4. PRESENTATIONS:

4.A. EXCELLENCE IN EDUCATION: PACESETTERS AWARD

Sponsors: City Manager Department

Attachments: [Agenda Cover Report](#)

Janai Bowens, Education and External Opportunities Manager, was present to lead this quarter's Pacesetters Award ceremony. She initiated this award in collaboration with Darrell Hunter, Chief of Police, for the Delray Beach Police Department. Ms. Bowens explained that the award is given to students who consistently demonstrate professionalism, accountability, and engagement. The selection was made based on recommendations from teachers and school leaders. She stated that these students set the standards for their classmates. A group photograph was taken with each school's winner. An additional photograph was taken with students who arrived late.

4.B. SISTER CITIES PRESENTATION

Sponsors: City Manager Department

Attachments: [Agenda Cover Report](#)

Daphney Antoine, PhD, was joined by Pastor Tony Durante to highlight the achievements and initiatives of Sister Cities over the past 49 years. She mentioned that this year's focus would be on Italy. Pastor Durante emphasized the importance of building bridges between people through the student ambassador program.

Ashley, a former student ambassador and current board member, shared her experiences with her Japanese family.

Ms. Durante provided the website address <http://www.sistercitiesofdelraybeach.org> for those who want to learn more about the program.

5. COMMENTS AND INQUIRIES ON AGENDA AND NON-AGENDA ITEMS FROM THE PUBLIC- IMMEDIATELY FOLLOWING PRESENTATIONS:**5.A. City Manager's response to inquiries and highlights**

Mr. Moore stated that before giving an update on the Barwick Road construction, as promised during the Commission Meeting on December 8, 2025, he asked Hassan Hadjimiry, Utilities Director, to explain the main raw water break that occurred over the past weekend. Mr. Moore stated that the break was due to contractor error and that expenditures had already occurred, with claims set to be submitted.

Mr. Hadjimiry stated that at approximately 4:00 a.m., the past Saturday, while drilling for the new Water Treatment Plant, a deep well raw water main was impacted. He stated that the flooding was contained by 11:00 p.m. that evening. Residents were not affected because water was provided through an interconnect system with the City of Boca Raton and the Palm Beach County Water Utilities Department.

Mr. Hadjimiry emphasized that the water quality was never affected. He noted that he collaborated closely with Gina Carter, Public Information Officer, to ensure that residents were well informed about what had occurred.

The Commission thanked Mr. Hadjimiry for his efforts.

5.A.1. UPDATE AND CLARITY REGARDING BARWICK ROAD CONSTRUCTION

Sponsors: City Manager Department

Attachments: [Agenda Cover Report](#)

Missie Barletto, Public Works Director, provided an overview of the Barwick Road project, which extends from State Road 806 (Atlantic Avenue) to Lake Ida Road, in response to numerous complaints from residents. Ms. Barletto noted that while the area is undergoing changes, the turn radius has remained the same and was designed in accordance with the City's Complete Streets Policy adopted in 2016. She emphasized that this federally funded project aims to enhance bicycle and pedestrian safety. Additionally, Ms. Barletto discussed several other planned improvements for the area and addressed the residents' concerns, explaining that many issues stem from the project being in the mid-construction stage. She assured them that the designs were developed to ensure consistency with established best practices and roadway standards. The project is anticipated to be completed by the summer of 2026. Ms. Barletto provided a website to view the project: Barwickproject.com. The Commission thanked Ms. Barletto for her comprehensive report.

Mr. Moore mentioned that there was one additional update regarding the renovations of the Delray Beach Municipal Golf Course that Ms. Barletto wanted to share with the Commission.

Ms. Barletto informed the Commission that, upon clearing the land on the golf course, they encountered a Banyan Tree with a base covering half an acre and likely the largest in the South County area. She stated that this issue is causing problems because it crosses the canal. The City is working with the Lake Worth Drainage District to obtain permits for the golf course and they are asking the City to remove the Banyan Tree. Ms. Barletto mentioned that if she were to go before the Board of the Lake Worth Drainage District to seek a variance for the permit, it might delay the renovations of the golf course. However, she noted that the course designer and contractors are committed to preserving the tree and are willing to do whatever it takes to make up for the time lost due to the efforts to save the tree. Ms. Barletto also discussed the potential consequences if the tree is allowed to remain.

Sam Mettott, Parks and Recreation Director, joined Ms. Barletto and stated that the renovations have made tremendous progress thus far.

