This Delray Beach Community Redevelopment Agency rehabilitated warehouse is located on Artist Alley in the Pineapple Grove district opened in late 2017. Arts Warehouse is an Art space that includes studio artists, holds gallery exhibitions, visual art workshops, professional development opportunities, talks, and special events. The 15,000 sq. ft. space is a catalyst for economic development and growth within the Pineapple Grove Arts District and the community as a whole, supporting artists as small businesses.
