Good afternoon, Alexis;

After speaking with Supervisor Link, there are three items that were recommendations to the municipalities as it relates to their elections:

- The designation of the County Canvassing Board to canvass for their Municipal Elections; saving time for the municipality
- The elimination of Run-Off criteria for their Municipal Elections; reducing costs for the municipality
- Conducting their Municipal Election every even year; reducing costs for the municipality

Best,

Anne Mills

Good morning Anne,

Did you get a chance to speak with Wendy as whether she remembered any issues with Delray during the 2024 election?
