### NEW AMBULANCE WARRANTY

Subject to the provisions, limitations, and conditions set forth in this Statement of Limited Warranty, Braun Industries, Inc. (the "**Company**") warrants to the original registered/licensed U.S. end-user (the "**Purchaser**") that its new ambulances (the "**Product**") are free of defects in material and workmanship and shall maintain such integrity under normal use and service. This Limited Warranty (as defined below) is valid only in the United States and all warranty periods start upon completion of production and quality inspection by Company and the Product is declared ready for delivery (the "**Delivery**") and expires per the disclosures listed below. The Company warrants to repair or replace with new or refurbished materials at its sole discretion; components, installation, or workmanship deemed to be defective under the terms and conditions set forth in this Statement of Limited Warranty. Warranty repairs must be performed by the Company or by Company's Authorized Dealer / Service Center.

### EXCLUSIONS AND LIMITATIONS

**NOTWITHSTANDING ANY OTHER PROVISION HEREOF TO THE CONTRARY, OTHER THAN THE EXPRESS WARRANTIES SET FORTH HEREIN, THE COMPANY MAKES NO OTHER WARRANTY, WHETHER EXPRESS OR IMPLIED BY LAW, COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE, OR OTHERWISE, REGARDING THE PRODUCT, RELATED EQUIPMENT AND MATERIALS, AND/OR SERVICES PROVIDED BY COMPANY. COMPANY EXPRESSLY DISCLAIMS ANY AND ALL OTHER WARRANTIES, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR THE WARRANTY IN SECTION 2-312 OF THE UCC THAT SUCH PRODUCT AND/OR PRODUCTS DO NOT INFRINGE ON THE RIGHTS OF ANY OTHER PERSON.** You may have other rights which vary from state to state. The Purchaser's right to repair or replacement of defective parts or workmanship is the exclusive remedy, and neither the Company nor the Company's Authorized Dealer / Service Center shall be liable for damages, whether ordinary, incidental, or consequential under this warranty. Any remedy of consequential damages; including but not limited to economic loss, transportation, mileage, trip charges, wages, etc., and any remedy of incidental damages or loss are hereby excluded. Damages caused by normal use, improper maintenance, and loss resulting from any acts of God or natural disasters including but not limited to storm, flood, fire, lightning, freezing are excluded. Purchaser's noncompliance with any part of this specific Limited Warranty shall immediately render the total warranty null, void and non-enforceable.

The Purchaser shall use, service and maintain the Product according to the written instructions furnished by the Company and failure of Purchaser to properly use, service and maintain the product in accordance with such instructions shall void the warranty, including, without limitation, (i) use of the modular body for any purpose other than what it was originally designed to perform, (ii) overloading the Product beyond its applicable weight rating, (iii) overloading the Product beyond its electrical load rating, (iv) defects or damage as a result of misuse, abuse, negligence, theft, tampering, vandalism or riot, (v) failure to provide normal routine maintenance, (vi) resale of Product by original registered/licensed U.S. end-user, and (vii) remounting of Product by anyone other than the Company

This Statement of Limited Warranty does not apply to: (i) any product or component that is consumable from normal wear and tear, (ii) any product or component that is added, repaired, modified, altered, or replaced by anyone other than Company, and (iii) any product or component supplied by the Purchaser. Purchaser shall be responsible and liable for such modifications, alterations, integrations and installations performed by Purchaser and Purchaser hereby agrees to indemnify and hold harmless Company and its successors and assigns from all liabilities, obligations,

cost, losses, demands, actions, proceedings, claims, damages, and penalties (including, without limitation, all attorney fees) incurred or suffered by Company and arising or relating to such modifications, alterations, integrations and installations performed by Purchaser.

The Company reserves the right to make changes to the design and features of its Products without any obligation to make corresponding changes to Products previously manufactured. No other person is authorized to make any representation or warranty on behalf of the Company or of Company's Authorized Dealer / Service Center, other than as stated in the Company's warranty.

### STRUCTURAL WARRANTY

The modular body, including seams, joints, door frames, roof, floor, wall construction and exterior doors, as well as all aluminum cabinetry, are warranted to be structurally sound and free of defects in both materials and workmanship for the life of the Product, without mileage limitation, in accordance with the provisions hereof (the "**Limited Structural Warranty**").

Excluded from the Limited Structural Warranty are (i) any product or component that is consumable from normal wear and tear, (ii) any product or component that is added, repaired, modified, altered, or replaced by anyone other than Company, (iii) specific workmanship and materials covered by other warranties including paint finishes, sealant deterioration, filler shrinkage, hardware, moldings, windows, non-aluminum cabinets and other components and accessories that are not structural components of the modular body, (iv) any part or component becoming defective as a result of accident damage or other casualty.

