PROPOSAL #P3012

We propose to furnish a crew and all necessary equipment to pre-clean and Install 150LF of 18" CIPP liner from catch basin to outfall. Cut off liner at outfall, post CCTV inspection upon completion. Prior to lining, divers will need to clean barnacles off outfall pipe, at the above mentioned job location. This work will be performed at our following hourly and/or unit prices:

Mobilization/Demobilization	(at \$1,500.00 Each)	1 Each	\$1,500.00
TV/Vac Combo	(at \$305.00 Per Hour)	8 hour(s)	\$2,440.00
18" CIPP	(at \$94.50 LF)	150 LF	\$14,175.00
Clean outfall prior to lining/and cut out	(at \$2,100.00 Fixed Cost)	1 Fixed	\$2,100.00

Estimated Total: \$20,215.00

Note: Shenandoah is relying on information provided by others on pre-existing condition of the existing drainage line. In the event conditions are different at the time of lining, any required changes will be discussed with the client.

NOTE: Due to the fragile condition of the existing pipe(s), the possibility of the pipe collapsing exists during the construction phase. If this unlikely event occurs, we will provide you with an additional estimate for a necessary point repair to complete the lining process. Due to the poor condition of the original host pipe, residual settling may appear at the surface grade, post lining. This condition is not covered under warrantee.

This proposal may be withdrawn if not accepted within 60 days. Payment terms net 30 days. (If we encounter an Insurance compliance fee requirement, this fee will be invoiced in addition to the above rates.)

All material is guaranteed to be as specified. All work to be completed in a workmanlike manner according to standard practices. Price above is only an estimate of foreseen conditions. Unforeseen conditions can affect the amount of time to complete the work, therefore increasing or decreasing estimate. All agreements are contingent upon strikes, accidents or delays beyond our control. Unless noted above engineering, permits, testing and bonds are not included in the pricing. Owner is to carry fire, tornado and other necessary insurance. Our workers are fully covered by Workman's Compensation Insurance. Parties to this proposal/contract expressly waive all tort claims against each other and limit their remedies to breach of contract.
