Helping Homes Shine: The Curb Appeal Residential Improvement Program

Since its launch in 2007, the Delray Beach CRA's Curb Appeal Residential Improvement Program has supported various homeowners in enhancing the exterior appearance of their properties. [More](#)

Visitors can expect to encounter a variety of representational and figurative works this year, a shift that reflects the influence of the newer residents. And while the gallery itself is impressive, what makes this exhibition especially meaningful is the deeper connection it creates between the public and the artists themselves. [More](#)

Tenant Updates at the Edmonds Baine Building

The Delray Beach CRA continues to strengthen the NW 5th Avenue corridor with a growing mix of small businesses and community-serving organizations. At the Edmonds Baine Building (98 NW 5th Avenue), several new tenants have recently moved in or are preparing for build-out on the ground floor. Here's a look at the latest activity. [More](#)
