(1) APPLICATION OF STATE LAW TO THIS AGREEMENT

2 C.F.R. §200.302 provides: "Each state must expend and account for the Federal award in accordance with state laws and procedures for expending and accounting for the state's own funds." ii. A provision dividing the agreement into quantifiable units of deliverables that must be received and accepted in writing by the Division before payment. Each deliverable must be directly related to the scope of work and specify the required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable.

(7) SCOPE OF WORK.

The Sub-Recipient shall perform the work in accordance with the Budget and Scope of Work, Attachments A and B of this Agreement.

(8) PERIOD OF AGREEMENT.

This Agreement shall begin **upon execution by both parties and will end March 31, 2023** unless terminated earlier in accordance with the provisions of Paragraph (17) of this Agreement. Consistent with the definition of "period of performance" contained in 2 C.F.R. §200.1, the term "period of agreement" refers to the time during which the Sub-Recipient "may incur new obligations to carry out the work authorized under" this Agreement. In accordance with 2 C.F.R. §200.1, the Sub-Recipient may receive reimbursement under this Agreement only for "allowable costs incurred during the period of performance." In accordance with section 215.971(1)(d), Florida Statutes, the Sub-Recipient may expend funds authorized by this Agreement "only for allowable costs resulting from obligations incurred during" the period of agreement.

(9) FUNDING

- a. This is a cost-reimbursement Agreement, subject to the availability of funds.
- b. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature, and subject to any modification in accordance with either Chapter 216, Florida Statutes, or the Florida Constitution.
- c. The Division will reimburse the Sub-Recipient only for allowable costs incurred by the Sub-Recipient in the successful completion of each deliverable. The maximum reimbursement amount for each deliverable is outlined in Attachment A and B of this Agreement ("Budget and Scope of Work"). The maximum reimbursement amount for the entirety of this Agreement is **\$107,700.00**.
- d. As required by 2 C.F.R. §200.415(a), any request for payment under this Agreement must include a certification, signed by an official who is authorized to legally bind the Sub-Recipient, which reads as follows: "By signing this report, I certify to the best of my knowledge and belief that the report is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of the Federal award. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise. (U.S. Code Title 18, Section 1001 and Title 31, Sections 3729-3730 and 3801-3812)."
- e. The Division will review any request for reimbursement by comparing the documentation provided by the Sub-Recipient against a performance measure, outlined in Attachment B, that clearly delineates:

- i. The required minimum acceptable level of service to be performed; and
- ii. The criteria for evaluating the successful completion of each deliverable.

f. The performance measure required by section 215.971(1)(b), Florida Statutes, remains consistent with the requirement for a “performance goal”, which is defined in 2 C.F.R. §200.1 as “a target level of performance expressed as a tangible, measurable objective, against which actual achievement can be compared.” It also remains consistent with the requirement, contained in 2 C.F.R. §200.329, that the Division and the Sub-Recipient “relate financial data to performance goals and objectives of the Federal award.”

g. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for overtime expenses in accordance with 2 C.F.R. §200.430 (“Compensation—personal services”) and 2 C.F.R. §200.431 (“Compensation—fringe benefits”). If the Sub-Recipient seeks reimbursement for overtime expenses for periods when no work is performed due to vacation, holiday, illness, failure of the employer to provide sufficient work, or other similar cause (see 29 U.S.C. §207(e)(2)), then the Division will treat the expense as a fringe benefit. 2 C.F.R. §200.431(a) defines fringe benefits as “allowances and services provided by employers to their employees as compensation in addition to regular salaries and wages.” Fringe benefits are allowable under this Agreement as long as the benefits are reasonable and are required by law, Sub-Recipient-employee agreement, or an established policy of the Sub-Recipient. 2 C.F.R. §200.431(b) provides that the cost of fringe benefits in the form of regular compensation paid to employees during periods of authorized absences from the job, such as for annual leave, family-related leave, sick leave, holidays, court leave, military leave, administrative leave, and other similar benefits, are allowable if all of the following criteria are met:

- i. They are provided under established written leave policies;
- ii. The costs are equitably allocated to all related activities, including Federal awards; and,

iii. The accounting basis (cash or accrual) selected for costing each type of leave is consistently followed by the non-Federal entity or specified grouping of employees.

h. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for travel expenses in accordance with 2 C.F.R. §200.475. As required by the Reference Guide for State Expenditures, reimbursement for travel must be in accordance with section 112.061, Florida Statutes, which includes submission of the claim on the approved state travel voucher. If the Sub-Recipient seeks reimbursement for travel costs that exceed the amounts stated in section 112.061(6)(b), Florida Statutes (\$6 for breakfast, \$11 for lunch, and \$19 for dinner), then the Sub-Recipient must provide documentation that:

- i. The costs are reasonable and do not exceed charges normally allowed by the Sub-Recipient in its regular operations as a result of the Sub-Recipient’s written travel policy; and,
- ii. Participation of the individual in the travel is necessary to the Federal award.

i. The Division's grant manager, as required by section 215.971(2)(c), Florida Statutes, shall reconcile and verify all funds received against all funds expended during the grant agreement period and produce a final reconciliation report. The final report must identify any funds paid in excess of the expenditures incurred by the Sub-Recipient.

j. As defined by 2 C.F.R. §200.1, the term "improper payment" means or includes:

i. Any payment that should not have been made or that was made in an incorrect amount (including overpayments and underpayments) under statutory, contractual, administrative, or other legally applicable requirements; and,

ii. Any payment to an ineligible party, any payment for an ineligible good or service, any duplicate payment, any payment for a good or service not received (except for such payments where authorized by law), any payment that does not account for credit for applicable discounts, and any payment where insufficient or lack of documentation prevents a reviewer from discerning whether a payment was proper.

k. Any advance payment under this Agreement is subject to section 216.181(16), Florida Statutes. The amount of advanced funds may not exceed the expected cash needs of Sub-recipient within the first ninety (90) days of the term of this Agreement. If an advance payment is requested, the budget data on which the request is based, and a justification statement shall be included with this Agreement as indicated in Attachment E, Justification of Advance Payment. Attachment E must specify the amount of advance disbursement requested and provide an explanation of the necessity for and proposed use of the funds.

(10)RECORDS

a. As required by 2 C.F.R. §200.337, the Federal awarding agency, Inspectors General, the Comptroller General of the United States, and the Division, or any of their authorized representatives, shall enjoy the right of access to any documents, papers, or other records of the Sub-Recipient which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents. Finally, the right of access is not limited to the required retention period but lasts as long as the records are retained.

b. As required by sections 20.055(6)(c) and 215.97(5)(b), Florida Statutes, the Division, the Chief Inspector General of the State of Florida, the Florida Auditor General, or any of their authorized representatives, shall enjoy the right of access to any documents, financial statements, papers, or other records of the Sub-Recipient which are pertinent to this Agreement, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents.

c. As required by Florida Department of State's record retention requirements (Chapter 119, Florida Statutes) and by 2 C.F.R. §200.334, the Sub-Recipient shall retain sufficient records to show its compliance with the terms of this Agreement, as well as the compliance of all subcontractors or

consultants paid from funds under this Agreement, for a period of five (5) years from the date of submission of the final expenditure report. The following are the only exceptions to the five (5) year requirement:

i. If any litigation, claim, or audit is started before the expiration of the 5-year period, then the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.

ii. When the Division or the Sub-Recipient is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period.

iii. Records for real property and equipment acquired with Federal funds must be retained for 5 years after final disposition.

iv. When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 5-year retention requirement is not applicable to the Sub-Recipient.

v. Records for program income transactions after the period of performance. In some cases, recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned.

vi. Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

d. In accordance with 2 C.F.R. §200.335, the Federal awarding agency must request transfer of certain records to its custody from the Division or the Sub-Recipient when it determines that the records possess long-term retention value.

e. In accordance with 2 C.F.R. §200.336, the Division must always provide or accept paper versions of Agreement information to and from the Sub-Recipient upon request. If paper copies are submitted, then the Division must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.

f. As required by 2 C.F.R. §200.303(e), the Sub-Recipient shall take reasonable measures to safeguard protected personally identifiable information and other information the Federal awarding agency or the Division designates as sensitive or the Sub-Recipient considers sensitive consistent with applicable Federal, state, local, and tribal laws regarding privacy and obligations of confidentiality.

g. Florida's Government in the Sunshine Law (Section 286.011, Florida Statutes) provides the citizens of Florida with a right of access to governmental proceedings and mandates three, basic requirements: (1) meetings of public boards or commissions must be open to the public; (2) reasonable notice of such meetings must be given; and, (3) minutes of the meetings must be taken and promptly recorded. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the open government requirements. However, the Government in the Sunshine Law applies to private entities that provide services to governmental agencies and that act on behalf of those agencies in the agencies' performance of their public duties. If a public agency delegates the performance of its public purpose to a private entity, then, to the extent that private entity is performing that public purpose, the Government in the Sunshine Law applies. For example, if a volunteer fire department provides firefighting services to a governmental entity and uses facilities and equipment purchased with public funds, then the Government in the Sunshine Law applies to board of directors for that volunteer fire department. Thus, to the extent that the Government in the Sunshine Law applies to the Sub-Recipient based upon the funds provided under this Agreement, the meetings of the Sub-Recipient's governing board or the meetings of any subcommittee making recommendations to the governing board may be subject to open government requirements. These meetings shall be publicly noticed, open to the public, and the minutes of all the meetings shall be public records, available to the public in accordance with chapter 119, Florida Statutes.

h. Florida's Public Records Law provides a right of access to the records of the state and local governments as well as to private entities acting on their behalf. Unless specifically exempted from disclosure by the Legislature, all materials made or received by a governmental agency (or a private entity acting on behalf of such an agency) in conjunction with official business which are used to perpetuate, communicate, or formalize knowledge qualify as public records subject to public inspection. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the public record requirements. However, when a public entity delegates a public function to a private entity, the records generated by the private entity's performance of that duty become public records. Thus, the nature and scope of the services provided by a private entity determine whether that entity is acting on behalf of a public agency and is therefore subject to the requirements of Florida's Public Records Law.

i. The Sub-Recipient shall maintain all records for the Sub-Recipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives of the Budget and Scope of Work - Attachment A and B - and all other applicable laws and regulations.

