- c. **S/M/WBE PROGRAM – EBO REQUIREMENTS**

PLEASE NOTE THAT ALL FORMS RELATED TO THE EBO PROGRAM CAN BE FOUND AT:
<http://discover.pbcgov.org/oebo/Pages/Documents.aspx>

Item 1 – Policy

It is the policy of the Board that all segments of its business population, including, but not limited to, small, local, minority and women owned businesses, have an equitable opportunity to participate in the County's procurement process, prime contract and subcontract opportunities. To that end, the Board adopted an Equal Business Opportunity Ordinance which is codified in Sections 2-80.20 through 2-80.30 (as may be amended) of the Palm Beach County Code, (EBO Ordinance) which sets forth the County's requirements for the EBO Program, and which is incorporated in this solicitation. The provisions of the EBO Ordinance are applicable to this solicitation, and shall have precedence over the provisions of this solicitation in the event of a conflict. This Request for Pre-Qualification is subject to the EBO Ordinance to maximize S/M/WBE participation on an as needed project by project basis. NOTE: Individual projects shall not exceed \$99,999.

Item 2 – Contract Award Criteria

For purchases made as a result of this solicitation, the County shall make an award to the Vendor who is certified as a small business with Palm Beach County and who is within 10% of the lowest responsive, responsible Vendor, providing that the small business is also deemed responsive and responsible to the terms and conditions of the solicitation.

Item 3 – Quote Submission Documentation

S/M/WBE vendors, responding as prime contractors or consultants, are advised that they shall complete Schedule 1 and Schedule 2, listing the work to be performed by their own workforce, as well as the work to be performed by all subcontractor or subconsultant, including S/M/WBE subcontractors and subconsultants. Failure to include this information on Schedule 1 will result in the participation by the S/M/WBE prime vendors own workforce NOT being counted towards meeting the S/M/WBE goal. This requirement applies even if the S/M/WBE vendor intends to perform 100% of the work with their own workforce.

S/M/WBE subcontractor/subconsultant documentation, if applicable, shall be submitted as follows:

Schedule 1 - List of Proposed Subcontractors / Subconsultants

A completed Schedule 1 submitted by the prime shall list the names of all subcontractors/subconsultants intended to be used in performance of the contract, if awarded. The total proposed percentage of S/M/WBE participation shall also be included on this form. This schedule shall also be used if an S/M/WBE Prime Contractor/consultant is performing all or any portion of this contract with their work force.

Schedule 2 - Letter of Intent

A completed Schedule 2 is a binding document between the Prime Contractor/consultant and a subcontractor/subconsultant (or any tier) and should be treated as such. The Schedule 2 shall contain bolded language indicating that by signing the Schedule 2, both parties recognize this Schedule as a binding document. Each Schedule 2 shall be properly executed by the Prime Contractor/consultant and by the proposed subcontractor/subconsultant. If the Prime Contractor/consultant is an S/M/WBE, a Schedule 2 shall be submitted to document work to be performed by its workforce. All S/M/WBE(s) shall specify, in detail, the type of work they will perform along with the dollar amount they will be compensated and/or percentage of work they will perform. If any subcontractor/subconsultant intends to subcontract any portion of their work, they are required to list the dollar amount and the name of the subcontractor/subconsultant on this form. All named subcontractors/subconsultants on this form shall also complete and submit a separate Schedule 2. The Prime may count toward its S/M/WBE goal second and third tiered certified S/M/WBE(s); provided that the Prime Contractor/consultant submits a completed Schedule 2 form for each S/M/WBE.

A detailed quote or proposal may be attached with a signed Schedule 2.

Failure to submit a properly executed Schedule 1 and 2 will result in no S/M/WBE consideration given.

In the event of a conflict between Schedules 1 and 2 when calculating S/M/WBE participation, the information provided on Schedule 2 shall have precedence.

In the event of mathematical error(s), the unit price, if available, shall prevail and the vendor's total offer shall be corrected accordingly. If the County's issuance of an alternate or change order on a project results in changes in the scope of work to be performed by a subcontractor/subconsultant listed at the time of quote/submission, the Prime shall submit a, completed and properly executed Schedule 2 that specifies the revised scope of work to be performed by the subcontractor/subconsultant, along with the price and /or percentage.

Item 4 – S/M/WBE Certification

Only those firms certified by Palm Beach County at the time of project opening shall be counted toward the established S/M/WBE project goals. Upon receipt of a completed application, IT TAKES UP TO NINETY (90) BUSINESS DAYS TO BECOME CERTIFIED AS AN S/M/WBE WITH PALM BEACH COUNTY. It is the responsibility of the vendor to confirm the certification of any proposed S/M/WBE; therefore, it is recommended that vendors visit the online Vendor Directory at www.pbcgov.org/oebo to verify S/M/WBE certification status. Firms shall continue to recertify during the life of the contract as the County may only count toward the established goal, work performed by an S/M/WBE during the time their certification dates are valid.

