Get to Work at Work Space on 5th

“I would describe the Work Space on 5th environment as a peaceful, calm, and productive environment,” said Jamilah Johnson, Program Assistant at the CRA. That setting draws a wide variety of people. According to Johnson, the space sees a mix of Delray Beach residents, remote workers, and businesses using the rooms for training, along with visitors on vacation who just need to pop in for a few hours. Wellbrock House Recognized with Historic Merit Award and Local Register Designation

The Historic Merit Award and Local Historic Register listing recognize both the building’s place in Delray Beach history and the broader effort that made the preservation possible. “The award definitely recognizes the importance of the building and its history, but also the collaborative effort between private parties, non-profit organizations, the City, and the CRA in preserving this piece of Delray Beach’s history,” said Christine Tibbs, Assistant Director at the Delray Beach CRA.
