing such services, neither Second Party nor its agents shall act as officers, employees, or agents of City. No partnership, joint venture, or other joint relationship is created hereby. City does not extend to Second Party or Second Party's agents any authority of any kind to bind City in any respect whatsoever.

9.8 THIRD PARTY BENEFICIARIES

Neither Second Party nor City intends to directly or substantially benefit a third party by this Agreement. Therefore, the Parties acknowledge that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a right or claim against either of them based upon this Agreement.

The limitations of this section shall not preclude Second Party or any persons in any way from representing themselves, including giving expert testimony in support thereof, in any action or in any administrative or legal proceeding.

In the event Second Party is permitted pursuant to this Agreement to utilize subcontractors to perform any services required by this Agreement, Second Party shall require such subcontractors, by written contract, to comply with the provisions of this section to the same extent as Second Party.

9.12 MATERIALITY AND WAIVER OF BREACH

Each requirement, duty, and obligation set forth herein was bargained for at arm's-length and is agreed to by the Parties. Each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Agreement, and each is, therefore, a material term hereof.

City's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

9.13 COMPLIANCE WITH LAWS

Second Party shall comply with all applicable federal, state, and local laws, codes, ordinances, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

9.14 SEVERANCE
