Profile

NOTE: Each Applicant is advised to attend at least one meeting prior to applying for appointment.

Board Member applications must be received no later than **ten (10) business days** prior to the first City Commission Meeting at which the Commissioner is eligible to nominate and appoint the prospective board member.

The [City Commission](#) appoints members of the boards and committees. All positions are voluntary and members are not compensated for their time. However, the individuals who serve on the boards and committees provide an invaluable service to the city. Their advice and expertise on a wide range of topics assist the City Commission in its decision-making process.

In general, individuals may serve on only one board or committee at a given time, with the exception of ad-hoc committees or task forces. Most advisory groups meet at least once a month, however, there are varying degrees of commitment, depending on the board. Membership requirements vary with each board and committee

Interests & Experiences

List any certifications or licenses which may further qualify you to serve on a board or committee.

I am applying for a lay position. I have no architectural, landscaping architectural, interior design, and engineering degrees, certifications, or licensing. I have an undergraduate degree in chemistry and a master's in business administration.

Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:

I have a strong interest in fostering the continued sense of community in Delray Beach. I feel that Delray is at the crux of losing its charm as The Village by the Sea and faces the threat of becoming another dense, sterile urban area subject to gridlock without appeal to residents and visitors. I want to help craft solutions to maintaining the appeal of our historic neighborhoods while promoting smart, vital economic growth.

List any other community/civic involvement which you would like the Commission to consider:

I started working in Delray Beach in 1998. I moved from Winter Park, Florida, in 1999 to the Barr Terrace, which is at the intersection of the Intracoastal Waterway and East Atlantic Avenue. Over my 27 years in Delray, I have been involved with citizen initiatives regarding real estate development. I am a volunteer at the Delray Beach Historical Society. I have also served on the board of my condominium association for many of my 27 years of being a Delray resident and property owner.

University attended:

Northwestern University, Emory University

Degree(s) received:

BA (NU), MBA (Emory)

Major area of study:

Biochemistry & Molecular Biology