- b. In accounting for the receipt and expenditure of funds under this Agreement, the Sub-Recipient shall follow Generally Accepted Accounting Principles ("GAAP"). - d. If an audit shows that all or any portion of the funds disbursed were not spent in accordance with the conditions of this Agreement, the Sub-Recipient shall be held liable for reimbursement to the Division of all funds not spent in accordance with these applicable regulations and Agreement provisions within thirty days after the Division has notified the Sub-Recipient of such non-compliance.
- e. The Sub-Recipient shall have all audits completed by an independent auditor, which is defined in section 215.97(2)(i), Florida Statutes, as "an independent certified public accountant licensed under chapter 473." The independent auditor shall state that the audit complied with the applicable provisions noted above. The audit must be received by the Division no later than nine months from the end of the Sub-Recipient's fiscal year.
- f. The Sub-Recipient shall send copies of reporting packages for audits conducted in accordance with 2 C.F.R. Part 200, by or on behalf of the Sub-Recipient, to the Division at the following address:

(12)REPORTS

a. Consistent with 2 C.F.R. §200.328, the Sub-Recipient shall provide the Division with quarterly reports and a close-out report. These reports shall include the current status and progress by the Sub-Recipient and all subcontractors in completing the work described in the Scope of Work and the expenditure of funds under this Agreement, in addition to any other information requested by the Division.

b. Quarterly reports are due to the Division no later than thirty (30) days after the end of each quarter of the program year and shall be sent each quarter until submission of the close-out report. The ending dates for each quarter of the program year are March 31, June 30, September 30, and December 31.

c. The close-out report is due 60 days after termination of this Agreement or 30 days after completion of the activities contained in this Agreement, whichever first occurs.

d. If all required reports and copies are not sent to the Division or are not completed in a manner acceptable to the Division, then the Division may withhold further payments until they are completed or may take other action as stated in Paragraph (16) REMEDIES. "Acceptable to the Division" means that the work product was completed in accordance with the Budget and Scope of Work.

e. The Sub-Recipient shall provide additional program updates or information that may be required by the Division.

f. The Sub-Recipient shall provide additional reports and information identified in Attachment B.

(13)MONITORING.

a. The Sub-Recipient shall monitor its performance under this Agreement, as well as that of its subcontractors and/or consultants who are paid from funds provided under this Agreement, to ensure that time schedules are being met, the Schedule of Deliverables and Scope of Work are being accomplished within the specified time periods, and other performance goals are being achieved. A review shall be done for each function or activity in Attachment B to this Agreement and reported in the quarterly report.

b. In addition to reviews of audits, monitoring procedures may include, but not be limited to, On-site visits by Division staff, limited scope audits, and/or other procedures. The Sub-Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Division. In the event that the Division determines that a limited scope audit of the Sub-Recipient is appropriate, the Sub-Recipient agrees to comply with any additional instructions provided by the Division to the Sub-Recipient regarding such audit. The Sub-Recipient further agrees to comply and cooperate

with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Division will monitor the performance and financial management by the Sub-Recipient throughout the contract term to ensure timely completion of all tasks.

(14)LIABILITY

a. Unless Sub-Recipient is a State agency or subdivision, as defined in section 768.28(2), Florida Statutes, the Sub-Recipient is solely responsible to parties it deals with in carrying out the terms of this Agreement; as authorized by section 768.28(19), Florida Statutes, Sub-Recipient shall hold the Division harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. For purposes of this Agreement, Sub-Recipient agrees that it is not an employee or agent of the Division but is an independent contractor.

b. As required by section 768.28(19), Florida Statutes, any Sub-Recipient which is a state agency or subdivision, as defined in section 768.28(2), Florida Statutes, agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the Division, and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in Section 768.28, Florida Statutes. Nothing herein is intended to serve as a waiver of sovereign immunity by any Sub-Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(15)DEFAULT

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall terminate and the Division has the option to exercise any of its remedies set forth in Paragraph (16); however, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment if:

a. Any warranty or representation made by the Sub-Recipient in this Agreement or any previous agreement with the Division is or becomes false or misleading in any respect, or if the Sub-Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

b. Material adverse changes occur in the financial condition of the Sub-Recipient at any time during the term of this Agreement, and the Sub-Recipient fails to cure this adverse change within thirty days from the date written notice is sent by the Division;

c. Any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information; or,

d. The Sub-Recipient has failed to perform and complete on time any of its obligations under this Agreement.

(16) REMEDIES

If an Event of Default occurs, then the Division shall, after thirty calendar days written notice to the Sub-Recipient and upon the Sub-Recipient's failure to cure within those thirty days, exercise any one or more of the following remedies, either concurrently or consecutively:

- a. Terminate this Agreement, provided that the Sub-Recipient is given at least thirty days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (3) herein;
 - b. Begin an appropriate legal or equitable action to enforce performance of this Agreement;
 - c. Withhold or suspend payment of all or any part of a request for payment;
 - d. Require that the Sub-Recipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.
 - e. Exercise any corrective or remedial actions, to include but not be limited to:
 - i. Request additional information from the Sub-Recipient to determine the reasons for or the extent of non-compliance or lack of performance,
 - ii. Issue a written warning to advise that more serious measures may be taken if the situation is not corrected,
 - iii. Advise the Sub-Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or
 - iv. Require the Sub-Recipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;
 - f. The Division may Administratively close an Agreement. The Division may use the administrative close-out process when a Sub-Recipient is not responsive to reasonable efforts to collect required reports needed to complete the standard close-out process. The Division will make three written attempts to collect required reports before initiating administrative close-out. In addition, if an agreement is administratively closed, the Division may decide to impose remedies for noncompliance per 2 C.F.R. § 200.339, consider this information in reviewing future award applications, or apply special conditions to existing or future awards. If the Division needs to administratively close an agreement, this may negatively impact a Sub-Recipient's ability to obtain future funding.
 - g. Exercise any other rights or remedies which may be available under law.
- Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in this Agreement or fails to insist on strict performance by the Sub-Recipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Sub-Recipient.

(17)TERMINATION

a. The Division may terminate this Agreement for cause after thirty days (30) written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Sub-Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under chapter 119, Florida Statutes, as amended.

b. The Division may terminate this Agreement for cause after rejecting an appeal submitted due to noncompliance, nonactivity, and/or a lack of expenditures for four (4) consecutive quarterly reporting periods.

c. The Division may terminate this Agreement for convenience or when it determines, in its sole discretion, that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Sub-Recipient with thirty calendar days prior written notice.

d. The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.

e. In the event that this Agreement is terminated, the Sub-Recipient will not incur new obligations for the terminated portion of the Agreement after the Sub-Recipient has received the notification of termination. The Sub-Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Sub-Recipient shall not be relieved of liability to the Division because of any breach of Agreement by the Sub-Recipient. The Division may, to the extent authorized by law, withhold payments to the Sub-Recipient for the purpose of set-off until the exact amount of damages due the Division from the Sub-Recipient is determined.

(18)PROCUREMENT

a. The Sub-Recipient shall ensure that any procurement involving funds authorized by the Agreement complies with all applicable federal and state laws and regulations, to include 2 C.F.R. §§200.318 through 200.327 as well as Appendix II to 2 C.F.R. Part 200 (entitled "Contract Provisions for Non-Federal Entity Contracts Under Federal Awards").

b. As required by 2 C.F.R. §200.318(i), the Sub-Recipient shall "maintain records sufficient to detail the history of procurement. These records will include but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price."

c. As required by 2 C.F.R. §200.318(b), the Sub-Recipient shall "maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders." In order to demonstrate compliance with this requirement, the Sub-Recipient shall document, in its quarterly report to the Division, the progress of any and all subcontractors performing work under this Agreement.

d. Except for procurements by micro-purchases pursuant to 2 C.F.R. §200.320(a)(1) or procurements by small purchase procedures pursuant to 2 C.F.R. §200.320(a)(2), if the Sub-Recipient chooses to subcontract any of the work required under this Agreement, then the Sub-Recipient shall forward to the Division a copy of any solicitation (whether competitive or non-competitive) at least ten (10) days prior to the publication or communication of the solicitation. The Division shall review the solicitation and provide comments, if any, to the Sub-Recipient within seven (7) business days. Consistent with 2 C.F.R. §200.325, the Division will review the solicitation for compliance with the procurement standards outlined in 2 C.F.R. §§200.318 through 200.327 as well as Appendix II to 2 C.F.R. Part 200. Consistent with 2 C.F.R. §200.318(k), the Division will not substitute its judgment for that of the Sub-Recipient. While the Sub-Recipient does not need the approval of the Division in order to publish a competitive solicitation, this review may allow the Division to identify deficiencies in the vendor requirements or in the commodity or service specifications. The Division's review and comments shall not constitute an approval of the solicitation. Regardless of the Division's review, the Sub-Recipient remains bound by all applicable laws, regulations, and agreement terms. If during its review the Division identifies any deficiencies, then the Division shall communicate those deficiencies to the Sub-Recipient as quickly as possible within the seven (7) business day window outlined above. If the Sub-Recipient publishes a competitive solicitation after receiving comments from the Division that the solicitation is deficient, then the Division may:

- i. Terminate this Agreement in accordance with the provisions outlined in paragraph (17) above; and,
- ii. Refuse to reimburse the Sub-Recipient for any costs associated with that solicitation.

e. Except for procurements by micro-purchases pursuant to 2 C.F.R. §200.320(a)(1) or procurements by small purchase procedures pursuant to 2 C.F.R. §200.320(a)(2), if the Sub-Recipient chooses to subcontract any of the work required under this Agreement, then the Sub-Recipient shall forward to the Division a copy of any contemplated contract prior to contract execution. The Division shall review the unexecuted contract and provide comments, if any, to the Sub-Recipient within seven (7) business days. Consistent with 2 C.F.R. §200.325, the Division will review the unexecuted contract for compliance with the procurement standards outlined in 2 C.F.R. §§200.318 through 200.327 as well as Appendix II to 2 C.F.R. Part 200. Consistent with 2 C.F.R. §200.318(k), the Division will not substitute its judgment for that of the Sub-Recipient. While the Sub-Recipient does not need the approval of the Division in order to execute a subcontract, this review may allow the Division to identify deficiencies in the terms and conditions of the subcontract as well as deficiencies in the procurement process that led to the subcontract. The Division's review and comments shall not constitute an approval of the subcontract. Regardless of the Division's review, the Sub-Recipient remains bound by all applicable laws, regulations, and agreement terms. If during its review the Division identifies any deficiencies, then the Division shall communicate those deficiencies to the Sub-Recipient as quickly as possible within the seven (7) business

day window outlined above. If the Sub-Recipient executes a subcontract after receiving a communication from the Division that the subcontract is non-compliant, then the Division may:

- i. Terminate this Agreement in accordance with the provisions outlined in paragraph (17) above; and,
- ii. Refuse to reimburse the Sub-Recipient for any costs associated with that subcontract.

f. The Sub-Recipient agrees to include in the subcontract that (i) the subcontractor is bound by the terms of this Agreement, (ii) the subcontractor is bound by all applicable state and federal laws and regulations, and (iii) the subcontractor shall hold the Division and Sub-Recipient harmless against all claims of whatever nature arising out of the subcontractor's performance of work under this Agreement, to the extent allowed and required by law. effected

g. As required by 2 C.F.R. §200.318(c)(1), the Sub-Recipient shall “maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts.”

