

Having a dedicated office space at the Edmonds Baine Building has opened new doors for the company. “Having a permanent office space for us here has been huge,” Wright said. “A place that we can come into and create as a team. Have customers come by. Have other co-workers come by. Friends, you name it. It has been really nice, and it has really further legitimized us as a company.” [More](#)

Making Fresh Food Accessible: SNAP and Fresh Access Bucks at the Delray Beach GreenMarket

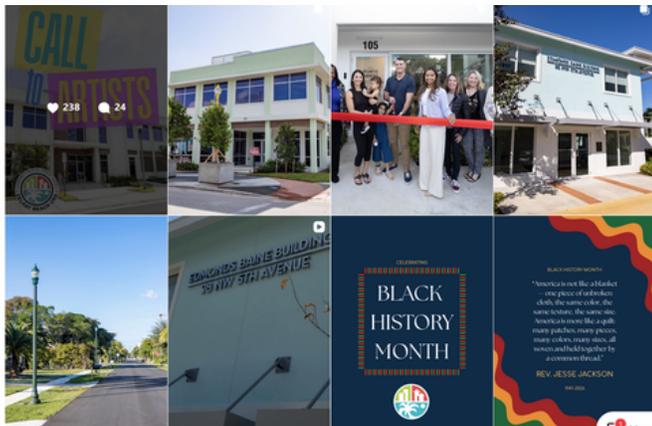

The GreenMarket currently has 15 vendors accepting SNAP and FAB. The program is available during both the Winter GreenMarket season and the Summer GreenMarket, giving residents access to these benefits for much of the year. [More](#)

CRA Socials are informal evening events designed to give community members an opportunity to meet the CRA team, ask questions, and learn more about the agency’s work in Delray Beach. Each session covers information about what the CRA does, how community redevelopment agencies function, and updates on current and upcoming projects. [More](#)
