If you are a business owner in the CRA District and feel your brick-and-mortar location could use some improving, we'd love to help! Our Paint-Up & Signage Program was designed with you in mind, and as a way to help business owners ensure that their shop or business is as attractive on the outside as the business is on the inside. If you're interested in growing the physical aspect of your business but need some financial help to do so, we'd love to hear from you! We created the Site Development Assistance Program with the goal to help business owners with existing commercial properties within the CRA District to more comfortably afford improvements to their space. For those business owners who would like to update their business space, but don't know the first step to take, the Project Consultancy & Design Services Program is for you! The CRA recognized that many commercial buildings in the Northwest/Southwest Neighborhoods, as well as the West Atlantic Avenue corridor and the Osceola Park commercial areas suffered from both aging office spaces as well as a lack of investment for needed improvements.