h. As required by 2 C.F.R. §200.319(b) contractors that develop or draft specifications, requirements, statements of work, or invitations for bids or requests for proposals must be excluded from competing for such procurements. The Sub-Recipient or pass-thru entity must disclose to the Division, in writing, any real or potential conflict of interest that may arise during the administration of the federal award, as defined by federal statutes or regulations, or their own existing policies, within five (5) days of learning of the conflict of interest. “Conflict of interest” is considered as any situation where an employee, officer, or agent, any members of his or her immediate family, or his or her partner has a close personal relationship, business relationship, or professional relationship, with a recipient or subrecipient.

i. As required by 2 C.F.R. §200.319(a), the Sub-Recipient shall conduct any procurement under this agreement “in a manner providing full and open competition.” Accordingly, the Sub-Recipient shall not:

- i. Place unreasonable requirements on firms in order for them to qualify to do business;
- ii. Require unnecessary experience or excessive bonding;
- iii. Use noncompetitive pricing practices between firms or between affiliated companies;
- iv. Execute noncompetitive contracts to consultants that are on retainer contracts;
- v. Authorize, condone, or ignore organizational conflicts of interest;
- vi. Specify only a brand name product without allowing vendors to offer an equivalent;

- vii. Specify a brand name product instead of describing the performance, specifications, or other relevant requirements that pertain to the commodity or service solicited by the procurement;
- viii. Engage in any arbitrary action during the procurement process; or,
- ix. Allow a vendor to bid on a contract if that bidder was involved with developing or drafting the specifications, requirements, statement of work, invitation to bid, or request for proposals.
- j. “[E]xcept in those cases where applicable Federal statutes expressly mandate or encourage” otherwise, the Sub-Recipient, as required by 2 C.F.R. §200.319(c), shall not use a geographic preference when procuring commodities or services under this Agreement.
- k. The Sub-Recipient shall conduct any procurement involving invitations to bid (i.e. sealed bids) in accordance with 2 C.F.R. §200.320(b)(1) as well as section 287.057(1)(a), Florida Statutes.
- l. The Sub-Recipient shall conduct any procurement involving requests for proposals (i.e. competitive proposals) in accordance with 2 C.F.R. §200.320(b)(2) as well as section 287.057(1)(b), Florida Statutes.
- m. For each subcontract, the Sub-Recipient shall provide information to the Division as to whether that subcontractor is a minority business enterprise, as defined in Section 288.703, Florida Statutes on the required Procurement Method Report (Form 5). Additionally, the Sub-Recipient shall comply with the requirements of 2 C.F.R. §200.321 (“Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms”).
- n. FEMA has developed helpful resources for Sub-Recipients using federal grant funds for procurements. These resources are generally available at <https://www.fema.gov/grants/procurement>. FEMA periodically updates this resource page so please check back for the latest information. While not all the provisions discussed in the resources are applicable to this subgrant agreement, the Sub-Recipient may find these resources helpful when drafting its solicitation and contract for compliance with the Federal procurement standards outlined in 2 C.F.R. §§200.318 through 200.327 as well as Appendix II to 2 C.F.R. Part 200.

(22)MANDATED CONDITIONS

a. The validity of this Agreement is subject to the truth and accuracy of all the information, representations, and materials submitted or provided by the Sub-Recipient in this Agreement, in any later submission or response to a Division request, or in any submission or response to fulfill the requirements of this Agreement. All of said information, representations, and materials are incorporated by reference. The inaccuracy of the submissions or any material changes shall, at the option of the Division and with thirty days written notice to the Sub-Recipient, cause the termination of this Agreement and the release of the Division from all its obligations to the Sub-Recipient.

b. This Agreement shall be construed under the laws of the State of Florida, and venue for any actions arising out of this Agreement shall be in the Circuit Court of Leon County. If any provision of this Agreement is in conflict with any applicable statute or rule, or is unenforceable, then the provision shall be null and void to the extent of the conflict, and shall be severable, but shall not invalidate any other provision of this Agreement.

c. Any power of approval or disapproval granted to the Division under the terms of this Agreement shall survive the term of this Agreement.

d. The Sub-Recipient agrees to comply with the Americans With Disabilities Act (Public Law 101-336, 42 U.S.C. Section 12101 et seq.), which prohibits discrimination by public and private entities on the basis of disability in employment, public accommodations, transportation, State and local government services, and telecommunications.

e. Those who have been placed on the convicted vendor list following a conviction for a public entity crime or on the discriminatory vendor list may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with a public entity, and may not transact business with any public entity in

excess of \$25,000.00 for a period of 36 months from the date of being placed on the convicted vendor list or on the discriminatory vendor list.

j. If the Sub-Recipient is allowed to temporarily invest any advances of funds under this Agreement, any interest income shall either be returned to the Division or be applied against the Division's obligation to pay the contract amount.

k. The State of Florida will not intentionally award publicly funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324a(e) [Section 274A(e) of the Immigration and Nationality Act ("INA")]. The Division shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Sub-Recipient of the employment provisions

contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this Agreement by the Division.

l. Section 287.05805, Florida Statutes, requires that any state funds provided for the purchase of or improvements to real property are contingent upon the contractor or political subdivision granting to the state a security interest in the property at least to the amount of state funds provided for at least 5 years from the date of purchase or the completion of the improvements or as further required by law.

m. Unless preempted by federal law, the Division may, at its option, terminate the Contract if the Contractor is found to have submitted a false certification as provided under section 287.135(5), F.S., or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or been engaged in business operations in Cuba or Syria, or to have been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel.

ii. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan or cooperative agreement, the Sub-Recipient shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities."

iii. The Sub-Recipient shall require that this certification be included in the award documents for all subawards (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all Sub-Recipients shall certify and disclose.

Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

EXCEPT AS PROVIDED BELOW, ANY AND ALL PATENT RIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY RESERVED TO THE STATE OF FLORIDA; AND, ANY AND ALL COPYRIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY TRANSFERRED BY THE SUB-RECIPIENT TO THE STATE OF FLORIDA.

a. If the Sub-Recipient has a pre-existing patent or copyright, the Sub-Recipient shall retain all rights and entitlements to that pre-existing patent or copyright unless the Agreement provides otherwise.

b. If any discovery or invention is developed in the course of or as a result of work or services performed under this Agreement, or in any way connected with it, the Sub-Recipient shall refer the discovery or invention to the Division for a determination whether the State of Florida will seek patent protection in its name. Any patent rights accruing under or in connection with the performance of this Agreement are reserved to the State of Florida. If any books, manuals, films, or other copyrightable material are produced, the Sub-Recipient shall notify the Division. The Sub-Recipient shall retain all rights and entitlements to any pre-existing intellectual property which is disclosed. Failure to disclose will indicate that no such property exists. The Division shall then, under Paragraph (24) b., have the right to all patents and copyrights which accrue during performance of the Agreement.

d. If the Sub-Recipient qualifies as a state university under Florida law, then, pursuant to section 1004.23, Florida Statutes, any invention conceived exclusively by the employees of the Sub-Recipient shall become the sole property of the Sub-Recipient. In the case of joint inventions, that is inventions made jointly by one or more employees of both parties hereto, each party shall have an equal,

undivided interest in and to such joint inventions. The Division shall retain a perpetual, irrevocable, fully-paid, nonexclusive license, for its use and the use of its contractors of any resulting patented, copyrighted or trademarked work products, developed solely by the Sub-Recipient, under this Agreement, for Florida government purposes.

(25)LEGAL AUTHORIZATION

The Sub-Recipient certifies that it has the legal authority to receive the funds under this Agreement and that its governing body has authorized the execution and acceptance of this Agreement. The Sub-Recipient also certifies that the undersigned person has the authority to legally execute and bind Sub-Recipient to the terms of this Agreement.

(26)EQUAL OPPORTUNITY EMPLOYMENT

a. In accordance with 41 C.F.R. §60-1.4(b), the Sub-Recipient hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause:

During the performance of this contract, the contractor agrees as follows:

i. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

ii. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

iii. The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job

functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

iv. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

v. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

vi. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

vii. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

viii. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States.

b. The Sub-Recipient further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, that if the applicant so participating is a State or local government, the above equal

opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

c. The Sub-Recipient agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

d. The Sub-Recipient further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive order. In addition, the Sub-Recipient agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the Sub-Recipient under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such Sub-Recipient; and refer the case to the Department of Justice for appropriate legal proceedings.

(27) COPELAND ANTI-KICKBACK ACT

The Sub-Recipient hereby agrees that, unless exempt under Federal law, it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, the following clause:

i. Contractor. The contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

ii. Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

iii. Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

(28) CONTRACT WORK HOURS AND SAFETY STANDARDS

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds \$100,000 and involves the employment of mechanics or laborers, then any such contract

must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation.

(29) CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds \$150,000, then any such contract must include the following provision:

Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387) and will report violations to FEMA and the Regional Office of the Environmental Protection Agency (EPA).

(30) SUSPENSION AND DEBARMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following provisions:

- i. This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).
- ii. The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.
- iii. This certification is a material representation of fact relied upon by the Division. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Division, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
- iv. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

(31)BYRD ANTI-LOBBYING AMENDMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following clause:

Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended). Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

If the Sub-Recipient enters into a contract with a subcontractor for an award of \$100,000 or more, the subcontractor shall sign Attachment M – Certification Regarding Lobbying.

(32) CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

a. If the Sub-Recipient, with the funds authorized by this Agreement, seeks to procure goods or services, then, in accordance with 2 C.F.R. §200.321, the Sub-Recipient shall take the following affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible:

- i. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- ii. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- iii. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
- iv. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
- v. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
- vi. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs i. through v. of this subparagraph.

b. The requirement outlined in subparagraph a. above, sometimes referred to as "socioeconomic contracting," does not impose an obligation to set aside either the solicitation or award of a contract to these types of firms. Rather, the requirement only imposes an obligation to carry out and document the six affirmative steps identified above.

c. The “socioeconomic contracting” requirement outlines the affirmative steps that the Sub-Recipient must take; the requirements do not preclude the Sub-Recipient from undertaking additional steps to involve small and minority businesses and women's business enterprises.

d. The requirement to divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women’s business enterprises, does not authorize the Sub-Recipient to break a single project down into smaller components in order to circumvent the micro-purchase or small purchase thresholds so as to utilize streamlined acquisition procedures (e.g. “project splitting”).

