NOTE: Each Applicant is advised to attend at least one meeting prior to applying for appointment.

Board Member applications must be received no later than **ten (10) business days** prior to the first City Commission Meeting at which the Commissioner is eligible to nominate and appoint the prospective board member.

The [City Commission](#) appoints members of the boards and committees. All positions are voluntary and members are not compensated for their time. However, the individuals who serve on the boards and committees provide an invaluable service to the city. Their advice and expertise on a wide range of topics assist the City Commission in its decision-making process.

In general, individuals may serve on only one board or committee at a given time, with the exception of ad-hoc committees or task forces. Most advisory groups meet at least once a month, however, there are varying degrees of commitment, depending on the board. Membership requirements vary with each board and committee

Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:

As a resident and homeowner in our beautiful community, I wish to give back any way I can. I am interested in serving on any of these advisory committees because I believe thoughtful, informed collaboration is essential to addressing community needs. Whether tackling public health challenges such as opioid abuse and reparations, expanding access to affordable housing, advancing sustainability initiatives, or supporting cultural enrichment through public art, each of these areas directly affects the well-being and quality of life of our residents. I want to contribute my experience, perspective, and commitment to community improvement to help shape initiatives that create lasting, positive impact. These committees address areas I care about deeply—public health, housing, sustainability, and the arts. I have volunteered with Habitat for Humanity, am a mother of an artist and dabble in the arts myself, and I am an active museum member. I have raised a family here and am an invested community member. Accordingly, I understand the import of the actionable results the Opioid Settlement Advisory Committee desires to achieve and how it impacts Delray. Similarly, environmental sustainability and how it shapes the future of our communities impacts the families and residents in our community. Serving on any of these boards is an opportunity to work with others who share a passion for strengthening our community and ensuring resources and programs are used effectively and equitably. I want to bring my experiences and perspectives to work with others to help promote long-term community well-being.

List any other community/civic involvement which you would like the Commission to consider:
