**Re: City of Delray Beach Police Officers' Retirement System**

Dear Lisa:

As requested, we have reviewed the proposed ordinance which would amend the City of Delray Beach Police Officers' Retirement System as follows:

Amend Section 33.64, Contributions, to indicate that member contributions will not accrue interest on or after the date of the ordinance adoption. All interest accrued as of the date of the ordinance adoption will remain included, but no additional interest will be credited. Members hired on or after the date of the ordinance adoption will not be entitled to interest on their accumulated member contributions.

In our opinion, these changes will have a de minimis savings to the Retirement System. It is our opinion that a formal Actuarial Impact Statement is not required. However, we recommend that you send a copy of this letter and the ordinance to the Municipal Police Officers and Firefighters' Retirement Trust Funds Office and to the Bureau of Local Retirement Systems.

Sincerely yours,