(33) ASSURANCES

Operational Overtime Costs. In support of efforts to enhance capabilities for detecting, deterring, disrupting, and preventing acts of terrorism and other catastrophic events, operational overtime costs are allowable for increased protective security measures at critical infrastructure sites or other high-risk locations and to enhance public safety during mass gatherings and high-profile events. In that regard, HSGP Sub-Recipients are urged to consider using grant funding to support soft target preparedness activities. HSGP or UASI funds may be used to support select operational expenses associated with increased security measures in the authorized categories cited below:

The SAA must submit operational overtime requests in writing to its assigned FEMA Program Analyst (PA). FEMA will consider requests for special event activities up to one year in advance. However, such requests must be within the award's current period of performance and must not result in the need for a request to extend the period of performance.
- All operational overtime requests must clearly explain how the request meets the criteria of one or more of the categories listed above. Requests must address the threat environment as it relates to the event or activity requiring operational overtime support and explain how the overtime activity is responsive to the threat.
- Post-event operational overtime requests will only be considered on a case-by-case basis, where it is demonstrated that exigent circumstances prevented submission of a request in advance of the event or activity.
- Under no circumstances may DHS/FEMA grant funding be used to pay for costs already supported by funding from another federal source.
- States with UASI jurisdictions can use funds retained at the state level to reimburse eligible operational overtime expenses incurred by the state (per the above guidance limitations). Any UASI funds retained by the state must be used in direct support of the high-risk urban area. States must provide documentation to the UAWG and DHS/FEMA upon request demonstrating how any UASI funds retained by a state would directly support the high-risk urban area.
- FEMA will consult and coordinate with appropriate DHS components as necessary to verify information used to support operational overtime requests.

Personnel Costs (HSGP and UASI)

Personnel hiring, overtime, and backfill expenses are permitted under this grant to perform allowable HSGP planning, training, exercise, and equipment activities. Personnel may include but are not limited to training and exercise coordinators, program managers for activities directly associated with HSGP and UASI funded activities, intelligence analysts, and Statewide interoperability coordinators (SWIC).

Sub-Recipients should refer to **Information Bulletin No. 421b**, Clarification on the Personnel Reimbursement for Intelligence Cooperation and Enhancement of Homeland Security Act of 2008 (Public Law 110-412 – the PRICE Act), October 30, 2019. HSGP funds may not be used to support the hiring of any personnel to fulfil traditional public health and safety duties nor to supplant traditional public health and safety positions and responsibilities.

The following definitions apply to personnel costs:

- **Hiring.** State and local entities may use grant funding to cover the salary of newly hired personnel who are exclusively undertaking allowable DHS/FEMA grant activities as specified in this guidance. This may not include new personnel who are hired to fulfill any non-

DHS/FEMA program activities under any circumstances. Hiring will always result in a net increase of Full Time Equivalent (FTE) employees.

- **Overtime.** These expenses are limited to the additional costs that result from personnel working over and above 40 hours of weekly work time as the direct result of their performance of DHS/FEMA-approved activities specified in this guidance. Overtime associated with any other activity is not eligible.
- **Backfill-Related Overtime.** Also called “Overtime as Backfill,” these expenses are limited to overtime costs that result from personnel who are working overtime (as identified above) to perform the duties of other personnel who are temporarily assigned to DHS/FEMA-approved activities outside their core responsibilities. Neither overtime nor backfill expenses are the result of an increase of FTE employees.
- **Supplanting.** Grant funds will be used to supplement existing funds and will not replace (supplant) funds that have been appropriated for the same purpose. Applicants or recipients may be required to supply documentation certifying that a reduction in non-federal resources occurred for reasons other than the receipt or expected receipt of federal funds.

Organization (OPSG)

Personnel Costs: OPSG funds may be used for domestic travel and per diem, including costs associated with the deployment/redeployment of personnel to border areas and for travel associated with law enforcement entities assisting other local jurisdictions in law enforcement activities (travel costs must be in accordance with applicable travel regulations).

Up to 50 percent of an OPSG award may be used to pay for all personnel costs (only to the extent that such expenses are for the allowable activities within the scope of the grant). At the request of a recipient or Sub-Recipient, the FEMA Administrator (or designee) may waive the 50 percent personnel cap. Waiver decisions are at the discretion of the FEMA Administrator and will be considered on a case-by-case basis. Further, changes in scope or objective also require FEMA’s prior written approval pursuant to 2 C.F.R. § 200.308(c)(1)(i). A formal OPSG personnel waiver request should:

- Be on official letterhead, include a written justification, and be signed by the local jurisdiction.
- Include a budget and method of calculation of personnel costs both in the percentage of the grant award and in total dollar amount, reflecting the change in scope or objective to the project.
- Include an approved Operations Order from the USBP Sector office that supports the local jurisdiction’s written justification.
- Be coordinated with the USBP Sector, SAA, and the DHS/CBP Office of the Border Patrol (OBP).

As with all OPSG personnel costs, OPSG grant funds will be used to supplement existing funds and will not replace (supplant) funds that have been appropriated for the same purpose. Applicants or recipients may be required to supply documentation certifying that a reduction in non-federal resources occurred for reasons other than the receipt or expected receipt of federal funds.

Operational Overtime Costs. OPSG funds should be used for operational overtime costs associated with law enforcement activities in support of border law enforcement agencies for increased border security enhancement. Overtime pay is for enhanced patrol for certified public safety officers, along limited support for other law enforcement direct support personnel (e.g., Communication Officers/Dispatchers, non-sworn patrol pilots, etc.). Overtime shall be reimbursed consistent with the non-federal entity’s overtime policy and the requirements as stated below:

- Overtime is time worked that exceeds the required number of hours during an employee’s designated shift.
- Overtime must be worked to increase patrol capacity and be in support of identified and approved USBP border security operations.

- The OPSG overtime hourly rate of pay will be no more than the approved overtime rate per local law and policy and must be in accordance with applicable State and Federal regulations.
- All overtime expenses under OPSG must be reasonable for the services rendered and conform to the non-federal entity's established written policy, which must apply to both federally funded and non-federally funded activities and comply with the other applicable requirements under 2 C.F.R. §§ 200.430-200.431.
- The non-federal entity may not utilize OPSG funding to pay for an employee's overtime hours or pay that exceeds 16 hours worked in any 24-hour period.

Temporary or Term Appointments

- Sub-Recipients may utilize temporary or term appointments to augment the law enforcement presence on the borders. However, applying funds toward hiring full-time or permanent sworn public safety officers is unallowable.
- OPSG-funded temporary or term appointments may not exceed the approved period of performance.
 - For OPSG purposes, temporary appointments are non-status appointments for less than one year.
 - For OPSG purposes, term appointments are non-status appointments for one year, extendable for one year as necessary.
- OPSG funding for temporary or term appointments may pay for salary only. Benefits are not allowable expenses for term or temporary employees.
- OPSG remains a non-hiring program. Appropriate uses of temporary or term appointments include:
 - To carry out specific enforcement operations work for ongoing OPSG-funded patrols throughout the Sector Area of Operation;
 - To staff operations of limited duration; such as OPSG-enhanced enforcement patrols targeting specific locations or criminal activity; and,
 - To fill OPSG positions in activities undergoing transition or personnel shortages and local backfill policies (medical/military deployments).
- OPSG term and temporary appointments must have all necessary certifications and training to enforce state and local laws. OPSG funds will not be used to train or certify term or temporary appointments except as otherwise stated in the OPSG section of the Preparedness Grants Manual and the HSGP NOFO.
- In addition to these terms Sub-Recipients must follow their own applicable policies and procedures regarding temporary or term appointments.

Unallowable Costs (OPSG)

OPSG unallowable costs include costs associated with evidence collection, arrest processing, prosecution, and Traffic/DUI checkpoints, such as evidence documentation cameras, fingerprinting supplies, alcohol breathalyzers, portable work lights, traffic barricades, and similar law enforcement expenses. Additional unallowable costs also include costs associated with staffing and general IT computing equipment and hardware, such as personal computers, faxes, copy machines, modems, etc. OPSG is not intended as a hiring program. Therefore, applying funds toward hiring full-time or permanent sworn public safety officers is unallowable. OPSG funding shall not be used to supplant inherent routine patrols and law enforcement operations or activities not directly related to providing enhanced coordination between local and federal law enforcement agencies. Finally, construction and/or renovation costs, and exercise expenses are prohibited under OPSG.

C. Allowable Exercise Related Costs

Exercises conducted with grant funding should be managed and conducted consistent with HSEEP. HSEEP guidance for exercise design, development, conduct, evaluation, and improvement planning is located at <https://www.fema.gov/emergency-managers/national-preparedness/exercises/hseep>.

- Design, Develop, Conduct, and Evaluate an Exercise
- Full or part-time staff or contractors/consultants
- Exercise Planning Workshop
- Full- or part-time staff or contractors/consultants
- Overtime and backfill costs, including expenses for part-time and volunteer emergency response personnel participating in DHS/FEMA exercise
- Implementation of HSEEP
- Activities to achieve exercises inclusive of people with disabilities and others with access and functional needs
- Travel
- Supplies associated with allowable approved exercises
- Interoperable communications exercises

Additional Exercise Information

Sub-Recipients that decide to use HSGP funds to conduct an exercise(s) are encouraged to complete a progressive exercise series. Exercises conducted by states and high risk urban areas may be used to fulfill similar exercise requirements required by other grant programs. Sub-Recipients are encouraged to invite representatives/planners involved with other Federally mandated or private exercise activities. States and high risk urban areas are encouraged to share, at a minimum, the multi-year training and exercise schedule with those departments, agencies, and organizations included in the plan.

- **Validating Capabilities.** Exercises examine and validate capabilities-based planning across the Prevention, Protection, Mitigation, Response, and Recovery mission areas. The extensive engagement of the whole community, including but not limited to examining the needs and requirements for individuals with disabilities, individuals with limited English proficiency, and others with access and functional needs, is essential to the development of an effective and comprehensive exercise program. Exercises are designed to be progressive – increasing in scope and complexity and drawing upon results and outcomes from prior exercises and real-world incidents – to challenge participating communities. Consistent with Homeland Security Exercise and Evaluation Program guidance and tools, the National Exercise Program (NEP) serves as the principal exercise mechanism for examining national preparedness and measuring readiness. Exercises should align with priorities and capabilities identified in a multi-year TEP.
- **Special Event Planning.** If a state or Urban Area will be hosting a special event (e.g., Super Bowl, G-8 Summit), the special event planning should be considered as a training or exercise activity for the purpose of the multi-year TEP. States must include all confirmed or planned special events in the Multi-year TEP. The state or Urban Area may plan to use HSGP or UASI funding to finance training and exercise activities in preparation for those events. States and Urban Areas should also consider exercises at major venues (e.g., arenas, convention centers) that focus on evacuations, communications, and command and control.
- **Regional Exercises.** States should also anticipate participating in at least one Regional Exercise annually. States must include all confirmed or planned special events in the Multi-year TEP.
- **Role of Non-Governmental Entities in Exercises.** Non-governmental participation in all levels of exercises is strongly encouraged. Leaders from non-governmental entities should be included in the planning, design, and evaluation of an exercise. State, local, Tribal, and territorial jurisdictions are encouraged to develop exercises that test the integration and use of non-governmental resources provided by non-governmental entities, defined as the private sector and private non-profit, faith-based, community, participation in exercises should be coordinated with the local Citizen Corps Council(s) or their equivalent and other partner agencies.

