Recommended Action:

Motion to declare September 20, 2025 National Clean Up Day.

Background:

National CleanUp Day recognizes the need to protect the health and beauty of our city as well as our nation. The City of Delray Beach takes great pride in its health and beauty and supports a clean, safe environment. In partnership with our city, local land managers, local and national non-profit organizations, we believe a cleaner environment promotes positive community values, property values, and economic vitality. We further believe that a cleaner environment encourages pride and is a bridge to citizen engagement.