Item 5 – Decertification

As part of the consideration for quote award under the EBO Ordinance, any Vendor decertified by Palm Beach County shall be considered non-responsive to the S/M/WBE requirements.

Item 6 – EBO Program Compliance - Penalties

Under the EBO Ordinance, the Office of Equal Business Opportunity (“OEBO”) is required to implement and monitor S/M/WBE utilization during the term of any contract resulting from this solicitation. It is the County’s policy that S/M/WBEs shall have the maximum feasible opportunity to participate in the performance of County contracts. All vendors are required to comply with the EBO Ordinance and shall be expected to comply with the API(s) applicable to this solicitation, as well as the S/M/WBE utilization proposed by a vendor in its quote, which utilization plan forms a part of any resulting Contract.

The Director of the OEBO or designee may require such reports, information, and documentation from the Vendor as are reasonably necessary to determine compliance with the EBO Ordinance requirements. Vendor shall correct all noncompliance issues within fifteen (15) calendar days of a written notice of noncompliance by the department procuring the goods or services or the OEBO. If the Vendor does not resolve the non-compliance within fifteen (15) calendar days of receipt of written notice of non-compliance, then upon recommendation of sanctions by the Director of OEBO or designee, the Purchasing Director may impose upon the non-complying party any or all of the following penalties:

- a. Suspension of contract;
- b. Withholding of funds;
- c. Termination of contract based upon a material breach of contract pertaining to EBO Program compliance;
- d. Suspension or Debarment of a respondent or vendor or quoter, contractor or other business entity from eligibility for providing goods or services to the County for a period not to exceed two (2) years; and
- e. Liquidated damages equal to the difference in dollar value of S/M/WBE participation as committed to in the contract, and the dollar value of S/M/WBE participation as actually achieved, if applicable.

d. **LOCAL PREFERENCE ORDINANCE:** In accordance with the Palm Beach County Local Preference Ordinance, a preference may be given to (1) vendors having a permanent place of business in Palm Beach County or (2) vendors having a permanent place of business in the Glades that are able to provide the goods or services within the Glades.

1. **Glades Local Preference:** Pursuant to the Palm Beach County Local Preference Ordinance, a 5% Glades Local Preference is given when a Glades business offers to provide the goods or services that will be procured for use in the Glades. If the lowest responsive, responsible vendor is a non-Glades business, all quotes received from responsive, responsible Glades businesses may be decreased by 5%. The original quote amount is not changed. The 5% decrease given for the Glades Local Preference is calculated only for the purpose of determining ranking and award.
2. **Local Preference:** Pursuant to the Palm Beach County Local Preference Ordinance, a 5% Local Preference is given to vendors having a permanent place of business in Palm Beach County. If the lowest responsive, responsible vendor is a non-local business; all quotes received from responsive, responsible local businesses may be decreased by 5%. The original quote amount is not changed. The 5% decrease given for the Local Preference is calculated only for the purpose of determining ranking and award.
3. To receive a Glades Local Preference or a Local Preference (collectively referred to as “local preference”), a vendor shall have a permanent place of business in existence prior to the County’s issuance of this Notice of Solicitation / Request for Pre-Qualification. A permanent place of business means that the vendor’s headquarters is located in Palm Beach County or in the Glades, as applicable; or, the vendor has a permanent office or other site in Palm Beach County or in the Glades, as applicable, where the vendor will produce a substantial portion of the goods or services to be purchased. A valid Business Tax Receipt issued by the Palm Beach County Tax Collector is required, unless the vendor is exempt from the business tax receipt requirement by law, and will be used to verify

that the vendor had a permanent place of business prior to the issuance of this Notice of Solicitation / Request for Pre-Qualification. In addition, the attached “Certification of Business Location” and Business Tax Receipt shall accompany the response to this Notice of Solicitation / Request for Pre-Qualification by the published submission time. The Palm Beach County Business Tax Receipt and this Certification are the sole determinant of local preference eligibility. Errors in the completion of this Certification or failure to submit this completed Certification will cause the vendor to not receive a local preference.

- e. **CONDITIONED OFFERS:** Vendor are cautioned that any condition, qualification, provision, or comment in their Request for Pre-Qualification, or in other correspondence transmitted with their Request for Pre-Qualification, which in any way modifies, takes exception to, or is inconsistent with the specifications, requirements, or any of the terms, conditions, or provisions of this solicitation, is sufficient cause for the rejection of their Request for Pre-Qualification as non-responsive.

NOTE: This includes quotations provided on individual projects.

f. **PROJECT PRICING FOR PRE-QUALIFIED RESPONDENTS:**

1. All project pricing responses shall be submitted on the “Response” Form provided by the requesting department. Responses on vendor letterhead / quotation forms shall not be accepted.

Fair market price shall be determined based on industry standards, comparable bids or offers, existing contracts, or other means of establishing a range of current prices for which the line items may be obtained in the market place.
