### **Recommended Action:**

Consider Ordinance No. 07-25, a privately initiated amendment to Section 4.4.21, "Community Facilities (CF) Zone District" of the Land Development Regulations to allow adaptive reuse of historic places of worship as a residential use by establishing it as a principal use category and to adopt regulations for the use, and by amending Appendix A - "Definitions" to adopt definitions Places of Worship and Historic Places of Worship.

### **Background:**

Ordinance No. 07-25 is a privately initiated amendment to Section 4.4.21, "Community Facilities (CF) Zone District" of the Land Development Regulations to allow adaptive reuse of historic places of worship as a residential use by establishing it as a principal use category and to adopt regulations for the use, and by amending Appendix A - "Definitions" to adopt definitions for "Places of Worship" and "Historic Places of Worship. The subject request relates to a contributing historic church structure on a 0.5021-acre property located at 200 SE 7<sup>th</sup> Avenue on the southeast corner of SE 2<sup>nd</sup> Street and SE 7<sup>th</sup> Avenue. The property has Community Facility (CF) land use and Community Facilities (CF) zoning, and is located within the Locally and Nationally Designated Marina Historic District. According to the Florida Master Site File (FMSF) Form, 200 SE 7<sup>th</sup> Avenue is an "excellent example of the classical revival style."

In 2024, the property owner requested a Land Use Map Amendment (LUMA) from Community Facility (CF) to Low Density (LD) a rezoning from Community Facilities (CF) to Single Family Residential (R-1-AA), to allow for the adaptive reuse as a single-family residence. The request was denied by the City Commission, who directed staff to evaluate alternative options to facilitate the desired adaptive reuse.

The subject request amends the Land Development Regulations (LDR) to allow adaptive reuse of historic places of worship as a residential use in CF zoning. The amendment was submitted in November 2024, along with a companion application to amend the comprehensive plan to allow residential adaptive reuse conversions of historic places of worship in CF land use.

These ordinances will not change the historic designation of any buildings and the provisions of 4.5.1 will still apply.

The Historic Preservation Board heard the request at its July 2, 2025 meeting and voted 5-0 to recommend approval.

On July 21, 2025 the Planning and Zoning Board heard the request and voted 5 to 1 to recommend approval.