FDEM State Training Office conditions for Exercises: For the purposes of this Agreement, any exercise which is compliant with HSEEP standards and contained in the State of Florida (and County or Regional) MYTEP qualifies as an authorized exercise. The Sub-Recipient can successfully complete an authorized exercise either by attending or conducting that exercise.

- In order to receive payment for successfully attending an authorized exercise, the Sub-Recipient must provide the Division with a certificate of completion or similar correspondence signed by the individual in charge of the exercise; additionally, the Sub-Recipient must provide the Division with all receipts that document the costs incurred by the Sub-Recipient in order to attend the exercise.
- In order to receive payment for successfully conducting an authorized exercise, the Sub-Recipient must provide the Division with an ExPLAN, AAR/IP, IPC/MPC/FPC Meeting Minutes and Sign-in Sheet for exercise attendees; additionally, the Sub-Recipient must provide the Division with all receipts that document the costs incurred by the Sub-Recipient in order to conduct the exercise. *The Sub-Recipient must include with the reimbursement package a separate copy of the page(s) from the Exercise Plan which identifies the participant agencies and a printed page(s) from the State (and County or Regional) MYTEP reflecting the exercise.*
- If you require food/water for this event, request must come to the Division within 25 days prior to the event, in the following format:

Exercise Title:
Location:
Exercise Date:
Exercise Schedule:
Estimated Number of Participants that will be fed:
Estimated Cost for food/water:
Description of the Exercise:

D. Allowable Training Related Costs (SHGP and UASI)

Allowable training-related costs under HSGP include the establishment, support, conduct, and attendance of training specifically identified under the HSGP and UASI programs and/or in conjunction with emergency preparedness training by other Federal agencies (e.g., HHS and DOT). Training conducted using HSGP funds should address a performance gap identified through an AAR/IP or other assessments (e.g., National Emergency Communications Plan NECP Goal Assessments) and contribute to building a capability that will be evaluated through a formal exercise. Any training or training gaps, including those for children, older adults, pregnant women, and individuals with disabilities and others who also have access or functional needs, should be identified in the AAR/IP and addressed in the state or Urban Area training cycle. Sub-Recipients are encouraged to use existing training rather than developing new courses. When developing new courses, Sub-Recipients are encouraged to apply the Analysis, Design, Development, Implementation and Evaluation (ADDIE) model of instructional design.

- Overtime and backfill for emergency preparedness and response personnel attending DHS/FEMA-sponsored and approved training classes
- Overtime and backfill expenses for part-time and volunteer emergency response personnel participating in DHS/FEMA training
- Training workshops and conferences
- Activities to achieve training inclusive of people with disabilities and others with access and functional needs and limited English proficiency
- Full- or part-time staff or contractors/consultants
- Travel

- Supplies associated with allowable approved training that are expended or consumed during the course of the planning and conduct of the exercise project(s)
- Instructor certification/re-certification
- Coordination with Citizen Corps Councils in conducting training exercises
- Interoperable communications training
- Activities to achieve planning inclusive of people with limited English proficiency
- Immigration enforcement training

Additional Training Information

Per DHS/FEMA Grant Programs Directorate Policy [IB 432](#), *Review and Approval Requirements for Training Courses Funded Through Preparedness Grants*, issued on July 19, 2018, states, territories, Tribal entities and high-risk urban areas are no longer required to request approval from FEMA for personnel to attend non-DHS FEMA training as long as the training is coordinated with and approved by the state, territory, Tribal or high-risk urban area Training Point of Contact (TPOC) and falls within the FEMA mission scope and the jurisdiction's Emergency Operations Plan (EOP). The only exception to this policy is for Countering Violent Extremism courses. DHS/FEMA will conduct periodic reviews of all state, territory, and Urban Area training funded by DHS/FEMA. These reviews may include requests for all course materials and physical observation of, or participation in, the funded training. If these reviews determine that courses are outside the scope of this guidance, Sub-Recipients will be asked to repay grant funds expended in support of those efforts.

For further information on developing courses using the instructional design methodology and tools that can facilitate the process, SAAs and TPOCs are encouraged to review the [NTED Responder Training Development Center \(RTDC\)](#) website.

DHS/FEMA Provided Training. These trainings include programs or courses developed for and delivered by institutions and organizations funded by DHS/FEMA. This includes the Center for Domestic Preparedness (CDP), the Emergency Management Institute (EMI), and the National Training and Education Division's (NTED) Training Partner Programs (TPP). TPP includes the Center for Homeland Defense and Security, National Domestic Preparedness Consortium (NDPC), Rural Domestic Preparedness Consortium (RDPC), and training partners through the Continuing Training Grants program.

Approved State and Federal Sponsored Course Catalogue. This catalogue lists state and Federal sponsored courses that fall within the DHS/FEMA mission scope and have been approved through the FEMA course review and approval process. An updated version of this catalog can be accessed at: www.firstrespondertraining.gov.

Training Not Provided by DHS/FEMA. These trainings include courses that are either state sponsored or Federal sponsored (non-DHS/FEMA), coordinated and approved by the SAA or their designated TPOC, and fall within the DHS/FEMA mission scope to prepare state, local, Tribal, and territorial personnel to prevent, protect against, mitigate, respond to, and recover from acts of terrorism or catastrophic events.

- **State Sponsored Courses.** These courses are developed for and/or delivered by institutions or organizations other than Federal entities or FEMA and are sponsored by the SAA or their designated TPOC.
- **Joint Training and Exercises with the Public and Private Sectors.** These courses are sponsored and coordinated by private sector entities to enhance public-private partnerships for training personnel to prevent, protect against, mitigate, respond to, and recover from acts of terrorism or catastrophic events. In addition, States, territories, Tribes, and Urban Areas are encouraged to incorporate the private sector in government-sponsored training and exercises.

Additional information on both DHS/FEMA provided training and other federal and state training can be found at: www.firstrespondertraining.gov.

Training Information Reporting System (“Web-Forms”). Web-Forms is an electronic form/data management system built to assist the SAA and its designated State, territory and Tribal Training Point of Contact (TPOC). Reporting training activities through Web-Forms is not required under FY 2021 HSGP, however, the system remains available and can be accessed through the FEMA Toolkit located at <https://www.firstrespondertraining.gov/frt/> in order to support grantees in their own tracking of training deliveries.

FDEM State Training Office Conditions: For the purposes of this Agreement, any training course listed on the DHS approved course catalog qualifies as an authorized course. The Sub-Recipient can successfully complete an authorized course either by attending or conducting that course.

- In order to receive payment for successfully attending an authorized training course, the Sub-Recipient must provide the Division with a certificate of course completion; additionally, the Sub-Recipient must provide the Division with all receipts that document the costs incurred by the Sub-Recipient in order to attend the course.
- In order to receive payment for successfully conducting an authorized course, the Sub-Recipient must provide the Division with the course materials and a roster sign-in sheet; additionally, the Sub-Recipient must provide the Division with all receipts that document the costs incurred by the Sub-Recipient in order to conduct the course.”
- For courses that are non-DHS approved training, Sub-Recipient must request approval to conduct training through the use of the Non-TED Form and provide a copy, along with email, showing approval granted for conduct.
- For the conduct of training workshops, Sub-Recipient must provide a copy of the course materials and sign-in sheets.
- The number of participants must be a minimum of 15 in order to justify the cost of holding a course. For questions regarding adequate number of participants please contact the FDEM State Training Officer for course specific guidance. Unless the Sub-Recipient receives advance written approval from the State Training Officer for the number of participants, then the Division will reduce the amount authorized for reimbursement on a pro-rata basis for any training with less than 15 participants.
- The Sub-Recipient must include with the reimbursement package a separate copy of the page(s) from the State (and County or Regional) MYTEP reflecting the training.

E. Allowable Equipment Related Costs (SHGP and UASI)

The 21 allowable prevention, protection, mitigation, response, and recovery equipment categories for HSGP are listed on the Authorized Equipment List (AEL). The AEL is available at <https://www.fema.gov/authorized-equipment-list>. Some equipment items require prior approval from DHS/FEMA before obligation or purchase of the items. Please reference the grant notes for each equipment item to ensure prior approval is not required or to ensure prior approval is obtained if necessary. Unless otherwise stated, all equipment must meet all mandatory regulatory and/or DHS/FEMA-adopted standards to be eligible for purchase using these funds. In addition, recipients will be responsible for obtaining and maintaining all necessary certifications and licenses for the requested equipment.

Grant funds may be used for the procurement of medical countermeasures. Procurement of medical countermeasures must be conducted in collaboration with State/city/local health departments who

administer Federal funds from HHS for this purpose. Procurement must have a sound threat-based justification with an aim to reduce the consequences of mass casualty incidents during the first crucial hours of a response. Prior to procuring pharmaceuticals, grantees must have in place an inventory management plan to avoid large periodic variations in supplies due to coinciding purchase and expiration dates. Grantees are encouraged to enter into rotational procurement agreements with vendors and distributors. Purchases of pharmaceuticals must include a budget for the disposal of expired drugs within each fiscal year's period of performance for HSGP. The cost of disposal cannot be carried over to another FEMA grant or grant period.

The equipment, goods, and supplies ("the eligible equipment") purchased with funds provided under this agreement are for the purposes specified in "Florida's Domestic Security Strategy". Equipment purchased with these funds will be utilized in the event of emergencies, including, but not limited to, terrorism-related hazards. The Sub-Recipient shall place the equipment throughout the State of Florida in such a manner that, in the event of an emergency, the equipment can be deployed on the scene of the emergency or be available for use at a fixed location within two (2) hours of a request for said deployment. The Florida Division of Emergency Management (FDEM) must approve any purchases of equipment not itemized in a project's approved budget in advance of the purchase.

The Sub-Recipient will, in accordance with the statewide mutual aid agreement or other emergency response purpose as specified in the "Florida Domestic Security Strategy," ensure that all equipment purchased with these funds is used to respond to any and all incidents within its regional response area as applicable for so long as this Agreement remains in effect. Prior to requesting a response, the FDEM will take prudent and appropriate action to determine that the level or intensity of the incident is such that the specialized equipment and resources are necessary to mitigate the outcome of the incident.

Allowable Equipment (OPSG)

OPSG equipment is intended to be incidental to the enhanced border security operations being performed. The grant is not intended to be used to outfit or supply general equipment to SLTT law enforcement agencies. Equipment must be relatable to and justified by the operational benefit it will provide.

