DELRAY BEACH PUBLIC SCHOOL LEADERSHIP PRESENTATION

Background:

During the October 14, 2025 Regular Meeting, consensus was offered to host Delray Beach Public School Leadership presentations to receive updates regarding school performance, student achievement, community partnerships and programming. Officials from the School District of Palm Beach County, including leadership staff from the South Region Office, and local Delray Beach Public School principals will therefore offer concurrent group presentations to facilitate collaboration and engagement with City officials.

Leadership from Atlantic Community High School, Carver Community Middle School, Village Academy, SD Spady Elementary School, Pine Grove Elementary School, Banyan Creek Elementary School, Orchard View Elementary School, Plumosa School of the Arts, and the Historic Carver Technical Education Center, will facilitate a single presentation to the City Commission to collaboratively establish each school's accomplishments, educational goals and objectives, and impact relative to the students and families served.
