Interest & Experiences

List any certifications or licenses which may further qualify you to serve on a board or committee.

Engineer in Training (EIT) - a professional engineer prerequisite; Former Leadership in Energy & Environmental Design (LEED) - Accredited Professional for Building Design & Construction (Inactive) Former FINRA Series 63 & 79 (Inactive)

Briefly describe why you wish to serve as a member of a board or committee and how your personal experience and background relate:

I would wish to serve to draw on both my professional and academic background to help build a better Delray. As someone whose career spans both technical (sustainable engineering for commercial buildings) and financial (development of new, large infrastructure projects) experience, I believe that I can offer a unique and differentiated perspective to any board that I would be considered for. I have also been a member of the Board of Adjustments since Feb 2024 and have never missed a meeting.

List any other community/civic involvement which you would like the Commission to consider:

In addition to my current appointment on the Delray Beach Board of Adjustment, I have also volunteered with the Catholic Charities as a junior board member and, before that, have volunteered with Habitat for Humanity to run energy models to find cost-efficient improvements for low-income housing. As a student, I also volunteered in my school district's strategic planning process.

Educational Background:

University attended:

University of Notre Dame

Degrees received:

Bachelor of Science

Major area of study:

Mechanical Engineering (double major in Economics)
