On October 19, 2019, under Resolution No. 129-19 the commission approved an agreement with Dev-Land Demolition & Site, Inc., for Lime Sludge Removal and Disposal, pursuant to Invitation to Bid Solicitation No. 2019-033. On August 16, 2022, the City Commission approved Amendment No. 1 authorizing a price adjustment and increasing the total contract value to \$2,070,750 through October 14, 2024. These additional services are needed when the existing equipment (i.e. vacuum filter, thickeners) are taken off-line for corrective and or preventative maintenance.