- **Equipment Marking.** Because equipment purchased with OPSG funding is intended to be used to support OPSG activities, it may be appropriately marked to ensure its ready identification and primary use for that purpose. When practicable, any equipment purchased with OPSG funding should be prominently marked as follows:

"Purchased with DHS funds for Operation Stonegarden Use"

- **Fuel Cost and/or Mileage Reimbursement.** There is no cap for reimbursement of fuel and mileage costs in support of operational activities.
- **Vehicle and Equipment Acquisition, Including Leasing and Rentals:** Allowable purchases under OPSG include patrol vehicles and other mission-specific equipment whose primary purpose is to increase operational capabilities on or near a border nexus in support of approved border security operations. A detailed justification must be submitted to the respective FEMA HQ Program Analyst prior to purchase.
- **Medical Emergency Countermeasures:** Allowable purchases under OPSG include narcotic antagonist pharmaceuticals, detection and identification equipment, safe storage and transportation, personnel protective equipment, and initial equipment training, as will be reflected in the AEL and explained in IB 438.

F. Unallowable Costs (HSGP, UASI and OPSG)

- Per FEMA policy, the purchase of weapons and weapons accessories, including ammunition, is not allowed with HSGP funds.
- Grant funds may not be used for the purchase of equipment not approved by DHS/FEMA. Grant funds must comply with **IB 426** and may not be used for the purchase of the following equipment: firearms; ammunition; grenade launchers; bayonets; or weaponized aircraft, vessels, or vehicles of any kind with weapons installed.
- Unauthorized exercise-related costs include:
 - o Reimbursement for the maintenance or wear and tear costs of general use vehicles (e.g., construction vehicles), medical supplies, and emergency response apparatus (e.g., fire trucks, ambulances).
 - o Equipment that is purchased for permanent installation and/or use, beyond the scope of the conclusion of the exercise (e.g., electronic messaging sign).

G. Regional Border Projects (OPSG)

Subrecipients are encouraged to prioritize the acquisition and development of regional projects on the borders to maximize interoperability and coordination capabilities among federal agencies and with state, local, and tribal law enforcement partners. Such regional projects include:

- Communications equipment:
- Radio systems and repeaters
- Integration with regional intelligence and information sharing effort (i.e. fusion centers)
 - o Intelligence analysts
- Situational Awareness equipment:
 - o License Plate Reader Networks
 - o Visual detection and surveillance systems
 - o Sensor Systems
 - o Radar Systems (for air and/or marine incursions)
 - o Aircraft systems (manned or unmanned)

H. Critical Emergency Supplies (SHSP and UASI)

Critical emergency supplies, such as shelf stable products, water, and medical equipment and supplies are an allowable expense under SHSP and UASI. Prior to the allocation of grant funds for stockpiling purposes, each state must have DHS/FEMA's approval of a five-year viable inventory management plan, which should include a distribution strategy and related sustainment costs if planned grant expenditure is over \$100,000.00.

If grant expenditures exceed the minimum threshold, the five-year inventory management plan will be developed by the recipient and monitored by FEMA. FEMA will provide program oversight and technical assistance as it relates to the purchase of critical emergency supplies under UASI. FEMA will establish guidelines and requirements for the purchase of these supplies under UASI and monitor development and status of the state's inventory management plan.

I. Construction and Renovation (SHSP and UASI)

Project construction using SHSP and UASI funds may not exceed the greater of \$1,000,000 or 15% of the grant award. For the purposes of the limitations on funding levels, communications towers are not considered construction.

Written approval must be provided by DHS/FEMA prior to the use of any HSGP funds for construction or renovation. When applying for construction funds, recipients must submit evidence of approved zoning ordinances, architectural plans, and any other locally required planning permits. Additionally, recipients are required to submit a SF-424C form with budget detail citing the project costs.

Recipients using funds for construction projects must comply with the Davis-Bacon Act (codified as amended at 40 U.S.C. §§ 3141 et seq.). Recipients must ensure that their contractors or

subcontractors for construction projects pay workers no less than the prevailing wages for laborers and mechanics employed on projects of a character like the contract work in the civil subdivision of the State in which the work is to be performed. Additional information regarding compliance with the Davis-Bacon Act, including Department of Labor (DOL) wage determinations, is available online at <https://www.dol.gov/whd/govcontracts/dbra.htm>.

J. Communications Towers

When applying for funds to construct communication towers, subrecipients must submit evidence that the Federal Communication Commission's Section 106 of the National Historic Preservation Act, Pub. L. No. 89-665, as amended, review process has been completed.

K. Disposition

When original or replacement equipment acquired under a Federal award is no longer needed for the original project or program or for other activities currently or previously supported by a Federal awarding agency, except as otherwise provided in Federal statutes, regulations, or Federal awarding agency disposition instructions, the Sub-Recipient must request disposition instructions from FDEM Office of Domestic Preparedness and the State Administrative Agency will request disposition instructions from Federal awarding agency as required by the terms and conditions of the Federal award. The Sub-Recipient shall notify the FDEM Office of Domestic Preparedness at: 2555 Shumard Oak Blvd., Tallahassee, Florida 32399 one (1) year in advance of the expiration of the equipment's posted shelf-life or normal life expectancy or when it has been expended. The Sub-Recipient shall notify the FDEM immediately if the equipment is destroyed, lost, or stolen.

L. Requirements for Small Unmanned Aircraft System (SHSP, UASI, and OPSG)

All requests to purchase Small Unmanned Aircraft Systems (SUAS) with FEMA grant funding must comply with **IB 426 and IB 438** and include a description of the policies and procedures in place to safeguard individuals' privacy, civil rights, and civil liberties of the jurisdiction that will purchase, take title to or otherwise use the SUAS equipment.

M. Acquisition and Use of Technology to Mitigate UAS (Counter-UAS)

Prior to the testing, acquisition, installation, or use of UAS detection and/or mitigation systems, entities should seek the advice of counsel experienced with both federal and state criminal, surveillance, and communications laws. Subrecipients should conduct their own legal and technical analysis of each UAS detection and/or mitigation system and should not rely solely on vendors' representations of the systems' legality or functionality. For further information please see the DHS press release on this topic: <https://www.dhs.gov/news/2020/08/17/interagency-issues-advisory-use-technology-detect-and-mitigate-unmanned-aircraft>.

N. FirstNet

FirstNet provides public safety entities with mission-critical broadband data capabilities and services including, but not limited to messaging, image sharing, video streaming, group text, voice, data storage, application, location-based services, and Quality of Service, Priority, and Preemption. Public safety entities seeking to enhance their operational capabilities using broadband technology may seek grant funding from appropriate programs to support the following:

- Planning for integration of information technology (IT) infrastructure, software, and site upgrades necessary to connect to FirstNet
- Handheld broadband devices including smartphones, feature phones, tablets, wearables, push-to-talk (PTT) devices
- Vehicle-mounted or otherwise field operated data devices, such as ruggedized laptops
- Network access devices, including portable Wi-Fi devices, Universal Serial Bus (USB) modems/dongles, trunk-mounted modems, routers
- Customer-Owned and Managed (COAM) broadband deployable equipment, enabling public safety to own and dispatch coverage expansion or capacity enhancement equipment within their jurisdiction

- Broadband device accessories that enable efficient and safe public safety operations such as headsets, belt clips, earpieces, remote Bluetooth sensors, ruggedized cases
- Subscriber Identification Modules (SIMs)/Universal Integrated Circuit Cards (UICCs) to allow public safety users to update existing devices to operate on public safety prioritized services
- One-time purchase and subscription-based applications for public safety use which could include, among several other options, enterprise mobility management (EMM), mobile device management (MDM), mobile Virtual Private Network (VPN), identity services, or cloud service tools

Sub-Recipients must be coordinated with the Statewide Interoperability Coordinator (SWIC) and FirstNet on the planning, deployment timelines, and operational availability of the network deployment within a specific state or territory and to ensure that project does not conflict with network planning efforts and complies with all technical requirements. FirstNet requires participating agencies to demonstrate a subscription to public safety-prioritized broadband services to purchase FirstNet broadband devices or applications. FEMA Information Bulletin (IB) #386 has been rescinded by prior NOFOs and remains rescinded as the technical requirements and nationwide network architecture has been developed, and FirstNet is operational. Subrecipients, however, must coordinate with FirstNet in advance of any strategic acquisition of broadband LTE equipment to ensure that purchases adhere to all applicable standards for public safety entities.

O. SAFECOM

Emergency communications systems and equipment must meet applicable [SAFECOM Guidance](#). Sub-Recipients must be coordinated with the SWIC and the State Interoperability Governing Body (SIGB) to ensure interoperability and long-term compatibility.

P. Cybersecurity

Sub-Recipients must use HSGP funds for cybersecurity projects that support the security and functioning of critical infrastructure and core capabilities as they relate to terrorism preparedness and may simultaneously support enhanced preparedness for other hazards unrelated to acts of terrorism.

Q. Law Enforcement Readiness (SHSP, UASI, and OPSG)

OPSG grant funds may be used to increase operational, material, and technological readiness of SLTT law enforcement agencies. The Delegation of Immigration Authority, Section 287(g) of the Immigration and Nationality Act (INA) program allows a state or local law enforcement entity to enter into a partnership with ICE, under a joint Memorandum of Agreement (MOA), to receive delegated authority for immigration enforcement within their jurisdictions. SHSP, UASI, or OPSG grant funds may be requested and may be approved on a case-by-case basis for immigration enforcement training in support of the border security mission. Requests for training will be evaluated on a case-by-case basis and can only be used for certification in the section 287(g) program provided by DHS/ICE. SHSP, UASI, or OPSG Sub-Recipients with agreements under section 287(g) of the Immigration and Nationality Act (8 U.S.C. § 1357(g)) to receive delegated authority for immigration enforcement within their jurisdictions may also be reimbursed for section 287(g) related operational activities with approval from FEMA on a case-by-case basis. For OPSG, Sub-Recipients must be authorized by USBP Headquarters and Sectors, and operational activities must be coordinated through a USBP Sector.

R. Maintenance and Sustainment (SHSP, UASI, and OPSG)

The use of DHS/FEMA preparedness grant funds for maintenance contracts, warranties, repair or replacement costs, upgrades, and user fees are allowable, as described in FEMA Policy FP 205-402-125-1 under all active and future grant awards, unless otherwise noted. Except for maintenance plans or extended warranties purchased incidental to the original purchase of the equipment, the period covered by maintenance or warranty plan must not exceed the POP of the specific grant funds used to purchase the plan or warranty.

