Interest & Experiences

List any certifications or licenses which may further qualify you to serve on a board or committee.

Professional Engineer in States of Florida

Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:

I have lived in Delray Beach for over 7 years and have fallen in love with our small town. I wish to serve my community by using my professional skills, level head, analytic skills, and empathy towards my neighbors. I have over 15 years of experience working on a wide range of civil and environmental engineering projects, specializing in operations and construction services for solid waste, water, and wastewater projects. This includes economic feasibility analysis of these facilities.

List any other community/civic involvement which you would like the Commission to consider:

I try my best to participate in greening initiatives in the local area, such as participating in climate action workshops in Palm Beach County and regularly review initiatives of neighboring cities to see how they can apply to our City.
