1. HSW Repairs include those items not currently code compliant and associated work. No shell structural repairs or enhancements are included.
2. Renovations include those items anticipated for a future tenant. Enhancements, if desired include structural repairs, roofing, and new windows and exterior doors.

Note: The above costs are preliminary in nature and were assembled without the benefit of contractors or supplier's quotations or estimates. These costs assume the building envelope will remain and interior improvements will be limited to new ADA compliant restrooms and limited interior improvements. The above costs do not include costs for furnishings, fixtures, or equipment.