Grant funds are intended to support the Goal by funding projects that build and sustain the core capabilities necessary to prevent, protect against, mitigate the effects of, respond to, and recover from those threats that pose the greatest risk to the security of the Nation. In order to provide recipients the ability to meet this objective, the policy set forth in FEMA's IB 379, Guidance to State Administrative Agencies to Expedite the Expenditure of Certain DHS/FEMA Grant Funding, initially for FY 2007-2011, allows for the expansion of eligible maintenance and sustainment costs which must be in (1) direct support of existing capabilities; (2) must be an otherwise allowable expenditure under the applicable grant program; (3) be tied to one of the core capabilities in the five mission areas contained within the Goal, and (4) shareable through the Emergency Management Assistance Compact. Additionally, eligible costs may also be in support of equipment, training, and critical resources that have previously been purchased with either federal grant or any other source of funding other than DHS/FEMA preparedness grant program dollars.

S. Management and Administration (M&A) (HSGP & UASI)

Management and administration (M&A) activities are those directly relating to the management and administration of HSGP funds, such as financial management and monitoring. Sub-Recipients awarded M&A costs under this agreement can retain a maximum of up to 5% of their total agreement award amount for M&A costs.

Allowable M&A activities include:

- Hiring of full-time or part-time staff or contractors/consultants:
 - To assist with the management of the respective grant program.
 - To assist with application requirements.
 - To assist with compliance reporting and data collection requirements.

Management and Administration (M&A) (OPSG)

Management and administration (M&A) activities are those directly relating to the management and administration of OPSG funds, such as financial management and monitoring. Recipients may retain up to 2.5% of the overall OPSG allocation prior to passing-through funding to Sub-Recipients. This funding must be deducted in an equal percentage from each Sub-Recipient. Sub-Recipients and friendly forces may retain funding for M&A purposes; however, the total amount retained cannot exceed 5 percent of the Sub-Recipient's subaward. Friendly forces are local law enforcement entities that are subordinate Sub-Recipients under OPSG. In other words, friendly forces are entities that receive a subaward from a Sub-Recipient under the OPSG program. Friendly forces must comply with all requirements of Sub-Recipients under 2 C.F.R. Part 200.

T. Procurement

All procurement transactions will be conducted in a manner providing full and open competition and shall comply with the standards articulated in:

- 2 C.F.R. Part 200;
- Chapter 287, Florida Statutes; and,
- Subrecipient's local procurement policy.

To the extent that one standard is more stringent than another, the Sub-Recipient must follow the more stringent standard. For example, if a State statute imposes a stricter requirement than a Federal regulation, then the Sub-Recipient must adhere to the requirements of the State statute.

The Division shall pre-approve all scopes of work for projects funded under this agreement. Additionally, the Sub-Recipient shall not execute a piggy-back contract unless their local written policy allows for piggybacking, and the Division has approved the Scope of Work contained in the original contract that forms the basis for the piggy-back contract. Also, in order to receive reimbursement from the Division, the Sub-Recipient must provide the Division with a suspension and debarment form

for each vendor that performed work under the agreement. Furthermore, if requested by the Division, the Sub-Recipient shall provide copies of solicitation documents including responses and justification of vendor selection.

Contracts may include:

State Term Contract: A **State Term Contract** is a contract that is competitively procured by the Division of State Purchasing for selected products and services for use by agencies and eligible users. Florida agencies and eligible users may use a request for quote to obtain written pricing or services information from a state term contract vendor for commodities or contractual services available on a state term contract from that vendor. Use of state term contracts is mandatory for Florida agencies in accordance with section 287.056, Florida Statutes.

Alternate Contract Source: An **Alternate Contract Source** is a contract let by a federal, state, or local government that has been approved by the Department of Management Services, based on a determination that the contract is cost-effective and in the best interest of the state, for use by one or all Florida agencies for purchases, without the requirement of competitive procurement. Alternate contract sources are authorized by subsection 287.042(16), Florida Statutes, as implemented by Rule 60A-1.045, Florida Administrative Code.

General Services Administration Schedules: The General Services Administration (GSA) is an independent agency of the United States Government. States, tribes, and local governments, and any instrumentality thereof (such as local education agencies or institutions of higher education) may participate in the GSA Cooperative Purchasing Program.). **Refer to the appropriate GSA Schedule for additional requirements.**

U. Piggybacking

The practice of procurement by one agency using the agreement of another agency is called piggybacking. The ability to piggyback onto an existing contract is not unlimited. The Subrecipient's written procurement policy must be submitted to the SAA and must allow for piggybacking. The existing contract must contain language or other legal authority authorizing third parties to make purchases from the contract with the vendor's consent. The terms and conditions of the new contract, including the Scope of Work, must be substantially the same as those of the existing contract. The piggyback contract may not exceed the existing contract in scope or volume of goods or services. An agency may not use the preexisting contract merely as a "basis to begin negotiations" for a broader or materially different contract.

Section 215.971, Florida Statutes

Statutory changes enacted by the Legislature impose additional requirements on grant and Sub-Recipient agreements funded with Federal or State financial assistance. In pertinent part, Section 215.971(1) states:

An agency agreement that provides state financial assistance to a Recipient or Sub-Recipient, as those terms are defined in s. 215.97, or that provides federal financial assistance to a Sub-Recipient, as defined by applicable United States Office of Management and Budget circulars, must include all of the following:

- A provision specifying a Scope of Work that clearly establishes the tasks that the Recipient or Sub-Recipient is required to perform.
- A provision dividing the agreement into quantifiable units of deliverables that must be received and accepted in writing by the agency before payment. Each deliverable must be directly related to the Scope of Work and specify the required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable.

- A provision specifying the financial consequences that apply if the Recipient or Sub-Recipient fails to perform the minimum level of service required by the agreement. The provision can be excluded from the agreement only if financial consequences are prohibited by the federal agency awarding the grant. Funds refunded to a state agency from a Recipient or Sub-Recipient for failure to perform as required under the agreement may be expended only in direct support of the program from which the agreement originated.
- A provision specifying that a Recipient or Sub-Recipient of federal or state financial assistance may expend funds only for allowable costs resulting from obligations incurred during the specified agreement period.
- A provision specifying that any balance of unobligated funds which has been advanced or paid must be refunded to the state agency.
- A provision specifying that any funds paid in excess of the amount to which the Recipient or Sub-Recipient is entitled under the terms and conditions of the agreement must be refunded to the state agency.
- Any additional information required pursuant to s. 215.97.

V. Unique Entity Identifier and System for Award Management (SAM)

Sub-Recipients for this award must:

- Be registered in SAM;
- Provide a valid DUNS number; and
- Continue to maintain an active SAM registration with current information at all times during which it has an active federal award.

W. Reporting Requirements

1. Quarterly Programmatic Reporting:

The Quarterly Programmatic Report is due within thirty (30) days after the end of the reporting periods (March 31, June 30, September 30, and December 31) for the life of this contract.

- If a report(s) is delinquent, future financial reimbursements will be withheld until the Sub-Recipient's reporting is current.
- If a report goes three (3) consecutive quarters from date of execution without the Sub-Recipient reflecting any activity and/or expenditures it will result in the issuance of a noncompliance letter, and a written justification must then be provided.
 - Based on the SAA's determination, the Sub-recipient will have 30 days to submit a letter of appeal to the SAA/HSA.
 - Subrecipients will only be allowed one opportunity to appeal.
 - If the appeal is denied, or if there is no response to the notification of noncompliance, the Sub-recipient's funds will be terminated.
- If a report goes four (4) consecutive quarters from date of execution without the Sub-Recipient reflecting any activity and/or expenditures it will result in termination of the agreement.

Programmatic Reporting Schedule

Reporting Period	Report due to FDEM no later than
January 1 through March 31	April 30
April 1 through June 30	July 31
July 1 through September 30	October 31
October 1 through December 31	January 31

2. Programmatic Reporting- Biannual Strategic Implementation Report (BSIR):

After the end of each reporting period, for the life of the contract unless directed otherwise, the SAA, will complete the Biannual Strategic Implementation Report in the Grants Reporting Tool (GRT) <https://www.reporting.odp.dhs.gov>. The reporting periods are **January 1-June 30 and July 1-December 31**. Data entry is scheduled for December 1 and June 1 respectively. Future awards and reimbursement may be withheld if these reports are delinquent.

3. Reimbursement Requests:

A request for reimbursement may be sent to your grant manager for review and approval at any time during the contract period. Reimbursements must be requested within ninety (90) calendar days of expenditure of funds, and quarterly at a minimum. Failure to submit request for reimbursement within ninety (90) calendar days of expenditure shall result in denial of reimbursement. The Sub-Recipient should include the category's corresponding line item number in the "Detail of Claims" form. This number can be found in the "Proposed Program Budget". A line item number is to be included for every dollar amount listed in the "Detail of Claims" form.

4. Close-out Programmatic Reporting:

The Close-out Report is due to the Florida Division of Emergency Management no later than sixty (60) calendar days after the agreement is either completed or the agreement has expired.

5. Administrative Closeout

An administrative closeout may be conducted when a recipient is not responsive to the Division's reasonable efforts to collect required reports, forms, or other documentation needed to complete the standard award and/or closeout process. FDEM will make three written attempts to collect required information before initiating an administrative closeout. If an award is administratively closed, FDEM may decide to impose remedies for noncompliance per 2 C.F.R. § 200.338, consider this information in reviewing future award applications, or apply special conditions to existing or future awards.

X. Period of Performance (POP) Extensions

Extensions to the period of performance identified in the agreement are allowable under limited circumstances and will only be considered through formal, written requests to the SAA. All extension requests must contain specific and compelling justifications as to why an extension is required, and must address the following:

1. The grant program, fiscal year, and agreement number;
2. Reason for the delay—including details of the legal, policy, or operational challenges that prevent the final expenditure of awarded funds by the deadline;
3. Current status of project activity;
4. Requested POP termination date and new project completion date;
5. Amount of funds reimbursed to date;

6. Remaining available funds;
7. Budget outlining how the remaining funds will be expended;
8. Plan for completion, including milestones and timeframes for achieving each milestone and the position or person responsible for implementing the plan for completion; and
9. Certification that the activity(ies) will be completed within the extended POP without any modification to the original statement of work, as described in the investment justification and as approved by FEMA.

Extension requests are typically granted for no more than a six-month period, and will be granted only due to compelling legal, policy, or operational challenges. Extension requests will only be considered for the following reasons:

- Contractual commitments by the recipient or subrecipient with vendors prevent completion of the project within the existing POP;
- The project must undergo a complex environmental review that cannot be completed within the existing POP;
- Projects are long-term by design, and therefore acceleration would compromise core programmatic goals; or
- Where other special or extenuating circumstances exist.

STATEMENT OF ASSURANCES

All of the instructions, guidance, limitations, and other conditions set forth in the Notice of Funding Opportunity (NOFO) for this program are incorporated here by reference in the terms and conditions of your award. All Sub-Recipients must comply with any such requirements set forth in the program NOFO.

