Date: Wednesday, July 1, 2026 3:06:29 PM

Good afternoon,

Staff was notified that a new plan was uploaded to File No. ZCU-000074-2025. However, due to inactivity, the status of the file is deemed expired since October 21, 2025. Therefore, submittal of a new application is required through the City's eServices portal. <https://cityofdelraybeachfl-energovweb.tylerhost.net/apps/selfservice#/home>

When submitting the new application, please also keep in mind that the "conditions" provided on August 13, 2025, during the review of File No. ZCU-000074-2025 should be addressed in the new application. This will make the review more efficient for everyone.

Please contact Development Services at 561-243-7040 if any assistance is needed.