The potential for reinstatement of the Limited Structural Warranty after accident damage or other casualty is dependent on an inspection by the Company or Company's Authorized Dealer / Service Center within sixty (60) days of the occurrence. The inspection will determine the structural integrity of the modular body and if there is an opportunity to reinstate the Limited Structural Warranty.

### ELECTRICAL WARRANTY

The electrical system, including standard installations of harness, terminals, connectors, nodes, touchpads, and electrical display screens, programming, system functions and specified optional components is warranted to be free from defects of both material and workmanship for a pro-rated period of seven (7) years or 84,000 miles, whichever occurs first. Pro-rated items warranted separately include (a) controls buttons for a period of two (2) years with unlimited mileage; and (b) display screen material for a period of three (3) years with unlimited mileage up to \$200. The limited warranties described herein and in accordance with the provisions herein, collectively (the "**Limited Electrical Warranty**").

Excluded from the Limited Electrical Warranty are (i) any product or component that is consumable from normal wear and tear, (ii) any product or component that is added, repaired, modified, altered, or replaced by anyone other than Company, (iii) chassis and all related chassis electrical systems, components and accessories covered by the Chassis Warranty and (iv) any components and equipment not manufactured by the Company covered the Supplier Warranty.

### PAINT WARRANTY

The paint finish, including surface preparation, paint application, curing, topcoat and/or other layers of paint applied to the Product by Company is warranted to be free from defects of both material and workmanship for a pro-rated period of seven (7) years or 84,000 miles, whichever occurs first. Pro-rated as follows: (i) the first four (4) years, or up to 48,000 miles, whichever first occurs, are covered at 100% for parts and labor; (ii) the fifth year or up to 60,000 miles, whichever first occurs, is covered at 75% for parts and labor; (iii) the sixth and seventh years or up

to 84,000 miles, whichever first occurs, are covered at 50% for parts and labor; and (iv) non-OEM coated bumpers are covered for one year, unlimited mileage. The limited warranties described herein and in accordance with the provisions herein, collectively (the "**Limited Paint Warranty**").

Excluded from the Limited Paint Warranty are (i) paint deterioration caused by road salt, magnesium, calcium chloride, or other substances which are used to free roads from ice/snow, (ii) paint deterioration caused by accidents, acid rain, chemical fallout, acts of nature, or the lack of routine maintenance such as regular washing and waxing or the failure to touch-up stone chips, (iii) damage caused by chemicals including but not limited to: DEF (diesel exhaust fluid), gasoline, diesel fuel, anti-freeze, power steering fluid, brake fluid, fuel additives, abrasive cleaners, etc., (iv) failures resulting from product misuse or abuse including but not limited to stone chips, scratches, gouges, other impact damage, etc., (v) hazing, chalking or loss of gloss caused by improper care, abrasive polishes, cleaning agents, pressure washing, or aggressive mechanical wash systems, (vii) repairs not pre-authorized by the Company, (vi) failure of finishes applied by anyone other than Company or Company's authorized Dealer / Service Center.

### CONVERSION WARRANTY

The conversion, including non-structural construction, assembly and installation of heating/cooling systems, interior doors, windows, hardware, latches, locks, trim, wall coverings, flooring, kick plates, cot mount hardware, grab handles, IV hangers, graphics and Company manufactured seating, headpads, and other cushion/upholstery items is warranted to be free of defects in materials and workmanship for a period of three (3) years or 36,000 miles, whichever occurs first, in accordance with the provisions herein (the "**Limited Non-Structural Warranty**").

Excluded from the Non-Structural Limited Warranty are (i) any product or component that is consumable from normal wear and tear, (ii) any product or component that is added, repaired, modified, altered, or replaced by anyone other than Company, (iii) chassis and all related chassis electrical systems, components and accessories covered by the Chassis Warranty and (iv) any components and equipment not manufactured by the Company covered the Supplier Warranty, (v) damage to graphics caused by chemicals including but not limited to: DEF (diesel exhaust fluid), gasoline, diesel fuel, anti-freeze, power steering fluid, brake fluid, fuel additives, magnesium, calcium chloride, road salt, or other substances which are used to free roads from ice/snow and (iv) damage caused by power washers, or other aggressive forms of washing.

