

INTERLOCAL AGREEMENT
BETWEEN THE DELRAY BEACH COMMUNITY REDEVELOPMENT AGENCY,
AND THE TREASURE COAST REGIONAL PLANNING COUNCIL

WITNESSETH:

Whereas, Section 163.01, Florida Statutes, known as the "Florida Interlocal Cooperation Act of 1969", authorizes local governmental units to make the most efficient use of their powers by enabling them to cooperate with other public agencies on a basis of mutual advantage and thereby to provide services and facilities in a manner pursuant to forms of governmental organization that will accord best with geographic, economic, population and other factors influencing the need and development of local communities; and

Whereas, Part I of Chapter 163, Florida Statutes, permits public agencies as defined therein to enter into Interlocal Agreements with each other to exercise jointly any power, privilege, or authority which such agencies share in common and which each might exercise separately; and

Whereas, the City Commission of the City of Delray Beach has found and declared an area of the City of Delray Beach to be slum and blighted, the area hereinafter referred to as the "CRA Area;" and

Whereas, pursuant to the provisions of Chapter 163, Part III, Florida Statutes, the City and CRA have adopted a community redevelopment plan, and subsequent amendments to the community redevelopment plan (the "Plan"); and

Whereas, the goal of the Plan is to create a framework that will facilitate development and investment in private land as well as in public infrastructure, preserve the city's heritage, enhance its livability and sense of unity and maintain its design quality, both architectural and urban in a manner that achieves several stated objectives, one of which is "To create building forms of a character and scale that reinforce the Citizen's vision of a 'City of urban amenities with a small town feeling'"; and

Whereas, the CRA and the Council desire to enter into an agreement to facilitate the preparation and adoption of an amendment to the Plan; and

Whereas, amending the Plan to further the goals and objectives to eliminate slum and blight within the community redevelopment area is consistent with the provisions of Chapter 163, Part III,

Florida Statutes, serves a municipal and public purpose, and is in the best interest of the citizens of the City of Delray Beach, Florida.
