Recommended Action:

By motion, receive and file this report for actions on development application requests from July 15, 2026, through August 7, 2026.

Background:

This report is the method of informing the City of Delray Beach ("City") City Commission of actions taken on site plan applications either by a City board or by the Development Services Director via administrative approval, which may be appealed by the City Commission, pursuant to Land Development Regulations (LDR) Section 2.1.3(F), Appealable Reports of Board Actions, and Section 2.4.10(A)(5)(b-c), Site Plan Applications. Administratively approved site plan applications are limited to fully code compliant Level 2 applications.

A staff report, along with associated exhibits and/or plans, provides a thorough description and analysis of each request.