### SUPPLIER WARRANTY

OEM materials and workmanship, including but not limited to battery, battery charger, siren, inverter, light bar, radio, laptop, docking stations, mounts, actuators, and similar supplier equipment installed by Company but not originally manufactured by Company are warranted by separate warranties offered by the OEM that manufactured the component (the "**Limited Supplier Warranty**"). When necessary, Company will provide Purchaser with warranty assistance with the OEM.

Excluded from the Limited Supplier Warranty are (i) any product or component that is consumable from normal wear and tear, (ii) any product or component that is added, repaired, modified, altered, or replaced by anyone other than Company, (iii) chassis and all related chassis electrical systems, components and accessories covered by the Chassis Warranty.

### CHASSIS WARRANTY

All new Products that are mounted on a new chassis will carry the full Chassis Warranties as well as the Federal and California Emission Defect Warranties and Emission Performance Warranties, as issued by the specific chassis OEM (collectively the "**Chassis Warranty**"). This Chassis Warranty is administered by the chassis OEM's representing dealer and is subject to the guidelines, restrictions, and limitations that they set forth.

The Chassis Warranty does not apply to any portion of the truck or chassis directly included in the alteration process, including materials added to and work accomplished on the original chassis by a qualified modifier. Should any chassis service/repairs be required due to Company alterations, such repairs/service are covered under the Limited Structural Warranty, the Limited Non-Structural Warranty, the Limited Electrical Warranty, the Limited Paint Warranty or the Limited Supplier Warranty (collectively the "**Limited Warranty**") for a term equal in duration, and in every other aspect, to the Chassis Warranty for the applicable chassis model year.

Purchaser must complete an alignment after the unit is loaded and readied for use, as added weight and weight distribution will affect Product alignment. Alignments are a function of normal Product maintenance and are not covered by the Chassis Warranty or the Limited Warranty.

### TRANSFER OF WARRANTY

The Limited Warranty may be transferred to a subsequent owner(s), provided that the Product is inspected by the Company or Company's Authorized Dealer / Service Center within sixty (60) days of transfer of ownership and the warranty revalidation forms are completed and filed with the Company verifying warranty compliance. A warranty transfer fee, in addition to inspection charges, will apply. Once the Limited Structural Warranty has become invalidated by failure to comply with this provision or for any other reason, it cannot be reinstated.

### OBTAINING WARRANTY SERVICE

To obtain warranty service contact the Company's Authorized Dealer / Service Center from whom you purchased the Product. You may also contact the Company at 1-800-22-BRAUN or ServiceTeam@BraunAmbulances.com. **PURCHASING TERMS AND CONDITIONS**

## **PURCHASING TERMS AND CONDITIONS**

These Purchasing Terms and Conditions, together with the Equipment Proposal and all attachments (collectively, the "Agreement") are entered into by and between Ten-8 Fire & Safety, LLC, a Florida company ("Company") and Customer (as defined in Ten-8 Fire & Safety LLC's Equipment Proposal document) and is effective as of the date specified in Section 3 of these Purchasing Terms and Conditions. Both Company and Customer may be referred throughout this document individually as a "party" or collectively as the "parties."

### **1. Definitions.**

- a. **"Acceptance"** has the same meaning set forth in Company's Equipment Proposal.
- b. **"Company's Equipment Proposal"** means the Equipment Proposal provided by Company and prepared in response to Customer's request for proposal for a fire apparatus, associated equipment or an ambulance.
- c. **"Cooperative Purchasing Contract"** means an Agreement between Company and a public authority, including without limitation, a department, division, agency of a municipal, county or state government ("Public Authority"), that adopts or participates in an existing agreement between Company and another non-party customer (including, but not limited to such non-party customer's equipment proposal, its applicable exhibits, attachments and purchasing terms and conditions), often referred to as a "piggyback arrangement," which is expressly agreed to, in writing, by Company. Company has sole discretion to determine whether it will agree to such a Cooperative Purchasing Contract.
- d. **"Delivery"** means when Company delivers physical possession of the Product to Customer.
- e. **"Manufacturer"** means the Manufacturer of any Product.
- f. **"Prepayment Discount"** means the prepayment discounts, if any, specified in Company's Equipment Proposal.
- g. **"Product"** means the fire apparatus and any associated equipment, or ambulance manufactured or furnished for Customer by Company pursuant to the Specifications.
- h. **"Purchase Price"** means the Total price set forth in the Quotation, adjusted for the final net price for the chassis charged by the original equipment manufacturer set forth in the final invoice submitted to the Company by the manufacturer. Additionally, if transportation charges are included in the Purchase Price, any changes in transportation charges shall be borne by Customer. Unless otherwise stated herein, Company shall not be responsible for switching, handling, loading, sorting, storage, demurrage, or any other transportation or peripheral charges. If any tax, public charge, tariff, duty, or increase in such taxes or tariffs, is now, or shall be, assessed, levied, or imposed upon, or with respect to the sale of Product by Company or the Manufacturer to Customer or upon any sale, delivery, or other action taken under any validly accepted order for Product, or upon the export or import of such Product by Company or Manufacturer, or if any change shall be made in the custom house or railway classification of such Product or in existing freight rates applicable thereto, the burden of such charge or change shall be borne by the Customer.
- i. **"Purchasing Terms and Conditions"** means these Purchasing Terms and Conditions; however, if the Company's Equipment Proposal or the Customer's related Purchase Order states that it is governed by a Cooperative Purchasing Agreement, "Purchasing Terms and Conditions" shall mean those terms and conditions set forth in the applicable Cooperative Purchasing Agreement.
- j. **"Specifications"** means the general specifications, technical specifications, training, and testing requirements for the Product contained in Company's Equipment Proposal and its Exhibit A (Proposal Option List or for ambulance sales, the Quotation, or Order Form, as applicable), prepared in response to Customer's request for such a proposal.