The Commission discussed whether to preserve the tree or remove it. There was consensus to keep the tree.

The Commission thanked Ms. Barletto and Mr. Metott for their presentation.

5.B. From the Public

Montre Bennett, 33444

Thanked the Commission for saving the tree.

Thanked the Police and Fire Departments for the Set Alliance and the 12 Days of Christmas Event.

Jeri Pryor, Neighborhood and Community Services Director, was joined by Tavarous Parks, Neighborhood Services Administrator, to discuss this matter. Mr. Parks explained that revisions to the Local Housing Assistance Plan (LHAP) subordination policies previously required approval from the City Commission. However, the City's Affordable Housing Advisory Committee (AHAC) has recommended that any changes be processed through the City Manager's Office to expedite the process for homeowners.

Mr. Parks stated that once Ms. Pryor approves the item, it will be sent to the City Attorney's Office before going to the City Manager for final approval.

A motion was made by Commissioner Casale, seconded by Commissioner Markert, to approve this item.

Ms. Gelin entered Resolution No. 16-26 into the record.

Lisa Castronova, Pension Administrator, was present to address any questions the Commission might have. She noted that Jack Warner had been appointed to this board by Mayor Carney. However, in December, Mr. Warner informed the board that he would be relocating from Delray Beach to Highland Beach. Despite this change in residency, he expressed his desire to continue serving on the board, even though residency in Delray Beach is required for board membership. Ms. Castronova emphasized that Mr. Warner possesses extensive knowledge gained from his years of service to the City.

Ms. Gelin informed the Commission that this precedent had been done once before for another board member.

The Commission engaged in a discussion on this matter and recognized that bending the rules in this instance would lead to ongoing requests.

A motion was made by Commissioner Casale, seconded by Commissioner Markert, to deny Resolution No. 16-26. The motion carried by the following vote:

Yes: 2 - Commissioner Markert, and Commissioner Casale

No: 1 - Deputy Vice Mayor Burns

Absent: 1 - Mayor Carney Jr.

Ms. Gelin informed the Commission that, under the Land Development Regulations, any applicant seeking a postponement of an appeal scheduled for a City Commission hearing must be present at a meeting prior to the scheduled meeting to make the request. She noted that Mr. Scott, representing his client, Conklin Carwash, was in attendance to request a postponement until the next Commission Meeting on February 3, 2026.

No discussion took place.

A motion was made by Commissioner Casale, seconded by Commissioner Markert, to approve the consideration request for postponement.

Ms. Gelin entered Resolution No. 13-26 into the record.

Allison Behrman, Special Events Manager, was present to discuss this item. Ms. Behrman reported that the estimated financial impact of this event on the City estimated at \$9,131. She explained that the Concours Foundation is recognized as a non-profit entity. According to the City's Special Event Policy, the City will waive 50% of its soft costs for such events. However, the Foundation remains responsible for covering 100% of all hard costs, including barricades, trash boxes, and similar items. Ms. Behrman noted that this year's event is expected to attract approximately 9,000 attendees.

A brief discussion ensued among the Commission. It was mentioned that the event had previously been approved with a budget of \$8,000, and the question was asked where the additional \$1,000 would come from. Ms. Behrman stated that the City is currently working on the Special Event Policy and intends to maintain the existing funding caps without seeking additional funds.

A motion was made by Commissioner Casale, seconded by Commissioner Markert, to approve Resolution No. 13-26.

Ms. Gelin entered Ordinance No. 36-25 into the record.

Ms. Gelin noted that Duane D'Andrea, Human Resources Director, had placed a copy of the City's Policies and Procedures Manual at each Commissioner's seat. She stated that this document was essentially a cleanup from which the former City Attorney removed the City's policies and procedures from the Code of Ordinances and placed them in a manual. This was cleaning up the Code to make it very clear who the policies apply to and that the City has a personnel system by way of the manual.

Deputy Vice Mayor Burns opened the floor to anyone who wished to speak on this item. Seeing no one present, Deputy Vice Mayor Burns closed public comment.

A motion was made by Commissioner Markert, seconded by Commissioner Casale, to approve Ordinance No. 36-25.

10. COMMENTS AND INQUIRIES ON NON-AGENDA ITEMS:

A. City Manager

Mr. Moore stated that Jeff Oris, Assistant City Manager, was present to discuss an update on a bill that is under consideration by the Palm Beach County legislative delegation regarding the provision of fire rescue and emergency medical services in areas that are annexed into a municipality.

