### Profile

NOTE: Each Applicant is advised to attend at least one meeting prior to applying for appointment.

Board Member applications must be received no later than **ten (10) business days** prior to the first City Commission Meeting at which the Commissioner is eligible to nominate and appoint the prospective board member.

The [City Commission](#) appoints members of the boards and committees. All positions are voluntary and members are not compensated for their time. However, the individuals who serve on the boards and committees provide an invaluable service to the city. Their advice and expertise on a wide range of topics assist the City Commission in its decision-making process.

In general, individuals may serve on only one board or committee at a given time, with the exception of ad-hoc committees or task forces. Most advisory groups meet at least once a month, however, there are varying degrees of commitment, depending on the board. Membership requirements vary with each board and committee

**Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:**

---

I am a grateful recovering addict with 18 years of sustained recovery. Since 2013, I've dedicated my work in Delray Beach to serving indigent women through compassionate, evidence-based care. I currently serve as the Chief Executive Officer of Wayside House, a substance use disorder (SUD) treatment center that has been empowering women in Delray Beach since 1974. In my role as CEO—held since 2013—I bring over 25 years of experience in the nonprofit sector, working with individuals facing a wide range of social challenges. My lived experience, from being someone who once relied on SUD services to now leading a treatment organization, gives me a unique and deeply informed perspective. As a provider, I've witnessed firsthand the persistent gaps in our current system of care and remain committed to advocating for more inclusive, accessible, and effective services for all who need SUD treatment.