### **2. Purpose.** This Agreement sets forth the terms and conditions of Company's sale of the Product to Customer.

### **3. Term of Agreement.** This Agreement will become effective on the date of Acceptance as defined in Company's Equipment Proposal ("Effective Date") and, unless earlier terminated pursuant to the terms of this Agreement, it will terminate upon Delivery and payment in full of the Purchase Price.

### **4. Purchase and Payment.** Customer agrees to pay Company the Purchase Price for the Product(s). The Purchase Price is in U.S. dollars. Where Customer opts for a Prepayment Discount that specifies that Customer will tender one or more prepayments to Company, Customer must provide each prepayment within the time frame specified in the Equipment Proposal in order to receive the Prepayment Discount for that prepayment installment. To the

extent permitted by applicable law, Company may in its sole discretion charge a convenience fee if Customer elects to pay the Purchase Price by means of a credit card.

5. Representations and Warranties. Customer hereby represents and warrants to Company that the purchase of the Product(s) has been approved by Customer in accordance with applicable general laws and, as applicable, Customer's charter, ordinances and other governing documents, and funding for the purchase has been duly budgeted and appropriated.
6. Cancellation/Termination.
  - a. Fire Equipment and Apparatus Sales. In the event this Agreement is cancelled or terminated by Customer before completion, Company may charge Customer a cancellation fee. The following charge schedule is based on costs incurred by Manufacturer and Company for the Product, which may be applied and charged to Customer: (a) 12% of the Purchase Price after the order for the Product(s) is accepted and entered into Manufacturer's system by Company; (b) 22% of the Purchase Price after completion of approval drawings by Customer, and; (c) 32% of the Purchase Price upon any material requisition made by the Manufacturer for the Product. The cancellation fee will increase in excess of (c) in this Section 6, accordingly, as additional costs are incurred by Manufacturer and Company as the order progresses through engineering and into the manufacturing process.
  - b. Ambulance Sales. This Section 6 for Cancellation/Termination does not apply to Ambulance Sales. An order for an ambulance cannot be cancelled or terminated once Company receives and processes Customer's Acceptance of Company's Equipment Proposal.
7. Delivery. The Product is scheduled to be delivered as specified in the Delivery Timing section of the Equipment Proposal ("Delivery Timing"), which will be F.O.B. Company's facility. The Delivery Timing is an estimate, and Company is not bound to such date unless it otherwise agrees in writing. Company is not responsible for Delivery delays caused by or as the result of actions, omissions or conduct of the Manufacturer, its employees, affiliates, suppliers, contractors, and carriers. All right, title and interest in and to the Product, and risk of loss, shall pass to Customer upon Delivery of the Product(s) to Customer.
8. Standard Warranty. The manufacturer warranties applicable to this Agreement, if any, are attached to Company's Equipment Proposal as Exhibit A and are incorporated herein as part of the Agreement.
  - a. Disclaimer. EXCEPT AS OTHERWISE SET FORTH IN THIS AGREEMENT, COMPANY, INCLUDING ITS PARENT COMPANY, AFFILIATES, SUBSIDIARIES, AND THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, SHAREHOLDERS, AGENTS OR REPRESENTATIVES DO NOT MAKE ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE PRODUCTS PROVIDED UNDER THIS AGREEMENT, WHETHER ORAL OR WRITTEN, EXPRESS, IMPLIED OR STATUTORY. WITHOUT LIMITING THE FOREGOING DISCLAIMER, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, IMPLIED WARRANTY AGAINST INFRINGEMENT, AND IMPLIED WARRANTY OR CONDITION OF FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY EXCLUDED AND DISCLAIMED. STATEMENTS MADE BY SALES REPRESENTATIVES OR IN PROMOTIONAL MATERIALS DO NOT CONSTITUTE WARRANTIES.
9. Limitation of Liability. COMPANY WILL NOT BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, INDIRECT, ECONOMIC, PUNITIVE, SPECIAL OR EXEMPLARY DAMAGES ARISING FROM OR IN ANY WAY CONNECTED WITH THIS AGREEMENT WITHOUT REGARD TO THE NATURE OF THE CLAIM OR THE UNDERLYING THEORY OR CAUSE OF ACTION (WHETHER IN CONTRACT, TORT, STRICT LIABILITY, EQUITY OR ANY OTHER THEORY OF LAW) ON WHICH SUCH DAMAGES ARE BASED. COMPANY'S LIMIT OF LIABILITY UNDER THIS AGREEMENT SHALL BE CAPPED AT THE TOTAL AMOUNT OF THE MONIES PAID BY CUSTOMER TO COMPANY UNDER THIS AGREEMENT.

