Profile

NOTE: Each Applicant is advised to attend at least one meeting prior to applying for appointment.

Board Member applications must be received no later than **ten (10) business days** prior to the first City Commission Meeting at which the Commissioner is eligible to nominate and appoint the prospective board member.

The [City Commission](#) appoints members of the boards and committees. All positions are voluntary and members are not compensated for their time. However, the individuals who serve on the boards and committees provide an invaluable service to the city. Their advice and expertise on a wide range of topics assist the City Commission in its decision-making process.

In general, individuals may serve on only one board or committee at a given time, with the exception of ad-hoc committees or task forces. Most advisory groups meet at least once a month, however, there are varying degrees of commitment, depending on the board. Membership requirements vary with each board and committee

Interests & Experiences

List any certifications or licenses which may further qualify you to serve on a board or committee.

I have a certificate from USF for Diversity, Equity, and Inclusion training

Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:

I'm deeply concerned about the relationship or lack thereof with marginalized communities of color and law enforcement. Until we can fundamentally change the general status quo, many crimes will go unsolved putting all our City at risk. I would like to be an instrument that helps to build the trust that is severely lacking at present.

List any other community/civic involvement which you would like the Commission to consider:

I'm a member of the Elder's Table, Unify, a State Executive Committee member of the Democratic Party representing PBC, and Secretary for the Kings Point Democratic Club.

University attended:

Fisk University, Howard University, and George Washington University

Degree(s) received:

BS, MPH

Major area of study:

Zoology and Public Health