All Sub-Recipients who receive awards made under programs that prohibit supplanting by law must ensure that Federal funds do not replace (supplant) funds that have been budgeted for the same purpose through non-Federal sources.

All Sub-Recipients must acknowledge their use of federal funding when issuing statements, press releases, requests for proposals, bid invitations, and other documents describing projects or programs funded in whole or in part with Federal funds.

Any cost allocable to a particular Federal award provided for in 2 C.F.R. Part 200, Subpart E may not be charged to other Federal awards to overcome fund deficiencies, to avoid restrictions imposed by Federal statutes, regulations, or terms and conditions of the Federal awards, or for other reasons. However, this prohibition would not preclude a Sub-Recipient from shifting costs that are allowable under two or more Federal awards in accordance with existing Federal statutes, regulations, or the terms and conditions of the Federal award.

Sub-Recipients are required to comply with the requirements set forth in the government-wide Award Term regarding the System for Award Management and Universal Identifier Requirements located at 2 C.F.R. Part 25, Appendix A, the full text of which incorporated here by reference in the terms and conditions of your award.

All Sub-Recipients must acknowledge and agree to comply with applicable provisions governing DHS access to records, accounts, documents, information, facilities, and staff.

1. Sub-Recipient must cooperate with any compliance review or compliant investigation conducted by the State Administrative Agency or DHS.
2. Sub-Recipient will give the State Administrative Agency, DHS or through any authorized representative, access to and the right to examine and copy, records, accounts, and other documents and sources of information related to the federal financial assistance award and permit access to facilities, personnel, and other individuals and information as may be necessary, as required by DHS regulations and other applicable laws or program guidance.
3. Sub-Recipient must submit timely, complete, and accurate reports to the FDEM and maintain appropriate backup documentation to support the reports. Sub-Recipients must also comply with all other special reporting, data collection and evaluation requirements, as prescribed by law or detailed in program guidance.
4. Sub-Recipient will acknowledge their use of federal funding when issuing statements, press releases, requests for proposals, bid invitations, and other documents describing projects or programs funded in whole or in part with Federal funds.
5. Sub-Recipient who receives awards made under programs that provide emergency communications equipment and its related activities must comply with SAFECOM Guidance for Emergency Communications Grants, including provisions on technical standards that ensure and enhance interoperable communications.
6. When original or replacement equipment acquired under this award by the Sub-Recipient is no longer needed for the original project or program or for other activities currently or previously

supported by DHS/FEMA, you must request instructions from FDEM to make proper disposition of the equipment pursuant to 2 C.F.R. Section 200.313.

7. DHS/FEMA funded activities that may require an EHP review are subject to FEMA's Environmental Planning and Historic Preservation (EHP) review process. This review does not address all federal, state, and local requirements. Acceptance of federal funding requires recipient to comply with all federal, state, and local laws. Failure to obtain all appropriate federal, state, and local environmental permits and clearances may jeopardize federal funding. If ground disturbing activities occur during construction, applicant will monitor ground disturbance, and if any potential archeological resources are discovered, applicant will immediately cease work in that area and notify the pass-through entity, if applicable, and DHS/FEMA.
8. Sub-Recipient will comply with the applicable provisions of the following laws and policies prohibiting discrimination:
 - a. Title VI of the Civil Rights Act of 1964, as amended, which prohibits discrimination based on race, color, or national origin (including limited English proficiency).

MANDATORY CONTRACT PROVISIONS

Provisions:

Any contract or subcontract funded by this Agreement must contain the applicable provisions outlined in Appendix II to 2 C.F.R. Part 200. It is the responsibility of the sub-recipient to include the required provisions. The following is a list of sample provisions from Appendix II to 2 C.F.R. Part 200 that may be required:¹

Appendix II to Part 200—Contract Provisions for Non-Federal Entity
Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or Sub-recipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. § 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a

¹ For example, the Davis-Bacon Act is not applicable to other FEMA grant and cooperative agreement programs, including the Public Assistance Program or Hazard Mitigation Grant Program; however, sub-recipient may include the provision in its subcontracts.

standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 CFR § 401.2 (a) and the recipient or Sub-recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or Sub-recipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. §§ 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. §§ 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. §§ 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

FINANCIAL AND PROGRAM MONITORING GUIDELINES

Florida has enhanced state and local capability and capacity to prevent, prepare and respond to terrorist threats since 1999 through various funding sources including federal grant funds. The Florida Division of Emergency Management (FDEM) has a responsibility to track and monitor the status of grant activity and items purchased to ensure compliance with applicable Homeland Security Grant Program (HSGP) grant guidance and statutory regulations. The monitoring process is designed to assess a Sub-Recipient agency's compliance with applicable state and federal guidelines.

Monitoring is accomplished utilizing various methods including desk monitoring and on-site visits. There are two primary areas reviewed during monitoring activities - financial and programmatic monitoring. Financial monitoring primarily focuses on statutory and regulatory compliance with administrative grant requirements. It involves the review of records associated with the purchase and disposition of property, projects and contracts. Programmatic monitoring seeks to validate and assist in the grant progress, targeting issues that may be hindering project goals and ensuring compliance with the purpose of the grant and overall grant program. Programmatic monitoring involves the observation of equipment purchased, protocols and other associated records. Various levels of financial and programmatic review may be accomplished during the monitoring process.

Monitoring Selection and Scheduling:

Each year the FDEM will conduct monitoring based on a "Risk Assessment". The risk assessment tool is used to help in determining the priority of Sub-Recipients that should be reviewed and the level of monitoring that should be performed. It is important to note that although a given grant may be closed, it is still subject to either desk or on-site monitoring for a five (5) year period following closure.

Areas that will be examined include:

- Management and administrative procedures;
- Grant folder maintenance;
- Equipment accountability and sub-hand receipt procedures;
- Program for obsolescence;
- Status of equipment purchases;
- Status of training for purchased equipment;
- Status and number of response trainings conducted to include number trained;
- Status and number of exercises;
- Status of planning activity;
- Anticipated projected completion;
- Difficulties encountered in completing projects;
- Agency NIMS/ICS compliance documentation;
- Equal Employment Opportunity (EEO Status);
- Procurement Policy

FDEM may request additional monitoring/information of the activity, or lack thereof, generates questions from the region, the sponsoring agency or FDEM leadership. The method of gathering this information will be determined on a case-by-case basis.

Monitoring Activities:

Desk reviews and site visits are two forms of monitoring. Desk monitoring is the review of projects, financial activity and technical assistance between FDEM and the applicant via e-mail and telephone. On-site monitoring are actual visits to the Sub-Recipient agencies by Division representatives who examines records, procedures and equipment.

Desk monitoring is an on-going process. Sub-Recipients will be required to participate in desk top monitoring as determined by FDEM. This contact will provide an opportunity to identify the need for technical assistance (TA) and/or a site visit if FDEM determines that a Sub-Recipient is having difficulty completing their project.

As difficulties/deficiencies are identified, the respective region or sponsoring agency will be notified by the program office via email. Information will include the grant Sub-Recipient agency name, year and project description and the nature of the issue in question. Many of the issues that arise may be resolved at the regional or sponsoring agency level. Issues that require further TA will be referred to FDEM for assistance. Examples of TA include but are not limited to:

- Equipment selection or available vendors
- Eligibility of items or services
- Coordination and partnership with other agencies within or outside the region or discipline
- Record Keeping
- Reporting Requirements
- Documentation in support of a Request for Reimbursement

On-site monitoring will be conducted by FDEM or designated personnel. On-site monitoring visits will be scheduled in advance with the Sub-Recipient agency POC designated in the grant agreement.

FDEM will also conduct coordinated financial and grant file monitoring. Subject matter experts from other agencies within the region or state may be called upon to assist in the form of a peer review as needed.

On-Site Monitoring Protocol

On-site monitoring visits will begin with those grantees that are currently spending or have completed spending for that federal fiscal year (FFY). Site visits may be combined when geographically convenient. There is a financial/ programmatic On-site monitoring checklist to assist in the completion of all required tasks.

Site Visit Preparation

A letter will be sent to the Sub-Recipient agency Point of Contact (POC) outlining the date, time and purpose of the site visit before the planned arrival date. The appointment should be confirmed with the grantee in writing (email is acceptable) and documented in the grantee folder.

The physical location of any equipment located at an alternate site should be confirmed with a representative from that location and the address should be documented in the grantee folder before the site visit.

On-Site Monitoring Visit

Once FDEM personnel have arrived at the site, an orientation conference will be conducted.

During this time, the purpose of the site visit and the items FDEM intends to examine will be identified. All objectives of the site visit will be explained during this time.

FDEM personnel will review all files and supporting documentation. Once the supporting documentation has been reviewed, a tour/visual/spot inspection of equipment will be conducted.

Each item selected for review should be visually inspected whenever possible. Bigger items (computers, response vehicles, etc.) should have an asset decal (information/serial number) placed in a prominent location on each piece of equipment as per Sub-Recipient agency requirements. The serial number should correspond with the appropriate receipt to confirm

purchase. Photographs should be taken of the equipment (large capital expenditures in excess of \$1,000. per item).

If an item is not available (being used during time of the site visit), the appropriate documentation must be provided to account for that particular piece of equipment. Other programmatic issues can be discussed at this time, such as missing quarterly reports, payment voucher/reimbursement, equipment, questions, etc.

Post Monitoring Visit

FDEM personnel will review the On-site monitoring worksheets and backup documentation as a team and discuss the events of the On-site monitoring.

Within Forty-Five (45) calendar days of the site visit, a post monitoring letter will be generated and sent to the grantee explaining any issues and corrective actions required or commendations. Should issues or findings be identified, a noncompliance letter to that effect will be generated and sent to the Sub-Recipient. The Sub-Recipient will submit a Corrective Action Plan within a timeframe as determined by FDEM. Noncompliance on behalf of sub-grantees is resolved by management under the terms of the Sub-Grant Agreement.

The On-site monitoring report and all back up documentation will then be included in the Sub-Recipient's file.

Monitoring Responsibilities of Pass-thru Entities

Subrecipients who are pass-through entities are responsible for monitoring their subrecipients in a manner consistent with the terms of the federal award at 2 C.F.R. Part 200, including 2 C.F.R. § 200.331. This includes the pass-through entity's responsibility to monitor the activities of the subrecipient as necessary to ensure that the subaward is used for authorized purposes, in compliance with federal statutes, regulations, and the terms and conditions of the subaward; and that subaward performance goals are achieved.

Subrecipient responsibilities also include but are not limited to: accounting of receipts and expenditures, cash management, maintaining adequate financial records, reporting and refunding expenditures disallowed by audits, monitoring if acting as a pass-through entity, other assessments and reviews, and ensuring overall compliance with the terms and conditions of the award or subaward, as applicable, including the terms of 2 C.F.R. Part 200.