10. Force Majeure. Company shall not be responsible nor deemed to be in default on account of delays in performance due to causes which are beyond Company's control or which make Company's performance impracticable, including but not limited to wars, insurrections, strikes, riots, fires, storms, floods, other acts of nature, explosions, earthquakes, accidents, transportation or delivery delays or losses outside of Company's control, any act of government, inability or delay of Company or manufacture in obtaining necessary labor or adequate or suitable manufacturing components at reasonable prices, allocation regulations or orders affecting materials, equipment, facilities or completed products, failure to obtain any required license or certificates, acts of God or the public enemy, terrorism, epidemics, quarantine restrictions, failure of vendors to perform their contracts or labor troubles of Company or a manufacturer causing cessation, slowdown, or interruption of work.
11. Customer's Obligations. Customer shall provide its timely and best efforts to cooperate with Company and Manufacturer during the manufacturing process to create the Product. Reasonable and timely cooperation includes, without limitation, Customer's providing timely information in response to a request from Manufacturer or Company and Customer's participation in traveling to Manufacturer's facility for inspections and approval of the Product.
12. Default. The occurrence of one or more of the following shall constitute a default under this Agreement: (a) Customer's failure to pay any amounts due under this Agreement or Customer's failure to perform any of its obligations under this Agreement; (b) Company's failure to perform any of its obligations under this Agreement; (c) either party becoming insolvent or becoming subject to bankruptcy or insolvency proceedings; (d) any representation made by either party to induce the other to enter into this Agreement, which is false in any material respect; (e) an action by Customer to dissolve, merge, consolidate or transfer a substantial portion of its property to another entity; or (f) a default or breach by Customer under any other contract or agreement with Company.
13. Manufacturer's Statement of Origin. Company shall retain possession of the manufacturer's statement of origin ("MSO") for the Product until the entire Purchase Price has been paid. If more than one Product is covered by this Agreement, Company shall retain the MSO for each individual Product until the Purchase Price for that Product has been paid in full.
14. Arbitration. Any controversy or claim arising out of or relating to this Agreement, or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. The Arbitration shall take place in Bradenton, Florida.
15. Miscellaneous. The relationship of the parties established under this Agreement is that of independent contractors and neither party is a partner, employee, agent, or joint venture of or with the other. Neither party may assign its rights and obligations under this Agreement without the prior written approval of the other party. This Agreement and all transactions between Ten-8 Fire & Safety, LLC will be governed by and construed in accordance with the laws of the State of Florida. The delivery of signatures to this Agreement may be via facsimile transmission or other electronic means and shall be binding as original signatures. This Agreement shall constitute the entire agreement and supersede any prior agreement between the parties concerning the subject matter of this Agreement. This Agreement may only be modified by an amendment, in writing, signed by duly authorized representatives of both parties with authority to sign such amendments to this Agreement. In the event of a conflict between the Ten-8 Proposal and these Terms and Conditions, the Ten-8 Proposal shall control except in the case of a Cooperative Purchasing Contract as set forth in Section 1(c) and (h) of these Purchasing Terms and Conditions. If any term of this Agreement is determined to be invalid or unenforceable by a competent legal authority, such term will be either reformed or deleted, as the case may be, but only to the extent necessary to comply with the applicable law, regulation, order or rule, and the remaining provisions of the Agreement will remain in full force and effect.
