

AGREEMENT

THIS AGREEMENT (“Agreement”) is made by and between the City of Delray Beach, a Florida municipal corporation (the “City”) whose address is 100 NW 1st Avenue, Delray Beach, FL 33444 and Great Lakes Dredge & Dock Company, LLC, a limited liability company (the “Contractor”), whose address is 9811 Katy Freeway, Suite 1200, Houston, TX 77024 is entered into this ____ day of _____ 2026.

WHEREAS, the City requires beach renourishment services for the City’s Beach Nourishment Project; and

WHEREAS, established in 1973, the Delray Beach Shore Protection Program is a successful beach maintenance and preservation program supplemented by Federal, State, and County funding to renourish and maintain the eroded beach; and

WHEREAS, during the 2022 hurricane season, the City’s beach experienced sand losses prompting the City and County to request the United States Army Corps of Engineers (USACE) evaluate and repair damages caused by storms; and

WHEREAS, the USACE found the City’s Beach was impacted and eligible for a Flood Control and Coastal Emergency (FCCE) Storm Repair Project; and

WHEREAS, this project, the Delray Beach Renourishment Shoreline Protection Project, is managed by the USACE and will provide sand placement services to renourish the City’s Beach; and

WHEREAS, the USACE, pursuant to Solicitation No. W912EP25BA015, awarded an agreement with Great Lakes Dredge & Dock Company, LLC (Contractor) for the Delray Beach Renourishment Shoreline Protection Project; and

WHEREAS, concurrent to planning for the Delray Beach Renourishment Shoreline Protection Project, the City was in the process of obtaining permits for additional sand placement to add a taper to the southern end of the City’s Beach to provide increased protection to erosional hotspots; and

WHEREAS, these permits were approved following the release of the bid documents for Solicitation No. W912EP25BA015 and could not be included in the solicitation; and

WHEREAS, due to insufficient time to conduct an independent solicitation for the additional sand placement prior to Marine Turtle Nesting Season and to capitalize on the opportunity for reduced mobilization costs while the Contractor is performing work for the Delray Beach Renourishment Shoreline Protection Project, it is in the best interest of the City to waive the full open and competitive acquisition process to receive sand placement services for the southern taper by the Contractor; and

WHEREAS, the City desires to procure these services from the Contractor in accordance

with the City's Bid Waiver policy subject to the terms and conditions of this Agreement, the City's Purchasing Ordinances, and Florida Law.
