### Virtual/Outdoor Exhibitions

RISE Outdoor Group Exhibition Sep 29th - Oct 31st - Arts Warehouse and the CRA participated in RISE Climate & Art Weekend with a virtual artist talk (link above), and art exhibition. RISE Outdoor is a group exhibition showcasing artists whose work draws attention to the persistent changes in nature, and humanity's inevitable connection to it.

This unique exhibition exists outdoors throughout the Delray Beach downtown area consisting of 10 freestanding prints by six artists. The goal is to bring art to safe spaces outdoors during COVID-19 restrictions, to activate new areas in the Delray Beach downtown/Delray Beach CRA District, and to ultimately speaking on climate change and its personal and worldwide effects through the visual art.
