

Fixed Route Transportation Services

Delray Beach, FL

Downtowner partners with public and private clients to re-imagine transportation.

Leveraging in-house technology and operational expertise, our programs:

Fill gaps in existing transit
landscapes

Increase overall
mobility

Decrease personal
vehicle use

Ease parking and traffic
congestion

“Downtowner has been a game-changer for Tampa’s downtown. The user experience is great and the app-based, on-demand service has paved the way for a smarter transportation system. Kudos!”

Vik Bhide, Tampa's Chief Traffic Engineer
