RE: The Edge

To Whom It May Concern:

After reviewing the site plan for The Edge located at 605 NE 2nd St Delray Beach, Florida it appears that Waste Management will have no problem providing service for this location. The recommendation is to provide 7-96 gal totter carts for MSW to be serviced 2 times per week TBD. Carts will be staged by residents at the NE corner of property on service days (1 for each unit). Recycling will be provided with 18 gallon containers 1-blue (glass aluminum and plastics) and 1-yellow (cardboard and paper) one of each for all residents and will be serviced once a week. If you have any questions, I can be reached at (954)-439-4214.