Mr. Oris stated that under this bill, the City would be required to pay the lesser of: what the municipal services taxing unit (MSTU) collected in ad valorem and fees prior to annexation, or the portion of costs for fire rescue and emergency medical services that would be paid from the ad valorem taxes and fees for the annexed area. He discussed the time frame for determining the costs to municipalities and other specifics of the bill. Mr. Oris mentioned that the City and the County would enter negotiations to determine the cost and time for each entity to provide each annexed area with the same level of service prior to annexation and to comply with the level of service as determined by the National Fire Protection Association (NFPA) operational standards.

Mr. Moore acknowledged that other municipalities were opposed to the consideration presented by the Palm Beach County League of Cities. He stated that the City would communicate its opposition to this bill to Mat Forrest, their State Lobbyist.

B. City Attorney

Stated that representatives from RedSpeed will attend the next Commission Meeting to discuss how the speed detection cameras will be implemented. The Commission engaged in a brief discussion on the cameras' operational times. It was noted that Police Chief, Gary Ferreri, will present information at the next Commission Meeting regarding the City's informational campaign to educate residents on the specifics of

the cameras and their expected rollout date.

Discussed the City's legal issues with Subculture and suggested possible strategies moving forward. There was consensus to allow Ms. Gelin to prepare the necessary documents if Mr. Mayo, the owner of Subculture, was found to be non-compliant with his original in-lieu parking agreement.

C. City Commission

Commissioner Casale:

Acknowledged the accomplishments of Anthea Gianniotis and Gina Carter.

Expressed her preference for receiving scanned updates to the agenda.

Requested Mr. Moore engage with the Commission before making any policy decisions.

Suggested that the Purchasing Department seek a Chief Procurement Officer with municipal experience to fill the vacant position and the department should operate independently from the Finance Department.

Discussed the budget for the Vision exercise and for the League of Cities luncheon.

Mentioned that food trucks were operating as stand-alone businesses throughout the City.

Asked if the lots in the city that were converted into paid parking were licensed and how they were being monitored.

Expressed her concern that the Banyan Group was advertising their involvement in a project with the City of Delray Beach at the Tennis Center, called Tennis Village, and discussed her concern about liability since they were not engaged with the City on this project. Ms. Gelin mentioned that if there was consensus, she would draft a cease and desist letter to Banyan Group. Consensus was given. Ms. Gelin stated that she would prepare the document the following day.

Commissioner Markert:

Suggested that the City re-evaluate the parking rules because many people expressed dissatisfaction with the recent changes.

Stated that he will be requesting to have meetings to discuss the hazardous road conditions on the corner of Swinton and Atlantic Avenue.

Expressed his opposition to the City conducting an audit on the Downtown Development Authority (DDA). The audit revealed only minor changes that could be implemented and highlighted that the audit cost the City both time and money. He mentioned that there was no valid reason for the Mayor to escalate the issue to the State level.

Expressed his desire to discuss the open Vice Mayor's seat, emphasizing the importance of filling it for continuity.

Deputy Vice Mayor Burns:

Stated that she frequently hears compliments regarding the dedication of City employees.

Mentioned the importance of strengthening the Purchasing Department and considering its separation from the Finance Department. Ms. Gelin reminded the Commission that, as per the organizational chart, the decision to separate the departments would be a policy change. She requested a consensus to have Mr. Moore investigate this matter and report back to the Commission with his findings. There was consensus.

Mentioned consistent requests from downtown business owners to reevaluate the parking rules.

Requested a consensus to have the Fire Department perform a drive-by birthday for Miss Livingston, who will be celebrating her 99th birthday. In addition, she requested a consensus for a letter of recognition for Ms. Stubbs, who will be celebrating her 100th birthday. She mentioned that Ms. Stubbs was one of the first Bahamian settlers in Delray Beach. There was consensus to allow both requests.

11. ADJOURNMENT

There being no further business to discuss, Deputy Vice Mayor Burns adjourned the meeting at 7:52 p.m.

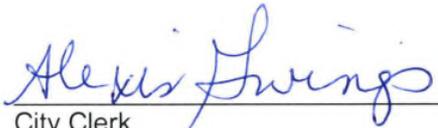

The City shall furnish appropriate auxiliary aids and services where necessary to afford an individual with a disability an equal opportunity to participate in and enjoy the benefits of a service, program, or activity conducted by the City. Please contact the Human Resources Department at (561) 243-7125 at least 24 hours prior to the program or activity for the City to reasonably accommodate your request.
